DRUG TRAFFICKING CONFISCATIONS FUND

Year Ended 31 December 2006

TREASURER'S REPORT

Financial Report & Accounts:

These accounts reflect the income and expenditure of the Drug Trafficking Confiscations Fund for the year ended 31 December 2006.

The income and expenditure of the Drug Trafficking Confiscations Fund is not consolidated into the States of Jersey annual Accounts.

Income into the Fund is made up of amounts recovered under, or in satisfaction of, a confiscation order, or received under an assets-sharing agreement for offences against the Drug Trafficking Offences (Jersey) Law 1988. Total confiscated funds received in 2006 amounted to £1,258,792; bank interest received in 2006 amounted to £78,748.

Expenditure from the Fund must be authorised by the Treasury and Resources Minister, as per the Drug Trafficking Offences (Jersey) Law 1988, and is delegated to the DTCF Steering Committee. Expenditure must be used to promote or support measures that prevent, suppress or otherwise deal with drug trafficking or misuse of controlled drugs, that deal with the consequences of the misuse of controlled drugs or facilitate in the enforcement of any enactment dealing with drug trafficking or the misuse of controlled drugs. Funds may also be used to discharge Jersey's obligations under asset-sharing agreements and to meet the expenses of administering the Fund. Total grants paid during the year 2006 amounted to £527,029.

During the year 2006 an asset-sharing agreement was set up with the United States of America, as expected and provided in the prior year. It was the opinion of the Attorney General that the States of Jersey would have to pay over to the US authorities 50% of the monies confiscated. The liability under this asset-sharing agreement, including accrued interest and after revaluation, amounted to £1,360,875 as at the Balance Sheet date.

Accounting records for the Fund have been regularly maintained, but have not previously been subject to audit. This Financial Report and Accounts is the first to be produced in this form, and has been audited by PricewaterhouseCoopers LLP.

In accordance with the Comptroller and Auditor General's recommendation, the Financial Report and Accounts for the year ended 31 December 2006 will be approved by the Minister for Treasury and Resources and presented to the States for publication and distribution by the Greffier.
