**NOTIFICATION OF STANDING ORDER DECISIONS -  
FINANCE AND ECONOMICS COMMITTEE  
(delegated functions)**

8th July 2002

- (a) as recommended by the Harbours and Airport Committee, the renewal of the lease to Channel Islands Marine Limited of the granite buildings opposite the St. Helier Marina (known as Harbour Letting N12A), for a period of nine years from 1st April 2002, at an annual rent of £15,716 with three-yearly reviews against the open market value or the Jersey Retail Price Index, whichever were to be the higher. Internal repairs were to be the responsibility of the Lessee and each party was to be responsible for its own legal fees arising from this transaction;
  
- (b) as recommended by the Health and Social Services Committee, the renewal of the lease for a further five years for Fields 656, 656a, 661, 661a and 653 at Les Bourgeois Farm, Les Petites Rues, St. Lawrence, from Mr. Peter John Le Feuvre, for the period 1st January 2002 to 31st December 2006 at a commencing annual rental of £7,000 in advance, which would increase at the third anniversary in line with the Jersey Retail Price Index. There was an option to renew the lease for a further five years on the same terms and conditions.
  
- (c) as recommended by the Harbours and Airport Committee, a deed of Arrangement between the Public and Channel Islands Marine Properties Limited, in order to amend the existing lease for Harbour Letting B3, to allow for hypothecation in favour of Barclays Bank. The lease is deemed to have commenced on 8th October 1999, for a period of 21 years, to Channel Island Marine Properties Limited for 6,563 square feet of land at La Collette boat maintenance park, for the purpose of constructing a self-funded marine servicing workshop at an annual rent of £9,844.50 (representing £1.50 per square foot) with all same terms and conditions as stated previously.

## QUESTION PAPER

(See Item G)

Deputy R.G. Le Hérisssier of St. Saviour will ask the following question of the President of the Public Services Committee -

- “1. Can the President advise members -
  - (a) whether the Committee has made enquiries of the Guernsey authorities regarding the width of buses to be employed on that Island’s roads, and if so, could he confirm whether those buses would also meet Jersey’s width restrictions?
  - (b) in the event that it is possible to obtain buses which meet the Island’s width restrictions, why it has been necessary to grant Connex an exemption from the width restrictions?
2. Would the President identify any losses made by the School Bus Service in the last three financial years?”
