Explanatory Note regarding subordinate legislation tabled at this meeting.

(See Item B)

R&O.22/2018.

Excise Duty (Relief and Drawback) (Amendment No. 7) (Jersey) Order 2018.

This Order sets out transitional rates of relief from vehicle emissions duty payable in respect of motor vehicles that are to be used exclusively as hire vehicles. These rates of relief apply from 1st January 2018 to 31st December 2018.

Article 1 defines “principal Order” as meaning the Excise Duty (Relief and Drawback) (Jersey) Order 2000.

Article 2 deletes a couple of spent provisions in Article 7 of the principal Order.

Article 3 inserts a new Article 8A into the principal Order. This new Article applies in respect of hire vehicles only, for a transitional period between 1st January 2018 and 31st December 2018, and allows a specified percentage of relief from the 2018 rates of vehicle emissions duty (as introduced by P.98/2017) payable in respect of motor vehicles under Table 1 in paragraph 8(4) of Part 2 to Schedule 1 to the Customs and Excise (Jersey) Law 1999. The effect of the relief is that in the context of hire vehicles imported within the transitional period, the duty payable will equate to the rate of vehicle emissions duty that would have applied to any such vehicle had it been imported in 2017. Drawback of 50% of vehicle emissions duty paid (with the relief applied under new Article 8A) is also allowed in respect of hire vehicles imported within the transitional period, if within 6 months of the date on which the vehicles are required to be registered, they are exported or destroyed whilst under customs control.

Article 4 provides for the title by which this Order may be cited and for it to come into force on the day after it is made.

The Order was made on 12th March 2018 and came into force on 13th March 2018.

R&O.23/2018.

EU Legislation (Sanctions – Belarus) (Amendment No. 3) (Jersey) Order 2018.

This Order amends the EU Legislation (Sanctions – Belarus) (Jersey) Order 2015 to give effect in Jersey to the amendments made to Council Regulation (EC) No 765/2006 of 18 May 2006 (OJ L 134, 20.5.2006, p. 1) by Council Regulation (EU) 2018/275 of 23 February 2018 (OJ L 54, 24.2.2018, p. 3), concerning restrictive measures in respect of Belarus. Those amendments came into effect on 24th February 2018 and their effect is to provide for derogations from the export ban on certain types of small-calibre sporting rifles, small-calibre sporting pistols and small-calibre ammunition, and from the ban on assistance or services related thereto, while recognising that the export of such equipment should be limited.

The Order was made on 13th March 2018 and came into force on 14th March 2018.
