Dear Kelly,

On behalf of the Jersey Appointments Commission (JAC) we would like to thank you for the invitation to take part in your consultation.

However, after the invitation was discussed by the Commissioner team it is felt that as the JAC does not maintain data specific to the topic at hand it would not be appropriate for the Commission to provide comment on the matter.

We do not wish for this to reflect a negative view of the importance of the issue nor in your commitment to making sure that an appropriate salary is set for every role advertised.

With best wishes

Rt Hon Dame Janet Paraskeva DBE
Chair, Jersey Appointments Commission
