DRAFT PLANNING AND BUILDING (AMENDMENT) (JERSEY) LAW 200- (P.210/2004): COMMENTS

**Presented to the States on 14th December 2004
by the Finance and Economics Committee**

STATES GREFFE

COMMENTS

The Committee understands that the revised direct costs of the Draft Planning Law (circa £155,000) can be met from the existing cash limit of the Environment and Public Services Committee without significant increases in Planning Fees.

It further notes that the amended provisions with regard to the appeals process may require unquantified funding and will therefore be contingent on an appropriate level of growth funding being identified and secured.
