Motor Vehicles (Driving Licences) (Amendment No. 18) (Jersey) Order 2022.

*Minister for Infrastructure.*

This Order amends the Motor Vehicles (Driving Licences) (Jersey) Order 2003 (“2003 Order”) in 2 respects: (a) by broadening the evidence which may be acceptable to the Inspector of Motor Traffic

("Inspector") before a person takes a driving theory test or a driving practical test and (b) by extending the list of countries issuing driving licences that may be exchanged for a Jersey driving licence.

*Article 1* provides that this Order amends the Motor Vehicles (Driving Licences) (Jersey) Order 2003.

*Article 2* amends the 2003 Order so that if an applicant for a driving theory test is unable to meet the current requirement to produce a driving licence authorising the applicant to drive the vehicle in which the practical test will take place, the Inspector may accept any evidence that the Inspector considers satisfactory.

*Article 3* amends the 2003 Order so an applicant for a driving practical test is no longer required to produce an insurance certificate for the vehicle in which the test is to take place. Instead, the applicant must sign a declaration, with the examiner present, that such an insurance policy is in force. A further amendment is made by *Article 3* so that if the applicant is unable to meet the current requirement to produce a certificate showing that the applicant has successfully passed the theory test, the Inspector may accept any evidence that the Inspector finds satisfactory.

*Article 4* amends how categories of vehicle in Jersey are specified to make clear that a category which includes a "+" sign may be shown with or without the "+" sign. This is to ensure consistency with how vehicle categories are shown in Jersey driving licences and in Schedule 5.

*Article 5* amends Schedule 5 to the 2003 Order by extending the list of countries issuing driving licences that may be exchanged for a Jersey driving licence to include the Cayman Islands, United Arab Emirates, Taiwan, Ukraine, and North Macedonia. *Article 5* also amends Schedule 5 by removing some drafting inconsistencies and references to driving licences that are no longer in use.

*Article 6* sets out the title of this Order and provides for it to come into force 7 days after it is made.

The Order was made on 29th November 2022 and came into force on 6th December 2022.
