CENSUSES AND THE DEVELOPMENT OF OFFICIAL STATISTICS FOR JERSEY (P.275/2005): COMMENTS

**Presented to the States on 11th January 2006
by the Minister for Treasury and Resources**

STATES GREFFE

COMMENTS

By moving from a 5-year to 10-year census cycle, scarce resources can be re-directed to provide more regular and timely statistics and thereby better inform decision-making. This represents better value for money and therefore the Minister for Treasury and Resources supports the Report and Proposition.
