**R&O.75/2011.**

Under this Order, the Jersey Battle of Flowers Association –

- (a) may close public roads, and use them, for the purpose of holding the Battle of Flowers on Thursday 11th August 2011 and the Moonlight Parade on Friday 12th August 2011;

The Order was made on 10th June 2011 and came into force on being made.

**R&O.76/2011.**

This Order amends the Employment (Awards) (Jersey) Order 2009 in respect of the maximum amount that may be awarded by the Employment Tribunal (“Tribunal”) in employment disputes.

Under the current Order, the maximum amount is the aggregate of £10,000 and awards made by the Tribunal in unfair dismissal cases. This Order amends that amount to the aggregate of those amounts and any other minimum amount that is specified in the Employment (Jersey) Law 2003 as an amount to which an employee is entitled and which is the subject of the employment dispute. The latter would include, for example, statutory redundancy payments.

The Order was made on 10th June 2011 and came into force on 17th June 2011.

## WRITTEN QUESTIONS

(See Item I(a))

1. The Minister for Housing will table an answer to the following question asked by Deputy R.G. Le Hérisse of St. Saviour-

“How many 3 and 4 bedroom States houses are under-occupied, is this exacerbating the shortage of such rental properties and, if so, what is proposed to remedy this situation?”

2. H.M. Attorney General will table an answer to the following question asked by the Deputy of St. Martin –

“Will H.M. Attorney General inform Members of the fees paid to all external legal firms undertaking work on behalf of the Law Officers’ Department for the years 2008, 2009 and 2010 with a breakdown of the fees paid to individual firms in each of those years?”

3. The Minister for Planning and Environment will table an answer to the following question asked by Deputy P.V.F. Le Claire of St. Helier-

“Would the Minister provide details of how many applications for housing in the Green Zone have been approved since 2001, showing each year up to and including June 2011?

In which locations were these approvals given and for what type of development?

Which politicians took part and agreed to the approval of these sites and which were approved by officers and/or Panels and Sub-Committees?”

4. The Minister for Economic Development will table an answer to the following question asked by the Deputy of St. John-

“Would the Minister provide details of the number of life guards employed under contract on-Island, the Coastline/bays covered and time of duty rotation, whether the swimming pool at West Park has a lifeguard and, if not, why not?

Did West Park pool feature in the negotiations with the RNLI when discussions on safety at sea were held and, if not, why?

Would the Minister advise the number of lifeguards who –

- (a) are locally born;
- (b) have 10 year housing qualifications;
- (c) qualify for employment under the 5 year rule;
- (d) who qualify under J cat employment;
- (e) who are working here under some other contract arrangement?

Would the Minister supply details of the training given to the lifeguards.

Given the high number of young people unemployed on Island, what attempt, if any, have the RNLI, in conjunction with Economic Development, made to recruit local people through Social Security, or other means?

Where are the non-local lifeguards accommodated?”

5. The Minister for Health and Social Services will table an answer to the following question asked by Deputy P.V.F. Le Claire of St. Helier-

“Would the Minister provide a breakdown of the number of residents in sheltered accommodation

provided by the Health and Social Services detailing the number and cost at each location?

Would the Minister advise whether some patients are utilising hospital beds because there are not currently enough places elsewhere, and if so, how many and what effect is that having on waiting lists for the hospital patients for surgery etc?"

6. The Minister for Health and Social Services will table an answer to the following question asked by Deputy R.G. Le Hérissier of St. Saviour-

7. The Minister for Treasury and Resources will table an answer to the following question asked by Deputy R.G. Le Hérissier of St. Saviour-

8. The Minister for Education, Sport and will table an answer to the following question asked by the Deputy of St. John-

"How long the Jersey Sea Cadets have been waiting to move to new premises close to the water and would the Minister provide details of the various sites considered over the last 25 years and the reasons for not progressing with them?

What funds, if any, have been set aside to help relocate the unit; what percentage has been spent and on what?

Given the grant to the Sea Cadets was cut some years ago, are the Army Cadets funded by the Island or the UK?

Can the Minister give a provisional a date when the Cadets will have a new Headquarters?"

9. The Chief Minister will table an answer to the following question asked by Senator F. du H. Le Gresley-

Could he advise if legal advice has been obtained by his Department on the use of Article 84 and in particular in respect of the demolition of and removal of any resulting rubbish from the buildings on the Plémont headland?

Does the existence of a current planning application for the site of the former Plémont Holiday Village prevent a notice under Article 84 being served on the owner of the land?"

11. The Minister for Economic Development will table an answer to the following question asked by the Deputy of St. John–

“Would the Minister give details of the numbers of delays on rotation on Condor Ferries’ northern and southern routes over the last 3 years including increases in the journey time of trips per route, broken down to show delays of longer than 30/60/120/240 minutes and also incidents of accidents and being towed into ports ?

- (c) Travel costs for elective (non emergency) surgery;

20. The Minister for Health and Social Services will table an answer to the following question asked by Deputy G.P. Southern of St. Helier –

“Given that the thrust of her green paper “caring for each other, caring for ourselves” is to deliver more care in the community, will the Minister give details of the extent to which support for services delivered by third sector (charitable or voluntary) partners is affected by the Comprehensive Spending Review (CSR) proposals?”

In particular will she list those third sector organisations who receive funding from the Health and Social Services Department and give details of the sums involved in 2010 and how the £140,000 (2%) saving in the first round of CSR on awards to these bodies has been delivered in 2011?

Will she inform members what plans she has to deliver further savings in this area in the second round of CSR proposals for 2012 – 2013?

Does she accept that any cuts to grants in this sector make further fund raising more difficult to obtain

(such as matched funding from Lloyds TSB or similar) and these short-term savings may well have longer term costs?"

21. The Minister for Health and Social Services will table an answer to the following question asked by Deputy G.P. Southern of St. Helier –

“Will the Minister state what alternatives, if any, she has to replace the service provided by Family Nursing and Home Care (FNHC) for the supply of dressings and dietary supplies and advise –
