# INDEPENDENT AUDITOR'S REPORT TO THE BOARD MEMBERS AND THE MINISTER OF THE STATES OF JERSEY SOCIAL SECURITY DEPARTMENT

We have audited the financial statements of the Jersey Advisory and Conciliation Service (the "Service") for the year ended 31 December 2011 which comprise the Profit and Loss Account, the Balance Sheet and the related notes 1 to 8. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the Minister of the States of Jersey Social Security Department ("the Minister"), in accordance with Section 10 of the Schedule to the Jersey Advisory and Conciliation Service (Jersey) Law 2003. Our audit work has been undertaken so that we might state to the Board Members and to the Minister those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the service and the Minister, for our audit work, for this report, or for the opinions we have formed.

## Respective responsibilities of Board Members and auditor

As explained more fully in Statement of Board Members' Responsibilities, the Board Members are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

### Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the service's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Board Members; and the overall presentation of the financial statements.

In addition, we read all the financial and non-financial information in the Board Members' Report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent misstatements or inconsistencies we consider the implication for our report.

### Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the Service's affairs as at 31 December 2011 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been properly prepared in accordance with the Jersey Advisory and Conciliation Service (Jersey) Law 2003.

The notes on pages 6 to 9 form part of these financial statements.

### 1. Accounting policies

### 1.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention on a going concern basis and in accordance with generally accepted accounting standards in the United Kingdom.

### 1.2 Government Grants

Grants provided by the States of Jersey Social Security Department have been given to finance the general activities of the Service over the year and as such constitute the Service's major income source. Grants are recognised in the profit and loss account in full in the period in respect of which they are received as in the opinion of the Board Members there is no existing obligation to repay any unspent portion.

### 1.3 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Fixture and fittings 20% straight line Other fixed assets 33% straight line

### 1.4 Taxation

For taxation purposes the above entity is treated as a charity and is therefore exempt from paying Jersey income tax.

### 1.5 Leasing

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible fixed assets and depreciated over the shorter of either their useful lives or the lease term. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce a constant periodic rate of charge on the net obligation outstanding in each period.

Rentals payable under operating leases are charged against income on a straight line basis over the lease term.

### 1.6 Cashflow

JACS is exempt from the requirements to prepare a cashflow statement under Financial Reporting Standard 1 (revised) on the grounds of its size.

During the prior year, the Board concluded that as there was no existing obligation for the repayment of the deferred income provision which was recognised several years earlier, and that the balance brought forward should be written off. This was in accordance with the accounting policy that grant income is recognised in full in the period in respect of which it is received. Accordingly, the profit and loss account in the prior year includes the release of the brought forward £69,000 provision.
