## States Assembly

### **Chair-Convener - Carbon Neutral Citizens' Assembly**

**Could you support a group of Islanders to consider Jersey's journey towards becoming carbon neutral?**

A Citizens' Assembly is being formed to consider how and over what timeframe Jersey should work towards becoming carbon neutral and make recommendations to the States Assembly.

We are seeking an independent person to take on the role of Chair-Convener. The successful applicant will help guide participants through the process, liaise with the facilitators and independent experts and speak publicly about the Citizens' Assembly.

**You will be:**

- Passionate about our Island community
- Interested in governance / public policy
- A good listener and communicator
- Experienced in managing large groups
- Able to commit to attend all Assembly sessions

The role is voluntary and the time commitment is approx. 35 hours, mainly on weekends, between March and May 2021.

**Further information is available on [gov.je](http://gov.je) or by contacting Michelle Clark in the States Greffe ([m.clark@gov.je](mailto:m.clark@gov.je))**  
**Applications close on 28th January.**
