The income and expenditure of the Criminal Offences Confiscations Fund is not consolidated into the States of Jersey annual Accounts.

Expenditure from the Fund must be authorised by the Treasury and Resources Minister, as per the Proceeds of Crime (Jersey) Law 1999, and is delegated to the COCF Steering Group. Expenditure must be used to promote or support measures that prevent, suppress or otherwise deal with criminal conduct, that deal with the consequences of criminal conduct or facilitate in the enforcement of any enactment dealing with criminal conduct. Funds may also be used to discharge Jersey's obligations under asset-sharing agreements and to meet the expenses of administering the Fund. Total grants paid during the year 2009 amounted to £3,615,727 (2008: £3,374,147); other expenditure in 2009 amounted to £22,715 (2008: £5,030).

It should be noted that an appeal was made in the X Case in January 2010 against a Confiscation Order (October 2007), and a provision has been made in these Accounts in respect of a sum amounting to £7,998,452, representing the gross confiscation of £9,730,152 less the confiscation element not appealed against (£1,731,700). See Note 10 for further details.

In accordance with the Comptroller and Auditor General's recommendation, the Financial Report and Accounts for the year ended 31 December 2009 will be approved by the Minister for Treasury and Resources and presented to the States for publication and distribution by the Greffier.

10. POST BALANCE SHEET EVENTS - CONFISCATED FUNDS AND COSTS ORDERS (X CASE)

(a) Confiscated Funds

A Confiscation Order was made in October 2007 in respect of the X case. A gross confiscation amount of £9,730,152 was reduced by Viscount's fees and expenses of £376,467, resulting in a net confiscation recorded in the 2007 COCF Accounts of £9,353,685. Confiscated funds amounting to £9,337,313 were transferred to the Criminal Offences Confiscations Fund in December 2008; a sum of £16,372 remained outstanding as at the end of 2008, and was received in January 2009. X appealed against the Confiscation Order in January 2010, and a provision has been made in these Accounts in respect of a sum amounting to £7,998,452, representing the gross confiscation of £9,730,152 less the confiscation element not appealed against (£1,731,700). A re-trial was held in June 2010, whereby the amount subject to appeal (£7,998,452) was allocated as to a confirmed confiscation amount of £6,528,707 and a gross refund to X amounting to £1,469,745; this gross refund was reduced by way of an £800,000 Costs Order awarded in favour of the States of Jersey.

(b) Costs Order

A Costs Order was made in May 2008 and amended in December 2008, and funds amounting to £1,665,598 were transferred to the Criminal Offences Confiscations Fund in December 2008, pending further transfer to the Law Officers' Department in compensation for prosecution costs incurred. X subsequently successfully appealed the Costs Order, and an amount of £1,674,100 (including interest) was returned to X in February 2010.

Please refer to (a) above in relation to a Costs Order made in 2010.

11. POST BALANCE SHEET EVENT - Y/Z CASE

Notification was received from the Attorney General on 24 January 2008 that it was very likely that confiscated funds totalling £616,000 would have to be transferred to the Swiss authorities in relation to the Y/Z case. The funds were subject to a Confiscation Order dated 4 December 2007, and have been reflected in the 2007 COCF Accounts as funds receivable as at the Balance Sheet date; a provision was also included in the 2007 Accounts in respect of the claim by the Swiss authorities. Funds were subsequently transferred to the Swiss authorities in June 2009, with a 10% retention being accounted for as confiscated funds in the 2008 Accounts; a decision was taken in April 2010 to pay the remaining funds to the Swiss authorities and a provision amounting to £64,000 was made in these Accounts; the balance of the funds was paid to the Swiss authorities in May 2010.
