<b>23.07.09 item 2</b>  <b>515/17(8)</b>	<p><b>1. Public recording of scrutiny proceedings: discrimination</b></p> <p>The Committee noted email correspondence from "Team Voice" explaining their views that they were being discriminated against and requesting to be invited to the forthcoming Chairmen's Committee meeting to discuss these issues. It also considered a request by the same body to video record the Committee's proceedings.</p> <p>In relation to the former, the Committee agreed that time could be given to hear the views of "Team Voice" at the end of the scheduled Committee meeting. It agreed that this would be recorded and transcribed so that all concerned would have a full verbatim record of the discussions.</p> <p>In relation to the latter, the Committee, noting that the previously agreed protocol did not permit the taking of recordings of Chairmen's Committee meetings, declined permission to video.</p>
