MINISTER FOR PLANNING AND ENVIRONMENT

REPORT

The Planning and Building (Jersey) Law 2002 provides that there should be a Planning Applications Panel comprising up to 9 States Members; and that its members will be appointed by the States on the nomination of the Minister for Planning and Environment. Following the retirement from the States of the former Connétable of St. Peter, there are 3 posts available to fill.

The existing members of the Panel are Deputy A. Pryke (Chairman), the Connétables of St. Mary, Trinity and St. Saviour, and Deputies C. Egré of St. Peter and S. Power of St. Brelade

I am delighted to nominate the Connétable of St. John for membership of the Panel. His experience in managing a rural parish will be invaluable.

Similarly, I am delighted to nominate Deputies P. Le Claire of St. Helier and J. Maçon of St. Saviour. Both Deputies represent urban districts and will provide balance to the Panel.

Please note that the Law allows for nominations only to be made by the Minister. If the States rejects these nominations, the Minister can nominate another States member, and so on, until the vacancies are filled.

There are no financial or manpower implications arising from this proposal.
