A1. The Committee, with reference to its Minute No. B1 of 8th March 2011, received a draft report for presentation to the States in respect of the 'in Committee' debate scheduled to take place on 29th March 2011 in connexion with the findings contained within the report: 'The Review of the roles of the Crown Officers' (R.143/2010 refers).

The Committee recalled that it had agreed to present a report to the States, the purpose of which would be to establish the basis for the 'in Committee' debate. Having noted the content of the report, the Committee accordingly **approved** the same, and requested that it be presented to the States at the earliest opportunity. It was further **agreed** that the Chairman should draft correspondence for circulation to all States members outlining the arguments for and against the various options arising from the recommendations made by the review panel in its report.

The Greffier of the States was requested to take the necessary action.
