DEPUTY P.F.C. OZOUF OF ST. HELIER

Report

Senator Le Claire has lodged an amendment (P.69/2002 Amd.(8)) to the Island Plan seeking to rezone 2 fields.

I offer no opinion as to the suitability or otherwise of the 2 sites, but it appears to me that they should, if at all, only be included in the list of sites which will be subject to further consultation (these are listed in Policy H3 of the Plan).

It would be quite wrong for the States to include sites which have not been the subject of public consultation.

This amendment has no financial or manpower implications for the States.
