This Order commences the Road Traffic (No. 65) (Jersey) Regulations 2021 on 5 October 2024.

This Order amends the Motor Vehicles (Driving Licences) (Jersey) Order 2003 (“the 2003 Order”) to implement changes to the Road Traffic (Jersey) Law 1956 made by the Road Traffic (No. 65) (Jersey) Regulations 2021.

Article 2 inserts the definitions of “prescribed requirement” and “prescribed category of vehicle” into Article 1 of the 2003 Order. It also defines a “Group 1 licence” and “Group 2 licence” as licences to drive specified categories of vehicle. A Group 1 licence authorises the driving of passenger cars with up to 8 passenger seats, goods vehicles weighing up to 3.5 tonnes and motorcycles. A Group 2 licence authorises the driving of buses and coaches, including minibuses and goods vehicles that exceed 3.5 tonnes.

Article 3 substitutes Article 2 of the 2003 Order to prescribe the manner of applying for a licence. It also prescribes the period of 3 months before the expiry of the current licence as the period within which an application for renewal of a driving licence must be made.

Article 4 amends Article 4 of the 2003 Order in relation to categories of vehicle, medical conditions and the manner of applying for a licence.

Article 5 inserts a cross-reference into Article 7 of the 2003 Order.

Article 6 substitutes Article 9 of the 2003 Order to prescribe additional categories of vehicle that are authorised by a Group 2 licence.

Article 7 replaces the existing Articles 25 to 30 of the 2003 Order. The new Articles 25 to 30B prescribe the medical conditions that must be declared by an applicant for a licence (“relevant medical conditions”). The new Articles also prescribe the requirements that must be met before a driving licence can be issued to an applicant who has a relevant medical condition that is prescribed for the purpose of Article 9(5) of the Law.

Article 8 amends Part 1 of Schedule 7 to the 2003 Order so that the required distance for reading a vehicle registration number plate in a practical driving test is reduced from 20.5 metres to 20 metres.

Article 9 amends Parts 1 and 2 of Schedule 10 to the 2003 Order by substituting the notices that a parochial authority must serve under Article 10(5) of the Road Traffic (Jersey) Law 1956 requiring the holder of a licence to undergo a medical examination or a practical driving assessment.

Article 10 sets out the title of this Order and provides that it will come into force on 5 October 2024.
