PAGE 2, AMENDMENT 1 –

In the substituted paragraph (5) –

- (b) in clause (i) of sub-paragraph (b) after the words “a grant of planning permission” insert the words “, whether or not”.

DEPUTY J.H. YOUNG OF ST. BRELADE

REPORT

My minor amendment to item 1 (page 2) of the Minister for Planning and Environment's second amendment to the Draft Planning and Building (Amendment No. 6) (Jersey) Law 201- (P.94/2014 Amd.(2)) has two effects –

1. It substitutes the reference to the Planning Applications Panel with a reference to the Planning Applications Committee.
2. It provides that an appeal shall also lie where the determination is to grant the planning application without conditions. This makes it consistent with item 3(b) of my amendment (P.94/2014 Amd.(3)), which widens the cases in which the inserted Article 22A applies, so as to include a case where there has been a decision to grant planning permission without conditions.

Financial and manpower implications

There are no financial or manpower implications arising from this amendment to the Minister's amendment.
