STRATEGIC PLAN 2006 TO 2011 (P.40/2006): SECOND AMENDMENT (P.40/2006. AMD.(2))–

REPORT

The Treasury and Resources Department has targeted resources in 2007 to undertake this important task, which will require a solution that is 'cost neutral' to the taxpayer. To do so earlier would divert the currently limited resources from other priority tasks, including the timely delivery of the Fiscal Strategy.

There are no additional financial or manpower implications arising from this amendment to the amendment.
