COMPOSITION AND ELECTION OF THE STATES: REVISED STRUCTURE (P.72/2009) – COMMENTS

Presented to the States on 18th June 2009
by the Minister for Treasury and Resources

STATES GREFFE

COMMENTS

It is a matter for the States to decide whether they wish to support this proposition. If they do so, the cost of a referendum will need to be met from the States Assembly's head of expenditure. If all parts of the proposition are approved, and the referendum confirms the proposed changes, then an annual saving of approximately £160,000 would be achieved from 2011.
