28/11/12 Item 3 513/37(1)	<p>1. 2013 Budget</p> <p>The Panel received revised comments on <i>Draft Budget Statement 2013 (P.102/2012)</i> which had been amended to take into account the Panel's requests at its previous meeting.</p> <p>The Panel noted that the Chairman had provided information in respect of Impôts duty which it had not yet been possible to incorporate in the draft comments but which could feasibly be included. The Panel was also advised that the Scrutiny Office had contacted the Channel Islands Competition and Regulatory Authorities (CICRA) and that, as a consequence, CICRA would advise the Panel on work it had undertaken in respect of the prices of alcohol, tobacco and fuel.</p> <p>The Panel approved the comments as they stood, with some minor amendments suggested by the Vice-Chairman, and delegated to the Chairman and Vice-Chairman the responsibility of overseeing the incorporation of the information received from the Chairman and the advice received from CICRA before the comments were ultimately presented to the States.</p>
