3.14 Deputy A.F. Curtis of St. Clement of the Minister for the Environment regarding the planning application status of the South Hill development (OQ.156/2025):

Will the Minister advise whether a building application for the South Hill development has been submitted and, if so, the current status of the application?

Deputy S.G. Luce of Grouville and St. Martin: (The Minister for the Environment):

I can confirm that at this time a building application has not been submitted for the South Hill development.
