1. Item 6 05.05.06	<p>Review of Financial Framework of States Strategic Plan</p> <p>The Panel met with Senators Norman and Shenton to consider its question plan for the public session with the Treasury and Resources Minister.</p> <p>The Chairman informed the Panel that he had been advised by the Greffier of the States that Standing Orders did not allow for additional members to be co-opted to a Panel although it was possible for a Sub Panel to include non-Executive members who were not members of the Panel. Therefore it was proposed that the public hearing with the Minister would be undertaken formally by a Sub Panel. However, as it was considered that a Sub Panel must be less than the whole, the Chairman had asked one of the Panel members to withdraw from the review. Constable Gallichan had agreed.</p> <p>The Panel noted the position and approved the formation of a Sub Panel but agreed that a change to Standing Orders should be considered to allow for greater flexibility in the future</p>
