Dear Chief Minister

H&SS Scrutiny Panel

Review of the Government Plan 2022-25

I write to you following the recently lodged P.90/2021 - Government Plan 2022 – 2025 and to inform you of the Panel's intention to look further into various projects listed therein namely:
Health and Social Recovery Fund (page 43 Government Plan 2022-25)

In the Government Plan 2022-25, the Panel notes that the project GP22-CSP2-C-11 'Health and Social Recovery Fund' (Fund), will be overseen by a Political Oversight Group who will, per page 7 of Government Plan 2022-25, *"champion health, social recovery and wellbeing activity across all Government Departments, and building on existing programmes"*.

- Will the Political Oversight Group (POG), with responsibility for the Fund, establish a Terms of Reference to meet these objectives prior to any withdrawals being made from the Fund?

- The Panel note on page 19 of the Government Plan 2022-25, that recovery projects will be *"underpinned by clear measurement of processes, impacts and outcomes that demonstrate we are achieving progress"*. Please can you provide details of the development of each project to ensure they are ready to commence from 2022?

- Please can you provide a timeline for each project that will receive funding?

- Please can you outline the specific projects that will be allocated funding?

- There is £5m allocated to the Fund in 2022 and £3m allocated to the Fund in 2023. Please can you provide a breakdown of the funding allocated to each project under the remit of the Fund?

- Will the POG have discretion to allocate funding to any additional projects not already outlined in Government Plan 2022-25?
