	2. Panel meeting with Fiscal Policy Panel (FPP) The Panel met with the FPP to discuss its annual FPP Report. The Panel raised some queries with the FPP which the Panel believed would impact on its own MTFP report for which it needed clarification. The Panel noted that although the FPP was supportive of the MTFP as drafted, it did stress the MTFP addition due to come to the States in June 2016 was of extreme importance.
