by the Minister for Transport and Technical Services**

STATES GREFFE

DRAFT ROAD TRAFFIC (No. 57) (JERSEY) REGULATIONS 200 (P.161/2006): AMENDMENT

PAGE 11, REGULATION 7 –

In paragraph (2) for “on 1st February 2007” substitute “7 days after they are made”.

MINISTER FOR TRANSPORT AND TECHNICAL SERVICES

REPORT

A local company is designing and installing the new driving licence system so that the parishes can issue new, more secure, credit card style driving licences.

One of the overseas suppliers appointed by the local company to provide specialist materials for producing the licences has pulled out at short notice. While an alternative supplier has been found, it will no longer be possible to begin production of the new licences on 1st February, the date the Regulations would come into effect.

This amendment will allow the Regulations and any subordinate legislation to be co-ordinated with the date from which it will be possible to produce the new credit card style licences.

There are no additional financial or manpower implications for the States arising from this amendment.
