 1386/2/1/9(18)

A1. The Committee, with reference to its Minute No. A1 of 4th December 2018, recalled that, as required to do so in accordance with Article 9(9) of the Administrative Decisions (Review) (Jersey) Law 1982 ('the Law'), it had presented to the States the report of the States of Jersey Complaints Board ('the Board') in connexion with a complaint by Mr. Huda against the Minister for Health and Social Services, regarding an unresolved complaint and allegations of racism.

On 12th February 2019, the Minister for Health and Social Services ('the Minister') had presented his response to the Board's report (R.148/2018 Res. referred). This response had been circulated to members of the Board, who had decided to address various statements made therein by the Minister.

The Committee was mindful that the Law provided that where the Board felt that its findings had been insufficiently considered, or implemented, it could provide a report to that effect to it. Accordingly, it decided to present a copy of the Board's response to the Minister's response to the States in the Reports series and instructed the Committee Clerk to take the necessary action.
