Ref Back	Agenda matter	Action
	1. Records of previous meetings The Committee approved, and accordingly signed, the minutes of its meetings on 21st and 31st March 2011.	
	2. Western Sub Station Following a letter from the Minister for Home Affairs relating to the Western Fire Station and a report by BDO ".....", the Committee required more information on the choices available to BDO as it formulated its conclusions and the criteria applied to each option considered. There were other points of issue such as a lack of forecast of potential future costs that appeared to be insufficiently dealt with. A draft letter was considered and the Committee agreed to send that to the Minister for Home Affairs for further information.	MR
	3. Jersey Homebuy Scheme The Committee discussed the responses received on factual issues contained within the draft of the Homebuy Scheme interim report. Having agreed certain minor amendments, it approved the draft for printing and presentation to the States at the soonest opportunity.	MP
