ENVIRONMENT AND PUBLIC SERVICES COMMITTEE

REPORT

Article 4(5)

As drafted, this Article would empower the Environment and Public Services Committee to require a Parish to provide the Committee with a copy of its Rates List in written or digital form, as the Committee requires.

The Comité des Connétables considers that it should be for the Parish itself to determine the form in which it keeps (and therefore provides) details of its Rates List.

The amendment, which is acceptable to the Comité, has that effect.

Article 7(1)(a)

The amendment inserts a missing word.

Article 34(4)

The amendment deletes superfluous words, to follow Jersey's current law drafting practice.

Article 42(1)(c)

The amendment corrects a cross-reference.

Manpower and Financial Implications

There are no additional financial or manpower resources required for the introduction and administration of this Law.
