Dear Sir

Regarding a new Super-  
Market in St. Peter. FB  
NO, NO, NO.

What we want & what we  
need are two very different  
things. We do NOT need  
another Super Market in ST  
Peter or in any of the  
northern parishes. It would be  
a retrograde step & almost  
certainly be the end of the  
Small Shops which give us  
such good service as well  
as generating more traffic.

We need to encourage the

Sweet Shops & the farm Shops.  
Support locally grown food  
& stop importing beans from  
Kenya, Sweetcorn from Peru  
etc & think of the future  
& the carbon footprints we  
Make.

Yours faithfully

Dagmar Godfrey (Mrs)

Further more no M & S in St.  
John.
