## REPORT

---

### Background

In September 2018, the States adopted the [Limited Liability Companies \(Jersey\) Law 2018](#) (the “LLC Law”) which provides for the establishment of limited liability companies (“LLCs”) in Jersey. These legal entities are prevalent in the US and share features with both companies and partnerships. The Jersey LLC was introduced with a view to Jersey becoming an increasingly attractive jurisdiction for US business, as well as catering to our US market generally.

Article 60 of the LLC Law provides that the States may make Regulations in relation to LLCs for a number of reasons:

- To create offences and specify penalties not exceeding 2 years’ imprisonment (Article 60(2)(a)).
- To provide for mergers and demergers of LLCs with other LLCs and with body corporates registered both in and outside of Jersey (Articles 60(2)(b), (c) and (d)).
- To provide for continuance of LLCs in and outside of Jersey (Article 60(2)(e)).
- To provide for the disqualification of persons as managers, members, secretaries and deputy secretaries of LLCs (Article 60(2)(b)(g)).
- To provide for audit and accounting of LLCs (Article 60(2)(b)(i)).
- To provide for and apply in respect of LLCs, with or without modifications any provisions of the [Companies \(Jersey\) Law 1991](#) or the [Foundations \(Jersey\) Law 2009](#) (Article 60(2)(b)(j)).

These Draft Regulations are the Regulations envisaged by the above provisions of the LLC Law.

### Consultation

During September 2020, the Government of Jersey published a consultation on the Draft Regulations, seeking comments and views. The Government of Jersey received five responses to the consultation. Those views, together with the views of the Jersey Finance Limited Working Group on LLCs have been considered in finalising the Draft Regulations.

### The Draft Regulations

The Draft Regulations seek to ensure that LLCs are able to properly function, offering an attractive and flexible product, while maintaining the appropriate regulatory and administrative requirements to ensure proper oversight of the vehicle. The draft Regulations largely reflect practices and procedures already in place for Jersey companies and well established under the [Companies \(Jersey\) Law 1991](#) (the “Companies Law”).

*Part 1*

Part 1 of the Draft Regulations deals with administrative issues such interpretation (Regulation 1) and definitions applicable to LLCs (Regulation 2). This Part also prescribes who may not be a member or a manager of an LLC (Regulation 3) to ensure that only those deemed appropriate may seek to be involved in an LLC.

Regulation 4 provides that the Minister, the Attorney General or the Commission may seek to disqualify a person from being a manager of an LLC. This ensures that the necessary protections are in place for public interest. Regulation 5 of the Draft Regulations also places personal liability on a person for contravention of a disqualification order made under Regulation 4.

*Part 2*

Part 2 provides for account and audit of LLCs makes provision for accounting and audit of LLCs, including the requirements to publish and deliver accounts and when an LLC is required to appoint an auditor. Regulation 6 places the requirement on an LLC to maintain accounting records or returns to disclose the LLC's financial position at a time.

Regulation 9 places an obligation on an LLC that has circulated a prospectus to deliver a copy of its audited accounts the registrar.

Regulation 11 specifies that an LLC must appoint an auditor if it is circulating a prospectus, to provide additional investor protection. Alternatively, if the LLC agreement requires the LLC to appoint an auditor.

Regulations 12-27 set out the role, powers and reporting requirements in relation to auditors, aligned to provisions in the Companies Law, which seeks to provide familiarity for users of the Jersey LLC.

*Part 3*

Like companies, LLCs will likely be used as investment vehicles and the need to issue a prospectus will apply. Part 3 of the Draft Regulations introduces prospectus provisions akin to the corresponding provisions contained in the Companies Law. Regulation 30 sets out the requirements to be met if an LLC is to circulate a prospectus, including specifying the information to be contained in the prospectus (set out in Schedule 1) and the statements to be contained (set out in Schedule 2).

Compensation provisions (Regulations 31-33) and criminal liability (Regulation 34) also apply in relation to information contained in prospectuses.

*Part 4*

Part 4 of the Draft Regulations deals with takeovers of LLCs and reflects the corresponding provisions in the Companies Law, with appropriate changes to reference managers (akin to a company director) and members (akin to shareholders of a company).

The takeover provisions in Part 4 set out the following substantive provisions:

- The right for an offeror to buy out minority LLC interest holders.
- The right for a minority interest holder to be bought out by the offeror.
- Applications to Court.
- Takeover offers to be made by two or more persons (joint offers).

### *Part 5*

Part 5 of the Draft Regulations introduces corresponding provisions to Part 18A of the Companies Law, which deals with compromises and arrangements. Regulations 45 – 47 make provision for the Royal Court to make binding compromises and arrangements between an LLC and its members or creditors.

### *Part 6 and 7*

Like companies, LLCs may seek to merge or demerge. These provisions are contained within Parts 6 and 7 of the Draft Regulations and set out the eligibility requirements and procedures for doing so. These provisions are based on the well-established provisions in Part 18B of the Companies Law and under the [Companies \(Demerger\) \(Jersey\) Regulations 2018](#).

### *Part 8*

Part 8 of the Draft Regulations deals with continuance of LLCs into and out of the jurisdiction. This will allow LLCs established in other jurisdictions to apply to register as a Jersey LLC under the LLC Law and is a feature of the Companies Law and permitted for other Jersey vehicles. Part 8 of the Draft Regulations specifies eligibility requirements for continuance, restrictions on continuance and the procedure to be followed. Regulation 94 also permits a Jersey LLC to apply for continuance in other jurisdictions.

### *Part 9*

Part 9 permits the Minister for Treasury and Resources to apply to the Court for an order where the Minister has received a report that the LLC has not met the economic substance requirements. This reflects current practice for Companies under Part 20A of the Companies Law and ensures the jurisdiction will continue to comply with its international obligations on economic substance.

### *Part 10*

Part 10 replicates the investigation provisions of Part 19 of the Companies Law. This permits the Minister or the Commission to appoint inspectors to investigate the affairs of an LLC and sets out the powers of inspectors and the requirements to cooperate with investigations.

### *Part 11*

Part 11 of the Draft Regulations provides for powers of the court and miscellaneous provisions. It deals with commencement of the Draft Regulations, which are intended to be brought into force at the same time as the LLC Law.

## **Financial and manpower implications**

There are no resource or manpower implications arising for the States of Jersey as a result of these Regulations.

*Regulation 15* prohibits a person who is not an auditor from accepting an appointment to be or act as the auditor of a limited liability company for the purposes of Part 2 and from attempting to persuade others that the person is an auditor. The Regulation also requires an auditor who, during the term of office as the auditor of a limited liability company, becomes ineligible for appointment as the auditor of the limited liability company to immediately resign from office and give written notice to the limited liability company that the auditor has resigned by reason of becoming ineligible for appointment.

*Regulation 21* exempts a recognised professional body, an officer or employee of a recognised professional body and a member of the governing body or a member of a committee of a recognised professional body from liability in damages for anything done or omitted to be done in the discharge or purported discharge of certain functions of a recognised professional body.

*Regulation 22* empowers the Commission to require a recognised professional body to notify the Commission immediately of the occurrence of events that the Commission may specify in writing and to give it any information in respect of those events as is so specified and to give the Commission, at the times or in respect of the periods that the Commission may specify in writing, any information as is specified.

*Regulation 23* enables the Commission, by written notice, to require an auditor to give the Commission any information that it may reasonably require for the exercise of its functions under Part 2.

*Regulation 24* empowers the Minister, on the recommendation of the Commission, to make an Order that enables the powers and duties of the Commission under

*Regulations 22 and 23*, to the extent specified in the Order, to be exercised or carried out by a body designated by the Order, such body being either a body corporate or limited liability company established by the Order or a body (whether a body corporate or an unincorporated association) that is already in existence either in Jersey or elsewhere.

*Regulation 25* restricts the disclosure of information that is provided to a recognised professional body or the Commission applies in connection with the exercise of its functions under Part 2, without the consent of the individual or the person for the time being carrying on the business, during the lifetime of the individual or so long as the business continues to be carried on.

*Regulation 26* provides that in Part 9, references to the affairs of a limited liability company are to be taken to include reference to the limited liability company's compliance with the accounting principles applicable to the limited liability company under Part 2 and any aspect of its accounts or their auditing that raises or appears to raise important issues affecting the public interest.

*Regulation 27* allows a limited liability company that has circulated a prospectus to apply to the Commission to disapply the requirement under *Regulation 11(1)* to appoint an auditor to examine and report on accounts of the limited liability company in relation to a financial period, if no interests in the limited liability company were issued to any person other than a person connected with the establishment or promotion of the limited liability company in that financial period and any preceding financial period.

*Regulation 28* provides that Part 3 applies to a prospectus relating to securities in a limited liability company.

*Regulation 29* clarifies that the provisions of Part 3 are in addition to and do not derogate from the requirements of the Control of Borrowing (Jersey) Order 1958.

*Regulation 30* prohibits a limited liability company from circulating a prospectus unless it has appointed a manager and specifies the conditions with which a limited liability company must comply in order to circulate a prospectus.

*Regulation 31* gives an entitlement to compensation to a person who acquires, or agrees to acquire, securities in a limited liability company to which a prospectus relates and suffers a loss as a result of the inclusion in the prospectus of a statement of a material fact which is untrue or misleading, or the omission from it of the statement of a material fact.

*Regulation 32* provides for the circumstances in which a person is exempt from liability for misleading statements in a prospectus under *Regulation 33*.

*Regulation 33* clarifies that a person is not prohibited from obtaining compensation from a limited liability company by reason only of the person holding or having held a security in the limited liability company or any right to apply for such an interest in the limited liability company or to be included in the limited liability company's register of members.

*Regulation 34* makes it an offence for a person to authorise the circulation of a prospectus that includes a material statement in it which is untrue or misleading or that omits the statement of a material fact, unless the person satisfies the court that the person reasonably believed, when the prospectus was circulated, that the statement was true and not misleading or that the matter omitted was properly omitted.

*Regulation 35* creates an offence for the failure of a person to comply with any provision of Part 3 and clarifies that where that person is a body corporate, or an unincorporated body with separate legal personality, every officer of that body corporate or unincorporated body which is in default, commits an offence.

*Regulation 36* defines “a takeover offer” and describes the components of a takeover offer such as an offer for the acquisition of LLC interests that have been allotted on the date of the offer (referred to as “LLC interests”). A takeover offer may include among the LLC interests to which it relates all or any LLC interests that are allotted after the date of the offer but before a date specified in or determined in accordance with the terms of the offer (a “specified date”).

*Regulation 37* entitles the offeror to give to the holder of any LLC interests to which the offer relates and which the offeror has not acquired or contracted to acquire, notice that the offeror desires to acquire those LLC interests provided that the offeror has by virtue of acceptances of the offer acquired or contracted to acquire not less than 9/10ths in value of the LLC interests to which the offer relates. In a case in which a takeover offer relates to LLC interests of different classes or series, the offeror may give notice to the holder of any LLC interests of that class or series which the offeror has not acquired or contracted to acquire, that the offeror desires to acquire those LLC interests on condition that the offeror has by virtue of acceptances of the offer acquired or contracted to acquire to not less than 9/10ths in value of the LLC interests of that class or series to which the offer relates.

*Regulation 38* provides for the effect of a notice that is given in respect of any LLC interests under *Regulation 37*, among which include that the offeror is entitled and bound to acquire those LLC interests on the terms of the offer. The Regulation also prescribes the particulars which the notice must contain and the requirements with which the offeror must comply at the end of 6 weeks from the date of the notice.

*Regulation 39* entitles the holder of any LLC interests to which an offer relates and who has not accepted the offer to require the offeror to acquire those LLC interests. This only applies if the offeror has already acquired at least 9/10ths in value of the LLC interests.

*Regulation 40* provides that where an LLC interest holder exercises the LLC interest holder’s rights in respect of any LLC interests under *Regulation 39*, the offeror is entitled and bound to acquire those LLC interests on the terms of the offer or on such other terms as may be agreed. Where the terms of an offer are such as to give the holder of LLC interests a choice of payment for the member’s LLC interests, the holder of the LLC interests may indicate the LLC interest holder’s choice when requiring the offeror to acquire them; and the notice given to the holder under *Regulation 39(3)* must give particulars of the choice and of the rights conferred by this paragraph; and may state which payment specified in the offer is to be taken as applying in default of the LLC interest holder indicating a choice.

*Regulation 41* enables the LLC interest holder, where a notice is given under *Regulation 37*, to apply to the court for an order that the offeror is not entitled and bound to acquire the LLC interests or to specify terms of acquisition different from those of the offer. Where the holder of any LLC interests exercises the LLC interest holder’s rights under *Regulation 39*, the Regulation also gives the court, on an application made by the LLC interest holder or the offeror, the power to make an order that the terms on which the offeror is entitled and bound to acquire the LLC interests are as the court thinks fit.

*Regulation 42* allows a takeover offer to be made by 2 or more persons jointly, provided that the conditions for the exercise of the rights conferred by *Regulations 37 and 39* are satisfied by the joint offerors acquiring or contracting to acquire the necessary LLC interests jointly (as respects acquisitions by virtue of acceptances of the offer) and either jointly or separately (in other cases).

*Regulation 43* clarifies that the requirement in *Regulation 36(1)* that a takeover offer must extend to all the LLC interests, or all the LLC interests of any class, classes or

series, in a limited liability company is to be regarded as satisfied despite that the offer does not extend to LLC interests which associates of the offeror hold or have contracted to acquire. However, if during the period within which a takeover offer can be accepted, any associate of the offeror acquires or contracts to acquire any of the LLC interests to which the offer relates, they must be treated for as LLC interests to which the offer relates.

*Regulation 44* provides that securities of a limited liability company are treated as LLC interests in the limited liability company if they are convertible into or entitle the holder to subscribe for such LLC interests; and references to the holder of LLC interests or an LLC interest holder are construed accordingly for the purposes of Part 4.

*Regulation 45* allows for a limited liability company to apply to the court to sanction a compromise or arrangement that is proposed between a limited liability company and its creditors, or a class of them, or between the limited liability company and its members, or a class or series of them. The court may, on the application of the limited liability company or a creditor or member of it or, in the case of a limited liability company being wound up, of the liquidator, order that a meeting of the creditors or class of creditors, or of the members of the limited liability company or class or series of members (as the case may be), be called in a manner as the court directs. The compromise or arrangement, if sanctioned by the court, is binding on all creditors or the class of creditors or all the members or class or series of members.

*Regulation 46* prescribes the information that must be contained in a notice of a meeting of creditors or a class of creditors, or of members or a class or series of members that is called under *Regulation 45* and provides the procedure to be followed in relation to the meeting.

*Regulation 47* empowers the court to make provision to facilitate the limited liability company's proposal for the purposes of, or in connection with, a scheme for the reconstruction of a limited liability company or limited liability companies, or the amalgamation of 2 or more limited liability companies or bodies corporate, and the transfer to property of a limited liability company concerned in the scheme to another body corporate or limited liability company.

*Regulation 48* provides for the interpretation of certain terms used in Part 6 which deals with mergers in relation to a limited liability company.

*Regulation 49* prescribes the bodies with which a limited liability company may merge. A limited liability company may merge with another limited liability company or a body (other than a limited liability company) that is incorporated in Jersey under an enactment under which it is permitted to merge with a limited liability company and an overseas body that is a limited liability body or a body corporate that is not a cell company or cell and does not have unlimited shares or guarantor members, and to the reasonable satisfaction of the Commission, is not prohibited, under the law of the jurisdiction in which it is incorporated, from merging with a limited liability company.

*Regulation 50* makes clear that the result of a merger under Part 6 is that the merging bodies continue as a single merged body and that body is either one of the merging bodies or a new body that is a limited liability company, is incorporated in Jersey under the same enactment (other than the Law) as one of the merging bodies, or is an overseas body that is incorporated or registered under the law of the same jurisdiction as one of the merging bodies and is not an excluded body under *Regulation 49(b)*. Under Part 6, a merged body is new if it is created by the merger from which it results.

*Regulation 51* requires a limited liability company to enter into an agreement in writing with each body with which it proposes to merge.

*Regulation 52* requires that, before notice is given of a meeting of a merging limited liability company to approve a merger agreement under *Regulation 53* or to approve a merger under *Regulation 54*, the managers of that limited liability company give an LLC consent stating that, in the opinion of the managers, the merger is in the best interests of the limited liability company. After LLC consent is given under paragraph (1), but before notice is given as mentioned in that paragraph, each manager who voted in favour of it must sign a certificate containing a solvency statement, or a statement that the manager is satisfied on reasonable grounds that there is a reasonable prospect of obtaining the permission of the court under *Regulation 57*, as applicable.

A “solvency statement” is defined as a statement that, having made full inquiry into the affairs of the limited liability company, the person making the statement reasonably believes that the limited liability company is, and will remain until the merger is completed, able to discharge its liabilities as they fall due.

*Regulation 53* requires the managers of each merging limited liability company to submit the merger agreement for approval by LLC consent of the members of that limited liability company, and, where there is more than one class or series of members, for approval by LLC consent of each class or series. A merger is approved when all of the LLC consents have been passed in respect of all of the merging bodies that are limited liability companies.

*Regulation 54* allows for a holding limited liability company merger or an inter-subsidiary merger to be approved by LLC consent of the members of each merging limited liability company, without approval of a merger agreement.

*Regulation 55* enables a member of a merging limited liability company to apply to the court for an order under *Regulation 117* on the ground that the merger would unfairly prejudice the interests of the member.

*Regulation 56* requires each merging limited liability company, during the period beginning with the date on which the first notice is given under *Regulation 53(2)* in relation to a merger and ending 21 days after the merger is approved under *Regulation 53(3)*, to send written notice to each of its creditors who, after its members have made reasonable enquiries, is known to the managers to have a claim against the limited liability company exceeding £5,000.

*Regulation 57* prohibits the completion of a merger in relation to which any certificate signed by a manager of any of the merging limited liability companies under *Regulation 52(5)* does not contain a solvency statement for the purpose of that Regulation, unless an order of the court has been obtained permitting the merger on the ground that the merger would not be unfairly prejudicial to the interests of any creditor of any of the merging bodies.

*Regulation 58* allows for a creditor of a merging limited liability company (in relation to which) all solvency statements have been made) who objects to the merger to apply to the court for an order restraining the merger or modifying the merger agreement.

*Regulation 59* requires that, if any of the merging bodies is not a limited liability company, the merging bodies must apply jointly, in the published form and manner (if any), to the Commission for its authorisation of the merger and the merger must not be completed unless the Commission gives consent and any conditions attached to the authorisation are complied with.

*Regulation 60* specifies that Article 50 of the Law applies to the Commission’s function of considering applications for consent under *Regulation 61* so that the Commission may charge fees in relation to the application. *The Regulation* also makes provision for the calculation of fees, expenses and security in relation to applications for consent under *Regulation 61*.

*Regulation 61* empowers the Commission to require the applicants to supply to the Commission any other document or information that the Commission may reasonably require to determine whether to accept an application under *Regulation 59*.

*Regulation 62* provides for the powers of the Commission in deciding an application for its consent to merger under *Regulation 59* and gives an applicant a right to appeal to the court where the Commission refuses consent.

*Regulation 63* stipulates that, where all the merging bodies in a merger are limited liability companies, the merging limited liability companies must apply jointly, in the published form and manner (if any), to the registrar to complete the merger.

*Regulation 64* requires, where the merged body provided for in the merger agreement is not to be a limited liability company, that the merging bodies take whatever steps are necessary to complete the merger in accordance with the merger agreement under the laws governing the merged body and those merging bodies that are not limited liability companies.

*Regulation 65* specifies the documents and the instructions which the Commission is required to provide the registrar, where the Commission has given its consent under *Regulation 61* to a merger involving bodies other than limited liability companies.

*Regulation 66* requires the registration of notices as to a merger under *Regulations 63, 64 or 65* and details the particulars of the notice which the registrar must enter in the register.

*Regulation 67* provides for the legal status of merging bodies upon the completion of a merger and the legal effect of the completion on such bodies.

*Regulation 68* creates an offence for a person, on or in connection with an application under Part 6, to knowingly or recklessly provide to the Commission or to the registrar any information which is false, misleading or deceptive in a material particular or any document containing any such information.

*Regulation 69* provides for the interpretation of certain terms used in Part 7 which deals with demergers.

*Regulation 70* provides the criteria for which a limited liability company may be allowed to demerge into 2 or more limited liability companies and specifies the limited liability companies that are not eligible to demerge or become a demerged limited liability company.

*Regulation 71* requires a limited liability company proposing to demerge to execute a demerger instrument and prescribes the information that must be stated in the instrument.

*Regulation 72* requires the managers of the demerging limited liability company, before notice is given of a meeting of a demerging limited liability company to approve a demerger instrument under *Regulation 71*, to give an LLC consent stating that, in the opinion of the managers voting for the LLC consent, the demerger is in the best interests of the demerging limited liability company.

*Regulation 73* requires the managers of each demerging limited liability company to submit the demerger agreement for approval by LLC consent of the members of that limited liability company, and, where there is more than one class or series of members, for approval by LLC consent of each class or series.

*Regulation 74* allows for a member of a demerging limited liability company to apply to the court for an order to object to the demerger on the ground that the demerger would unfairly prejudice the interests of the member.

*Regulation 75* stipulates that, during the period beginning with the date on which the first notice is given under *Regulation 73(2)* in relation to a demerger and ending 21 days after the demerger is approved under *Regulation 73(4)*, the demerging limited liability company must send written notice to each of its creditors who, after its managers have made reasonable enquiries, are known to the managers to have a claim against the demerging limited liability company exceeding £5,000.

*Regulation 76* requires, during the period beginning with the date on which the first notice is given under *Regulation 73(2)* in relation to a demerger and ending 21 days after the demerger is approved under *Regulation 73(4)*, that the demerging limited liability company make a declaration to the Comptroller that states that the demerging limited liability company is eligible to demerge in accordance with *Regulation 70(1)* as none of the conditions as set out in *Regulation 70(2)* apply to the demerging limited liability company.

*Regulation 77* prohibits the completion of a demerger where if any certificate signed by a manager of the demerging limited liability company under *Regulation 72(5)* does not contain a solvency statement, unless an order of the court has been obtained permitting the demerger on the ground that the demerger would not be unfairly prejudicial to the interests of any creditor or member of the demerging limited liability company.

*Regulation 78* enables a creditor of a de-merging limited liability (in relation to which all solvency statements have been made) who has a claim against the demerging limited liability company exceeding £5,000 and who objects to the merger to apply to the court for an order restraining the demerger or modifying the demerger instrument.

*Regulation 79* requires the demerging limited liability company to apply, in the published form and manner (if any), to the registrar to complete the demerger and specifies the steps for the making of the application.

*Regulation 80* specifies the procedure for the registrar to follow in relation the registration of notices as to a demerger and identifies the completion date of a demerger as the date the last entry on the register is made under this Regulation in relation to the demerger.

*Regulation 81* provides for the legal status of a demerging limited liability company upon the completion of a demerger and the legal effect of the demerger on the demerging limited liability company.

*Regulation 82* requires, during the period beginning with the date on which the first notice is given under *Regulation 73(2)* in relation to a demerger and ending 21 days after the demerger is approved under *Regulation 73(4)*, that the demerging limited liability company send written notice to each of its employees. The Regulation provides for the effect of the demerger on the rights and liabilities of the employees under contract of employment of the demerging limited liability company.

*Regulation 83* stipulates that where, immediately before the completion date of a demerger, the demerging limited liability company had a contractual obligation to pay a contribution to a retirement scheme on behalf of an employee, that contractual obligation is, on the completion date of the demerger, transferred to the demerged limited liability company, if any, which is the employee's employer on the completion date of the demerger.

*Regulation 84* creates an offence for a person, on or in connection with an application under these Regulations, to knowingly or recklessly provide to the registrar or the Comptroller any information which is false, misleading or deceptive in a material particular or any document containing any information which is false, misleading or deceptive in a material particular. It is also an offence for a person to sign a certificate

under *Regulation 72 or 79(3)(d)* without having reasonable grounds for the opinion expressed in the certificate or for the statement made in the certificate.

*Regulation 85* allows for a body which is registered outside Jersey to apply under *Regulation 88* to the Commission for the issue to that body of a certificate that it continues as a limited liability company registered under the Law. The Regulation similarly enables a limited liability company which is registered in Jersey under the Law to apply under *Regulation 97* to the Commission for authorisation to seek continuance as a body registered under the laws of another jurisdiction.

*Regulation 86* prescribes the conditions under which a body may be ineligible to apply for continuance as a limited liability company incorporated under the Law.

*Regulation 87* requires an applicant to give the Commission security for expenses in dealing with applications for continuance under Part 8 and provides for the calculation of such expenses as well as for the recovery of expenses which are not paid by the applicant on demand.

*Regulation 88* provides for the submission of an application to the Commission under this Regulation by a body registered outside Jersey, for continuance as a limited liability company registered under the Law and lists the documents that must accompany the application.

*Regulation 89* requires that particulars of continuance state those amendments to be made to the instrument constituting or defining the body's constitution, which are necessary to conform to the laws of Jersey as well as the other amendments to be made to the instrument that have been approved by its members in the manner required by the Law for amendments to an LLC agreement of a limited liability company and that would be permitted under the laws of Jersey if the body were a limited liability company.

*Regulation 90* requires the Commission to inform the registrar of the name in which the applicant proposes to continue as a limited liability company registered under the Law and subsequently requires that the registrar then inform the Commission whether that name is in the registrar's opinion in any way misleading or otherwise undesirable. If the applicant proposes to continue as a limited liability company, its name must in any event comply with Article 7 of the Law.

*Regulation 91* stipulates the conditions of which the Commission must be satisfied in order to grant an application under *Regulation 88* for continuance as a limited liability company registered under the Law. Paragraph (5) gives an applicant whose application was refused a right to appeal to the court on the ground that the decision of the Commission was unreasonable, having regard to all the circumstances of the case.

*Regulation 92* requires the registrar to register an application and the accompanying documents when the registrar is informed under *Regulation 91* by the Commission that it has granted an application for a certificate of continuance as a limited liability company registered under the Law and receives from the Commission the documents which accompanied the application. The registrar is also required, on registration, to immediately issue to the applicant a certificate of continuance which is signed by the registrar and sealed with registrar's seal.

*Regulation 93* provides that, upon the issue of the certificate of continuance by the registrar, the body becomes a limited liability company registered under the Law and the LLC agreement (or the declaration, or the instrument constituting or defining the constitution of the body, as amended in accordance with its particulars of continuance) becomes the LLC agreement of the continued limited liability company. The Regulation also provides the legal effect of the issue of the certificate of continuance on the property rights, criminal and civil liabilities and legal proceedings which related to the body immediately before the certificate of continuance is issued.

*Regulation 94* requires that a proposal by a limited liability company to apply in another jurisdiction for continuance must be approved by an LLC consent by the members of the limited liability company.

*Regulation 95* stipulates that at least 21 days before a limited liability company makes an application under *Regulation 97* to the Commission for authorisation to seek continuance in another jurisdiction, the limited liability company must, unless all its known creditors otherwise agree in writing, give notice to them.

*Regulation 96* allows for a member of the limited liability company (other than a member who approved, consented to or voted in favour of it) to apply to the court to object to an application under *Regulation 97* to the Commission for authorisation to seek continuance in another jurisdiction, on the ground that the proposed continuance would unfairly prejudice the member's interests.

*Regulation 97* specifies the documents and evidence that must accompany an application to the Commission for authorisation to seek continuance in another jurisdiction.

*Regulation 98* provides the grounds on which the Commission may grant an application for authorisation to seek continuance overseas and specifies that it is a condition of the grant that, within a time sufficient to enable the registrar to comply with *Regulation 99*, the applicant will ensure that the registrar is informed of the date on which continuance will be or is granted in the other jurisdiction and that a copy of the instrument of continuance in the other jurisdiction, certified to be a true copy, is delivered to the registrar. Paragraph (5) gives an applicant whose application was refused by the Commission a right to appeal to the court on the ground that the decision of the Commission was unreasonable having regard to all the circumstances of the case.

*Regulation 99* provides that when a limited liability company is continued as a limited liability body under the laws of the other jurisdiction to which the authorisation relates, it ceases to be a limited liability company under the Law and requires the registrar to record that it has ceased to be registered under the Law.

*Regulation 100* prescribes the requirements for statements of solvency for the purposes of an application under *Regulation 88* for continuance as a limited liability company formed under the Law and an application under *Regulation 97* for authorisation to seek continuance in another jurisdiction.

*Regulation 101* gives the Commission the authority to publish details of the forms of statements of solvency, any other document or information that is to be provided on applications relating to continuance within or outside of Jersey, how applicants must verify documents or information so provided and the application fees that are payable to the Commission.

*Regulation 102* makes it an offence for a person to, on or in connection with an application under this Part, knowingly or recklessly provide to the Commission any information which is false misleading or deceptive in a material particular or any document containing any such information.

*Regulation 103* enables the Minister for Treasury and Resources, upon receipt of a report from the Comptroller of Taxes under Article 9(5) of the Taxation (Companies – Economic Substance) (Jersey) Law 2019 that a limited liability company has not met the economic substance test within the meaning of that Law, to apply to the court for an order that the company take any action specified in the order for the purpose of meeting the test.

*Regulation 104* gives the court the power, upon being satisfied that the limited liability company which is the subject of a report referred to in *Regulation 103* has not met the

economic substance test, to make such order as it thinks fit requiring the limited liability company to take any action specified in the order for the purpose of meeting the test.

*Regulation 105* empowers the Minister or the Commission to appoint one or more competent inspectors to investigate the affairs of a limited liability company and to report on them as the Minister or the Commission may direct. The appointment may be made, whether or not the limited liability company is being wound up, on the application of the registrar, the limited liability company or a member, officer or creditor of the limited liability company.

*Regulation 106* gives inspectors appointed under *Regulation 105* the power to investigate the affairs of a limited liability company where they think it necessary for the purposes of their investigation and to investigate also the affairs of another limited liability company or body corporate which is or at any relevant time has been the limited liability company's subsidiary or holding entity, or a subsidiary of its holding entity or a holding entity of its subsidiary.

*Regulation 107* empowers inspectors appointed under *Regulation 105*, where they consider that any person is or may be in possession of information relating to a matter which they believe to be relevant to the investigation, to require the person to produce and make available to them all records in the person's custody or power relating to that matter, to attend before them (at reasonable times and on reasonable notice) and to give them all assistance in connection with the investigation which the person is reasonably able to give.

*Regulation 108* enables inspectors appointed under *Regulation 105* to require a manager or past manager of the limited liability company or other body whose affairs they are investigating, to produce and make available to them all records in the manager's possession or under the manager's control relating to that bank account.

*Regulation 109* allows for inspectors appointed under *Regulation 105* to apply, for the purpose of an investigation under that Regulation, to the Bailiff for a warrant in relation to specified premises.

*Regulation 110* creates an offence for a person to wilfully obstruct a person acting in the execution of a warrant issued under *Regulation 109*.

*Regulation 111* provides for the power of inspectors to give a certification in writing to the court if a person fails to comply with a requirement under *Regulation 107* or *108* or refuses to answer any question put to the person by the inspectors for the purpose of the investigation. The Regulation enables the court, on receiving the certification, to inquire into the case and to punish the offender as if the person had been guilty of contempt of the court.

*Regulation 112* requires inspectors, if so directed by the Minister or the Commission, to make interim reports and on conclusion of their investigation make a final report and thereafter submit the reports to the Minister or to the Commission, as required.

*Regulation 113* empowers the Minister or the Commission if it appears to them that, from any report made or information obtained under Part 9, that civil proceedings ought in the public interest to be brought by a limited liability company, to bring those proceedings in the name and on behalf of the limited liability company.

*Regulation 114* provides for the payment of the expenses of and incidental to an investigation under Part 9 of a limited liability company's affairs.

*Regulation 115* provides that a copy of a report of inspectors, certified by the Minister or the Commission to be a true copy, is admissible in legal proceedings as evidence of the opinion of the inspectors in relation to a matter contained in the report.

*Regulation 116* identifies the type of information and records that are protected from disclosure or production to the Commission or to an inspector appointed by the Minister or the Commission.

*Regulation 117* empowers the court to make an order to give relief in respect of the matters complained of in an application under *Regulation 55, 94, 96 or 103*, where the court finds that such application is well-founded.

*Regulation 118* gives the name of the Regulations and provide that they come into force on the date of commencement of Article 60 of the Limited Liability Companies (Jersey) Law 2018.

*The Schedule* prescribes the information and statements to be specified in a prospectus under *Regulation 30*.

- (3) An application made under paragraph (1) –
  - (a) must be made by LLC consent of all the members of the limited liability company and a printed copy of that LLC consent must –
    - (i) be embodied in or annexed to every copy of the LLC agreement issued after the LLC consent is given,
    - (ii) be forwarded to a member of the limited liability company at the member's request on payment of a sum (if any), not exceeding the published maximum, that the limited liability company may require, and
    - (iii) within 21 days after LLC consent is given, be delivered to the registrar and be recorded by the registrar; and
  - (b) has the effect of disapplying the requirement to appoint an auditor to examine and report on accounts of the limited liability company under Regulation 11(1) from the date that it is delivered to the registrar under sub-paragraph (a)(iii).

## PART 3

### PROSPECTUSES

#### 28 Application

- (1) Except as provided by paragraph (2), this Part applies to a prospectus relating to securities in a limited liability company.
- (2) This Part does not apply to the issue of a document relating to a scheme intended to facilitate or to encourage the holding of securities in a limited liability company by or for the benefit of –
  - (a) managers or former managers of the limited liability company, the limited liability company's subsidiary or holding limited liability company, or a subsidiary of the limited liability company's holding limited liability company;
  - (b) the bona fide employees or former employees of the limited liability company, the limited liability company's subsidiary or holding limited liability company or a subsidiary of the limited liability company's holding limited liability company; or
  - (c) the spouses, civil partners, surviving spouses, surviving civil partners, minor children or minor step-children of such members or employees or former members or former employees.

#### 29 Control of borrowing

The provisions of this Part are in addition to and do not derogate from the requirements of the [Control of Borrowing \(Jersey\) Order 1958](#).

#### 30 Circulation of prospectus

- (1) A limited liability company may not circulate a prospectus unless it has appointed a manager.
- (2) Subject to paragraph (4), unless the conditions in paragraph (3) are complied with –
  - (a) a person must not circulate a prospectus in Jersey;
  - (b) a limited liability company must not circulate a prospectus outside Jersey; and
  - (c) a limited liability company must not procure the circulation of a prospectus outside Jersey.
- (3) The conditions are –
  - (a) the prospectus contains the information specified in Part 1 of the Schedule;
  - (b) the prospectus includes the statements specified in Part 2 of the Schedule;
  - (c) there has been delivered to the registrar –
    - (i) a copy of the prospectus, signed by or on behalf of all of the managers of the limited liability company,

- (ii) a signed copy of any report included in or attached to the prospectus, and
    - (iii) any other particulars that the registrar may require; and
  - (d) the registrar has given consent to the circulation of the prospectus.
- (4) The registrar may give consent to the circulation of a prospectus that does not comply in every respect with the conditions in paragraph (3) if the registrar is satisfied that the deviation from those requirements does not affect the substance of the prospectus and is not calculated to mislead.

### **31 Compensation for misleading statements in prospectus**

- (1) A person who acquires or agrees to acquire securities in a limited liability company to which a prospectus relates and suffers a loss in respect of the securities as a result of the inclusion in the prospectus of a statement of a material fact which is untrue or misleading, or the omission from it of the statement of a material fact, is, subject to Regulation 32, entitled to compensation –
- (a) in the case of securities offered for subscription, from the limited liability company issuing the securities and from each person who was a manager of it when the prospectus was circulated;
  - (b) in the case of securities offered otherwise than for subscription, from the person making the offer and, where that person is a limited liability company or a body corporate, from each person who was a manager or a director of it when the prospectus was circulated;
  - (c) from each person who is stated in the prospectus as accepting responsibility for the prospectus, or any part of it, but, in that case, only in respect of a statement made in or omitted from that part; and
  - (d) from each person who has authorised the contents of, or any part of, the prospectus.
- (2) Nothing in this Regulation makes a person responsible by reason only of giving advice as to the contents of a prospectus in a professional capacity.
- (3) This Regulation does not affect any liability which any person may incur apart from this Regulation.
- (4) This Regulation applies only to a prospectus first circulated after this Regulation comes into force.

### **32 Exemption from liability to pay compensation**

A person is not liable under Regulation 31 if the person satisfies the Court –

- (a) that the prospectus was circulated without the person's consent;
- (b) that, having made such enquiries (if any) as were reasonable, from the circulation of the prospectus until the security was acquired, the person reasonably believed that the statement was true and not misleading or that the matter omitted was properly omitted;
- (c) that, after the circulation of the prospectus and before the security was acquired the person, on becoming aware of the untrue or misleading statement or of the omission of the statement of a

material fact, took reasonable steps to secure that a correction was brought to the notice of persons likely to acquire the security;

- (d) in the case of a loss caused by a statement purporting to be made by a person whose qualifications give authority to a statement made by the person which was included in the prospectus with the person's consent, that when the prospectus was circulated the person reasonably believed that the person purporting to make the statement was competent to do so and had consented to its inclusion in the prospectus; or
- (e) that the person suffering the loss acquired or agreed to acquire the security knowing that the statement was untrue or misleading or that the matter in question was omitted.

### **33 Recovery of compensation**

- (1) A person is not prohibited from obtaining compensation from a limited liability company by reason only of holding or having held a security in the limited liability company or any right to apply for a security in the limited liability company or to be included in the limited liability company's register of members.
- (2) A sum due from a limited liability company to a person who has acquired or agreed to acquire a security in the limited liability company, being a sum due as compensation for loss suffered by the person in respect of the security, is to be treated (whether or not the limited liability company is being wound up and whether the sum is due under Regulation 31 or otherwise) as a sum due to the person otherwise than in the person's role as a member.

### **34 Criminal liability in relation to prospectuses**

If a prospectus is circulated with a material statement in it which is untrue or misleading or with the omission from it of the statement of a material fact, any person who authorised the circulation of the prospectus commits an offence and is liable to a fine and 10 years imprisonment, unless the person satisfies the Court that –

- (a) the person reasonably believed, when the prospectus was circulated, that the statement was true and not misleading; or
- (b) that the matter omitted was properly omitted.

### **35 Criminal liability of officers**

A person who fails to comply with any provision of this Part and, where that person is a body corporate or a body with separate legal personality, every officer of that body corporate or body with separate legal personality which is in default, commits an offence.

## PART 4

### TAKEOVERS

#### 36 Takeover offers

- (1) In this Part, “a takeover offer” means an offer to acquire all the LLC interests, or all the LLC interests of any class, classes or series, in a limited liability company (other than LLC interests which at the date of the offer are already held by the offeror), being an offer on terms which are the same in relation to all the LLC interests to which the offer relates or, where those LLC interests include LLC interests of different classes or series, in relation to all the LLC interests of each class or series.
- (2) In paragraph (1), “LLC interests” means LLC interests that have been allotted on the date of the offer.
- (3) A takeover offer may include among the LLC interests to which it relates all or any LLC interests that are allotted after the date of the offer but before a date specified in or determined in accordance with the terms of the offer.
- (4) An offer is not prevented from being a takeover offer by reason of not being made to members whose registered address is not in Jersey if –
  - (a) the offer was not made to those members in order not to contravene the law of a country or territory outside Jersey; and
  - (b) either –
    - (i) the offer is published in the Jersey Gazette, or
    - (ii) a document containing the terms of the offer can be inspected, or a copy of it obtained, at a place in Jersey or on a website, and a notice is published in the Jersey Gazette specifying the address of that place or website.
- (5) Where an offer is made to acquire LLC interests in a limited liability company and there are persons for whom, by reason of the law of a country or territory outside Jersey, it is impossible to accept the offer, or more difficult to do so, that does not prevent the offer from being a takeover offer.
- (6) It is not to be inferred –
  - (a) that an offer which is not made to every holder of LLC interests, or every holder of LLC interests of any class, classes or series, in the limited liability company cannot be a takeover offer unless the requirements of paragraph (4) are met; or
  - (b) that an offer which is impossible, or more difficult, for certain persons to accept cannot be a takeover offer unless the reason for the impossibility or difficulty is the one mentioned in paragraph (5).
- (7) The terms offered in relation to any LLC interests must for the purposes of this Regulation be treated as being the same in relation to all the LLC interests or, as the case may be, all the LLC interests of a class, classes or series to which the offer relates notwithstanding any variation permitted by paragraph (8).
- (8) A variation is permitted by this paragraph where –

- (a) the law of a country or territory outside Jersey precludes the acceptance of an offer in the form or any of the forms specified or precludes it except after compliance by the offeror with conditions with which the offeror is unable to comply or which the offeror regards as unduly onerous; and
  - (b) the variation is such that the persons by whom the acceptance of an offer in that form is precluded are able to accept an offer otherwise than in that form but of substantially equivalent value.
- (9) The reference in paragraph (1) to LLC interests already held by the offeror includes a reference to LLC interests which the offeror has contracted to acquire but that is not to be construed as including LLC interests which are the subject of a contract binding the holder to accept the offer when it is made, being a contract entered into by the holder for nothing other than a promise by the offeror to make the offer.
- (10) Where the terms of an offer make provision for their revision and for acceptances on the previous terms to be treated as acceptances on the revised terms, the revision is not regarded for the purposes of this Part as the making of a fresh offer and references in this Part to the date of the offer must accordingly be construed as references to the date on which the original offer was made.
- (11) In this Part, “offeror” means, subject to Regulation 42, the person making a takeover offer and “limited liability company” means the limited liability company whose LLC interests are the subject of the offer.

### **37 Right of offeror to buy out minority LLC interest holders**

- (1) In a case in which a takeover offer does not relate to LLC interests of different classes or series, the offeror may give notice, to the holder of any LLC interests to which the offer relates which the offeror has not acquired or contracted to acquire, that the offeror desires to acquire those LLC interests if the condition in paragraph (2) is met.
- (2) The condition is that the offeror has, by virtue of acceptances of the offer, acquired or contracted to acquire not less than 9/10ths in value of the LLC interests to which the offer relates.
- (3) In a case in which a takeover offer relates to LLC interests of different classes or series, the offeror may give notice to the holder of any LLC interests of a class or series which the offeror has not acquired or contracted to acquire, that the offeror desires to acquire those LLC interests if the condition in paragraph (4) is met.
- (4) The condition is that the offeror has, by virtue of acceptances of the offer, acquired or contracted to acquire to not less than 9/10ths in value of the LLC interests of that class or series to which the offer relates.
- (5) An offeror must not give notice under paragraph (1) or (3) unless –
- (a) before the end of the period of 4 months beginning with the date of the offer, the offeror has acquired or contracted to acquire the LLC interests necessary to satisfy the minimum specified in paragraph (2) or (4); and

- (b) no more than 2 months have passed after the date on which the offeror acquired or contracted to acquire the LLC interests necessary to satisfy that minimum.
- (6) When the offeror gives the first notice in relation to an offer, the offeror must send a copy of it to the limited liability company together with a declaration by the offeror that the conditions for the giving of the notice are satisfied.
- (7) Where the offeror is a body corporate or a limited liability company the declaration must be signed by a director or manager.
- (8) Any person who fails to send a copy of a notice or a declaration as required by paragraph (6) or makes such a declaration for the purposes of that paragraph knowing it to be false or without having reasonable grounds for believing it to be true commits an offence and is liable to 2 years imprisonment or a fine, or both.
- (9) If a person is charged with any offence for failing to send a copy of a notice as required by paragraph (6) it is a defence for the person to prove that the person took reasonable steps for securing compliance with that paragraph.
- (10) Where during the period within which a takeover offer can be accepted the offeror acquires or contracts to acquire any of the LLC interests to which the offer relates otherwise than by virtue of acceptances of the offer, if –
  - (a) the value for which they are acquired or contracted to be acquired (the “acquisition value”) does not at that time exceed the value which is receivable by an acceptor under the terms of the offer; or
  - (b) the terms of the offer are subsequently revised so that when the revision is announced the acquisition value, at the time mentioned in sub-paragraph (a), no longer exceeds the value which is receivable by an acceptor under those terms,

the offeror is treated for the purposes of this Regulation as having acquired or contracted to acquire those LLC interests by virtue of acceptances of the offer and in any other case those LLC interests are treated as excluded from those to which the offer relates.

### **38 Effect of notice under Regulation 37**

- (1) Subject to Regulation 41, this Regulation has effect where a notice is given in respect of any LLC interests under Regulation 37.
- (2) The offeror is entitled and bound to acquire those LLC interests on the terms of the offer.
- (3) Where the terms of an offer give the holder of any LLC interests a choice of payment for the holder’s LLC interests, the notice must give particulars of the choice and state –
  - (a) that the holder of the LLC interests may within 6 weeks from the date of the notice indicate the holder’s choice by a written communication sent to the offeror at an address specified in the notice; and
  - (b) which payment specified in the offer is to be taken as applying if the holder does not indicate a choice.

- (4) Paragraph (3) applies whether or not any time limit or other conditions applicable to the choice under the terms of the offer can still be complied with, and the payment is taken to consist of an amount of cash payable by the offeror which at the date of the notice is equivalent to the chosen payment if the payment chosen by the holder of the LLC interests –
  - (a) is not cash and the offeror is no longer able to make that payment; or
  - (b) was to have been made by a third party who is no longer bound or able to make that payment.
- (5) At the end of 6 weeks from the date of the notice the offeror must –
  - (a) send a copy of the notice to the limited liability company; and
  - (b) make payment to the limited liability company for the LLC interests to which the notice relates.
- (6) The copy of the notice sent to the limited liability company under paragraph (5)(a) must be accompanied by an instrument of transfer executed on behalf of the LLC interest holder by a person appointed by the offeror, and on receipt of that instrument the limited liability company must register the offeror as the holder of those LLC interests.
- (7) Where the payment referred to in paragraph (5)(b) is to be made in LLC interests, shares or securities to be allotted or issued by the offeror, the reference in that paragraph to the making of payment is construed as a reference to the allotment or issue of the LLC interests, shares or securities to the limited liability company.
- (8) Any sum received by a limited liability company under paragraph (5)(b), and any other payment received under that paragraph must be held by the limited liability company on trust for the person entitled to the LLC interests in respect of which the sum or other payment was received.
- (9) Any sum received by a limited liability company under paragraph (5)(b) and any distribution or other sum accruing from any other payment received by a limited liability company under that paragraph, must be paid into a separate bank account, being an account the balance on which bears interest at an appropriate rate and can be withdrawn by such notice (if any) as is appropriate.
- (10) Where after reasonable enquiry made at reasonable intervals the person entitled to any sum or other payment held on trust under paragraph (8) cannot be found and 10 years have elapsed since the sum or other payment was received or the limited liability company is wound up, the sum or other payment (together with any interest, dividend or other benefit that has accrued from it) must be paid to the Viscount.
- (11) The expenses of any enquiry under paragraph (10) may be defrayed out of the money or other property held on trust for the person or persons to whom the enquiry relates.

### **39 Right of minority LLC interest holder to be bought out by offeror**

- (1) The holder of any LLC interests to which an offer relates who has not accepted the offer may by a written communication addressed to the offeror require the offeror to acquire those LLC interests if –

- (a) a takeover offer relates to all the LLC interests in a limited liability company; and
  - (b) at any time before the end of the period within which the offer can be accepted –
    - (i) the offeror has by virtue of acceptances of the offer acquired or contracted to acquire some (but not all) of the LLC interests to which the offer relates, and
    - (ii) those LLC interests (with or without any other LLC interests in the limited liability company which the offeror has acquired or contracted to acquire) amount to not less than 9/10ths in value of all the LLC interests in the limited liability company.
- (2) If a takeover related to LLC interests of any class, classes or series, the holder of any LLC interests of that class or series who has not accepted the offer may by a written communication addressed to the offeror require the offeror to acquire those LLC interests if at any time before the end of the period within which the offer can be accepted –
  - (a) the offeror has by virtue of acceptances of the offer acquired or contracted to acquire some (but not all) of the LLC interests of any class or series to which the offer relates; and
  - (b) those LLC interests (with or without any other LLC interests in the limited liability company which the offeror has acquired or contracted to acquire) amount to not less than 9/10ths in value of all the LLC interests of that class or series in the limited liability company.
- (3) No later than one month of the time specified in paragraph (1) or(2) –
  - (a) the offeror must give any LLC interest holder who has not accepted the offer notice of the rights that are exercisable by the LLC interest holder under that paragraph, and
  - (b) if the notice is given before the end of the period mentioned in that paragraph, it must state that the offer is still open for acceptance.
- (4) A notice under paragraph (3) may specify a period for the exercise of the rights conferred by this Regulation and in that event the rights are not exercisable after the end of that period, but the period must not end less than 3 months after the end of the period within which the offer can be accepted.
- (5) Paragraph (3) does not apply if the offeror has given the LLC interest holder a notice in respect of the LLC interests in question under Regulation 37.
- (6) If the offeror fails to comply with paragraph (3), the offeror and, if the offeror is a company or a limited liability company, every officer of the company or limited liability company who is in default or to whose neglect the failure is attributable, commits an offence.
- (7) If an offeror other than a company or a limited liability company is charged with an offence for failing to comply with paragraph (3), it is a defence for the offeror to prove that the offeror took all reasonable steps for securing compliance with that paragraph.

#### **40 Effect of requirement under Regulation 39**

- (1) Subject to Regulation 41, this Regulation has effect where an LLC interest holder exercises the LLC interest holder's rights in respect of any LLC interests under Regulation 39.
- (2) The offeror is entitled and bound to acquire those LLC interests on the terms of the offer or on such other terms as may be agreed.
- (3) Where the terms of an offer are such as to give the holder of LLC interests a choice of payment for the holder's LLC interests, the holder of the LLC interests may indicate the LLC interest holder's choice when requiring the offeror to acquire them and the notice given to the holder under Regulation 39(3) –
  - (a) must give particulars of the choice and of the rights conferred by this paragraph; and
  - (b) may state which payment specified in the offer is to be taken as applying if the holder does not indicate a choice.
- (4) Paragraph (3) applies whether or not any time limit or other conditions applicable to the choice under the terms of the offer can still be complied with, and the payment is taken to consist of an amount of cash payable by the offeror which at the date when the holder of the LLC interests requires the offeror to acquire them is equivalent to the chosen payment if the payment chosen by the holder of the LLC interests –
  - (a) is not cash and the offeror is no longer able to make that payment; or
  - (b) was to have been made by a third party who is no longer bound or able to make that payment.

#### **41 Applications to the Court**

- (1) Where a notice is given under Regulation 37 to the holder of any LLC interests the Court may, on an application made by the LLC interest holder within 6 weeks from the date on which the notice was given –
  - (a) order that the offeror is not entitled and bound to acquire the LLC interests; or
  - (b) specify terms of acquisition different from those of the offer.
- (2) If an application to the Court under paragraph (1) is pending at the end of the period mentioned in Regulation 38(5) that paragraph does not have effect until the application has been disposed of.
- (3) Where the holder of any LLC interests exercises the LLC interest holder's rights under Regulation 39 the Court may, on an application made by the LLC interest holder or the offeror, order that the terms on which the offeror is entitled and bound to acquire the LLC interests are as the Court thinks fit.
- (4) No order for costs or expenses must be made against an LLC interest holder making an application under paragraph (1) or (3) unless the Court considers –
  - (a) that the application was unnecessary, improper or vexatious; or

- (b) that there has been unreasonable delay in making the application or unreasonable conduct on the LLC interest holder's part in conducting the proceedings on the application.
- (5) Where a takeover offer has not been accepted to the extent necessary for entitling the offeror to give notices under Regulation 37(1) or (3), the Court may, on the application of the offeror, make an order authorising the offeror to give notices under that Regulation if satisfied –
  - (a) that the offeror has after reasonable enquiry been unable to trace one or more of the persons holding LLC interests to which the offer relates;
  - (b) that the LLC interests which the offeror has acquired or contracted to acquire by virtue of acceptances of the offer, together with the LLC interests held by the person or persons mentioned in subparagraph (a), amount to not less than the minimum specified in that Regulation; and
  - (c) that the terms offered are fair and reasonable.
- (6) The Court must not make an order under paragraph (5) unless it considers that it is just and equitable to do so having regard, in particular, to the number of LLC interest holders who have been traced but who have not accepted the offer.

## 42 Joint offers

- (1) A takeover offer may be made by 2 or more persons jointly and in that event this Part has effect with the following modifications.
- (2) The conditions for the exercise of the rights conferred by Regulations 37 and 39 are satisfied by the joint offerors acquiring or contracting to acquire the necessary LLC interests jointly (as respects acquisitions by virtue of acceptances of the offer) and either jointly or separately (in other cases).
- (3) Subject to this Regulation, the rights and obligations of the offeror under Regulations 37, 39 and 40 are respectively joint rights and joint and several obligations of the joint offerors.
- (4) It is sufficient compliance with any provision of any Regulation requiring or authorising a notice or other document to be given or sent by or to the joint offerors that it is given or sent by or to any of them.
- (5) In Regulations 37, 38(7) and 40, references to the offeror are references to the joint offerors or any of the offerors.
- (6) In Regulation 38(6), references to the offeror are references to the joint offerors or such of them as they may determine.
- (7) In Regulation 38(4)(a) and 40(4)(a), references to the offeror being no longer able to make the relevant payment are references to none of the joint offerors being able to do so.
- (8) In Regulation 41 references to the offeror are to be construed as references to the joint offerors except that any application under Regulation 41(3) or (5) may be made by any of them and the reference in Regulation 41(5)(a) to the offeror having been unable to trace one or more of the persons holding LLC interests are to be construed as a reference to none of the offerors having been able to do so.

### **43 Associates**

- (1) The requirement in Regulation 36(1) that a takeover offer must extend to all the LLC interests, or all the LLC interests of any class, classes or series, in a limited liability company is to be regarded as satisfied despite that the offer does not extend to LLC interests which associates of the offeror hold or have contracted to acquire; and, subject to paragraph (2), LLC interests which any such associate holds or has contracted to acquire, whether at the time when the offer is made or subsequently, are disregarded for the purposes of any reference in this Part to the LLC interests to which a takeover offer relates.
- (2) If during the period within which a takeover offer can be accepted any associate of the offeror acquires or contracts to acquire any of the LLC interests to which the offer relates, the associate must be treated for the purpose of that Regulation as LLC interests to which the offer relates.
- (3) In Regulation 39(1)(b) and (2)(b), the reference to LLC interests which the offeror has acquired or contracted to acquire include a reference to LLC interests which any associate of the offeror has acquired or contracted to acquire.
- (4) In this Regulation, “associate”, in relation to an offeror, means –
  - (a) a nominee of the offeror;
  - (b) a holding company or holding limited liability company, subsidiary or fellow subsidiary of the offeror or a nominee of such a holding company or holding limited liability company, subsidiary or fellow subsidiary; or
  - (c) a body corporate or limited liability company in which the offeror is substantially interested.
- (5) For the purposes of paragraph (4)(b) a body corporate or limited liability company is a fellow subsidiary of another body corporate or limited liability company if both are subsidiaries of the same body corporate or limited liability company but neither is a subsidiary of the other.
- (6) For the purposes of paragraph (4)(c) an offeror has a substantial interest in a body corporate or limited liability company if –
  - (a) that body or its directors or managers are accustomed to act in accordance with the offeror’s directions or instructions; or
  - (b) the offeror is entitled to exercise or control the exercise of one-third or more of the voting power at meetings of that body.
- (7) Where the offeror is an individual, the offeror’s associates also include the spouse or civil partner and any minor child or step-child of the offeror.

### **44 Convertible securities**

- (1) For the purposes of this Part, securities of a limited liability company are treated as LLC interests in the limited liability company if they are convertible into or entitle the holder to subscribe for such LLC interests and references to the holder of LLC interests or an LLC interest holder are construed accordingly.
- (2) Paragraph (1) is not to be construed as requiring any securities to be treated –

- (a) as LLC interests of the same class or series as those into which they are convertible or for which the holder is entitled to subscribe; or
- (b) as LLC interests of the same class or series as other securities by reason only that the LLC interests into which they are convertible or for which the holder is entitled to subscribe are of the same class or series.

## PART 5

### COMPROMISES AND ARRANGEMENTS

#### **45 Power of limited liability company to compromise or arrange with creditors and members**

- (1) Where a compromise or arrangement is proposed between a limited liability company and its creditors, or a class of them, or between the limited liability company and its members, or a class or series of them, the Court may on the application of the limited liability company or a creditor or member of it or, in the case of a limited liability company being wound up, of the liquidator, order a meeting of the creditors or class of creditors, or of the members of the limited liability company or class or series of members (as the case may be), to be called in a manner the Court directs.
- (2) Paragraph (3) applies if a compromise or arrangement is agreed by a majority, present and voting either in person or by proxy at the meeting, representing –
  - (a) 3/4ths in value of the creditors or class of creditors; or
  - (b) 3/4ths of the voting rights of the members or class or series of members.
- (3) The compromise or arrangement, if sanctioned by order of the Court, is binding on –
  - (a) all creditors or the class of creditors; or
  - (b) all the members or class or series of members.
- (4) In the case of a limited liability company in the course of being wound up, a compromise or arrangement sanctioned by order of the Court is also binding on the liquidator and contributories of the limited liability company.
- (5) An order by the Court under paragraph (3) has no effect until the relevant act of court has been delivered to the registrar for registration, and the relevant act of court must be –
  - (a) annexed to every copy of the limited liability company's LLC agreement issued after the order has been made; or
  - (b) held at the registered office if there is no written LLC agreement.
- (6) A limited liability company that fails to comply with paragraph (5), commits an offence and is liable to a fine of level 3 on the standard scale.

#### **46 Information as to compromise or arrangement to be circulated**

- (1) This Regulation applies where a meeting of creditors or a class of creditors, or of members or a class or series of members, is called under Regulation 45.
- (2) With the notice calling the meeting which is given to a creditor or member there must be included a statement explaining the effect of the compromise or arrangement and in particular stating any material interests of the managers of the limited liability company (whether as managers or as creditors or as members of the limited liability company or otherwise) and the effect on those interests of the compromise or arrangement, in so far as it is different from the effect on the same interests of other persons.
- (3) In every notice calling the meeting which is given by advertisement there must be included either a statement mentioned in paragraph (2) or a notification of the place at which, and the manner in which, creditors or members entitled to attend the meeting may obtain copies of the statement.
- (4) Where the compromise or arrangement affects the rights of debenture holders of the limited liability company, the statement must give the same explanation as respects the trustees of a deed for securing the issue of the debentures as it is required to give as respects the limited liability company's managers.
- (5) Where a notice given by advertisement includes a notification that copies of a statement explaining the effect of the compromise or arrangement proposed can be obtained by creditors or members entitled to attend the meeting, every such creditor or member must, on making application in the manner indicated by the notice, be furnished by the limited liability company free of charge with a copy of the statement.
- (6) If a limited liability company fails to comply with a requirement of this Regulation the limited liability company and every manager of it who is in default commits an offence and is liable to a fine of level 3 on the standard scale.
- (7) For purpose of paragraph (6), a trustee of a deed for securing the issue of debentures of the limited liability company is deemed a manager of it
- (8) A person is not liable under paragraph (6) if the person shows that the default was due to the refusal of another person, being a manager or trustee for debenture holders, to supply the necessary particulars of the person's interests.

- (6) An alteration in the demerging limited liability company's LLC agreement or declaration made by virtue of an order of the Court under this Regulation is of the same effect as if duly consented to by the demerging limited liability company, and the provisions of the Law apply to the LLC agreement or declaration as so altered accordingly.
