**Health and Social Security Panel**  
**Dementia Strategy**

Dear Minister,

The Panel notes the decision to delay publishing the Dementia Strategy until further consideration had been given to what areas of the Strategy could be implemented with existing funds and what areas would require further funding.

The Panel would be grateful if you could confirm when you are now aiming to publish the Strategy and whether the funding analysis, referred to above, will be included within the published document.

The Panel would be grateful for your written response within five working days of receipt of this letter, 3rd May 2024.

We look forward to hearing from you.

Yours sincerely,
