A1. The Committee, with reference to its Minute No. B1 of 3rd October 2013, received a draft comment in connexion with the proposition ‘Public Elections: amendments to legislation and administration (P.110/2013) - amendment’, lodged ‘*au Greffe*’ by the Comité des Connétables on 23rd October 2013.

The Committee considered the draft comment and agreed to accept and reject the proposed amendments of the Comité as follows:

1. to accept the amendment in paragraph (1) which would provide that only those registering for the first time could have their name added to the supplementary register;
2. to accept the amendments set out in paragraph (2) (i) and (ii) relating to notification cards;
3. to reject the amendments set out in paragraph (3) (i) and (ii) regarding voting for long-term sick and disabled persons and prisoners on remand;
4. to accept the correction proposed in paragraph (4);
5. to reject the amendment to place candidates’ photographs in a polling station, rather than in the voting booth.

The Committee, having approved the draft comment, requested that it be presented to the States at the earliest opportunity.
