**Explanatory Note regarding subordinate legislation
tabled at this Meeting**

(See Item B)

R & O 21/2001

The purpose of this Order is to consolidate the Orders relating to public parking places.

The charges payable in respect of parking places are prescribed by a separate Order.

The Order was made on 22nd January 2001 and comes into force on 1st February 2001.

R & O 22/2001

The sole purpose of this Order is to prescribe charges in respect of public parking places. It is, however, to be read as one with the Road Traffic (Public Parking Places) (Jersey) Order 2001, which provides generally for public parking places.

Parking charges are increased by this Order.

The standard parking charge is increased from 35 pence to 39 pence.

The excess charge is increased from £20 to £40, if paid within 3 working days, and from £30 to £60 in any other case.

The season ticket charge is increased from £29 to £32.50 in respect of season tickets limited to certain parking places and from £58 to £65 for a wider range parking places.

The Order was made on 22nd January 2001 and comes into force on 1st February 2001.

R & O 23/2001

The purpose of this Order is to increase the charge for parking at certain places in St. Helier.

The standard charge is increased from 35 pence to 39 pence.

The opportunity has been taken to link this charge with the standard charge prescribed for the purposes of the Road Traffic (Public Parking Places) (Jersey) Order 2001 so that in future only one Order need be made to vary parking charges.

The Order was made on 22nd January 2001 and comes into force on 1st February 2001.

R & O 24/2001

The purpose of this Order is to increase the charge for parking at certain places in St. Lawrence.

The standard charge is increased from 35 pence to 39 pence.

The opportunity has been taken to link this charge with the standard charge prescribed for the purposes of the Road Traffic (Public Parking Places) (Jersey) Order 2001 so that in future only one Order need be made to vary parking charges.

The Order was made on 22nd January 2001 and comes into force on 1st February 2001.

QUESTION PAPER

(See Item G)

Deputy Roy George Le Hérisssier of St. Saviour will ask the following questions of the President of the Public Services Committee -

- “1. Would the President outline the procedures put in place to ensure that Value for Money (VFM) is obtained from the schools bus service?
2. Would the President outline the annual cost of the service and give the total number of individual journeys made?

Senator Paul Vincent Francis Le Claire will ask the following question of the President of the Industries Committee -

- “1. Would the President advise members -
 - (a) whether or not the Committee has discussed my Proposition regarding the introduction of work permits (P.107/2000) which was referred to them on 11th July 2000?
 - (b) whether or not the Committee has received any advice from the Attorney General in respect of my work permit proposal?
2. If the answers to questions 1(a) and 1(b) are in the negative, would the President explain the reasons?”

Senator Paul Vincent Francis Le Claire will ask the following question of the President of the Policy and Resources Committee -

1. Does the Policy and Resources Committee believe that the principle of change to the Constitution of the Island of Jersey is sufficiently important that it cannot occur without the endorsement of the electorate?
2. If the answer to question 1 is in the affirmative how does the Committee intend to seek the participative changes required with and by the people to implement the changes as recommended by the “Clothier Review”?
3. If the answer to question 1 is in the negative, has the Committee sought the views of the Attorney General and if so would the President make those known in full to this Assembly?”

Deputy Michael Edward Vibert of St. Brelade will ask the following question of the President of the Policy and Resources Committee -

“On the 6th of June 2000 in reply to a question from myself asking when his Committee intended to request the Assembly to consider proposals on population and immigration control, the President stated the Committee "is now aiming to submit a further report to the States by about the end of July. This will pave the way for a debate after the summer break."

On the 10th of October the President said in response to another question "Being realistic, I hope that the Committee will be in a position to present a report to the Assembly shortly after Christmas."

On the 28th November in reply to supplementary questions to a question from the Deputy of St. John on population policy, the President indicated a report would be forthcoming early in 2001.

- (a) Can the President update the Assembly as to when a report on this vital issue is likely to be forthcoming?
- (b) Can the President confirm the issue of population and immigration control is the top priority for his Committee and Department and would he inform the Assembly what resources are being allocated to this?”
