DRAFT INCOME SUPPORT (JERSEY) LAW 200- (P.102/2006): COMMENTS

**Presented to the States on 6th October 2006
by the Council of Ministers**

STATES GREFFE

COMMENTS

The States Strategic Plan includes the Strategic objective of 'Delivering an integrated system of benefits which helps residents to achieve and maintain financial independence and which provides appropriate financial support for local households and individuals unable to support themselves'.

The draft Law provides the enabling and flexible framework around which the new scheme will be built to deliver a more equitable, accessible and more easily understood safety net for the community, and as such the Council of Ministers supports the draft Law.
