Medium Term Financial Plan Addition The Panel discussed its work programme in relation to the Medium Term Financial Plan Addition which was to be lodged on 30th June 2016. It set aside four separate blocks of time in order that the Panel might focus specifically on the work, as found to be necessary. It recognised that the final date for amendments was 13th September. All timetables had to be subject to that fixed point to ensure that the Panel achieved the results required. It also agreed that the Panel would ensure that Members did have time for a summer break during August.	MR
