Last meeting of the Committee as currently constituted.

A1. The Committee noted that this meeting would be its last, as currently constituted. The Chairman indicated that should he be re-elected in May 2018, he did not intend to seek re-appointment as the Chairman of the Committee. Accordingly, he thanked the members of the Committee and officers from the States Greffe for their hard work over the previous years.

Although he expressed disappointment that it had not been possible to reform the constitution of the States, he felt that the Committee had made other achievements, *inter alia*, the introduction of filming in the States Chamber.

The Committee, in turn, expressed its gratitude to the Chairman for ably fulfilling that role.
