

The treasury minister has suggested that increased interest in relocating to the Finance Centre will now come from inward investors (JEP article).

Why has there been no take up already from new businesses to the Island as opposed to simple relocation of existing businesses?

What efforts has Jersey Development company made to promote the Finance Centre outside of the Island?

Has Jersey Development Company ever been asked by Locate Jersey or Jersey Finance to jointly promote the Finance Centre at events such as MIPIM? If yes, why has this not happened. if no, would this not be a good idea for joint promotion?
