### **STATES OF JERSEY**

# ORGANISATIONS RECEIVING GRANTS OF OVER £75,000 IN 2023

Presented to the States on 21st February 2025 by the Minister for Treasury and Resources

**STATES GREFFE** 

2025 R.23

#### **REPORT**

#### Background

On 22nd September 2009, during the debate on the Draft Annual Business Plan 2010 (P.117/2009), the fourth amendment – P.117/2009 Amd.(4) – was adopted by the States as amended. A new 'Objective 7' was inserted, by this amendment, into the Annual Business Plan 2010. The new Objective stated –

# "Objective 7: Transparency and Accountability in relation to grants Success criteria:

- (i) All organisations receiving grants from the States submit their accounts to be published as a report to the States; subject to a de minimis limit, namely that accounts are only to be published for organisations receiving a grant of £5,000 or more or where the grant represents more than 50% of the total income of the organisation, except where to do so would breach confidentiality agreements, Codes of Practice or legislation such as Data Protection legislation.
- (ii) A full list of all grants, including amounts, made by each Department is included as an Appendix to the Annual Accounts of the States and listed by Department with no de minimis level for this listing, except where to do so would breach confidentiality agreements, Codes of Practice or legislation such as Data Protection legislation."

N.B. The *de minimis* limit originally set has since been changed, following discussions between the proposer and the Treasury and Resources Department.

#### **Presentation of grant accounts**
