	1. Review Timetable	
513/35	The Sub-Panel considered a proposed timetable for the review of the Medium Term Financial Plan (MTFP). It was noted that the timetable currently allowed for presentation of the Scrutiny Report to the States on 16th October 2012 in order to ensure its availability before the deadline for amendments to the MTFP had passed on 23rd October 2012. The Sub-Panel agreed that, upon presentation of the report, a briefing for all States Members should be held (at which briefing the advisors would need to be present).	WM
	The Sub-Panel noted that Scrutiny Panels would be asked to complete their reports for the Sub-Panel by 14th September 2012 and that the Sub-Panel would need to have completed its own evidence-gathering by 21st September 2012. The Sub-Panel was advised that, nevertheless, the timetable for undertaking the review remained tight and that the Sub- Panel would need to consider which matters it would focus upon during the review.	
	Consideration was given to whether amendments to the MTFP would be required and, if so, whether they would be lodged by Scrutiny Panels or the Sub-Panel itself. The Sub-Panel was advised that amendments relating to a specific Department could feasibly be lodged by the relevant Scrutiny Panel whilst amendments relevant to the MTFP generally could be lodged by the Sub-Panel. It was noted that good communication between the Sub-Panel and the Panels would be required.	
	The Sub-Panel agreed that a copy of the review timetable should be shared with the Executive. 2. Lines of Enguiry	wм

The Sub-Panel considered lines of enquiry to pursue during its review. The following matters were identified:	
<ul> <li>a) The prioritisation process followed by the Council of Ministers;</li> <li>b) Contingency funding (including the question of departmental contingencies);</li> </ul>	
c) The manner in which carry forwards would be dealt with under the	
d) The timetable for development of the Long Term Capital Plan (LTCP).	
The Sub-Panel considered the provisions of Article 8(1) of the <i>Public Finances (Jersey) Law 2005</i> and noted that the draft MTFP had to be lodged by the Council of Ministers in sufficient time for it to be debated and approved by the States at least two months before the start of the first financial year to which the MTFP would relate. The Sub-Panel was advised that if the draft MTFP were lodged on 23rd July 2012, the requirements of Article 8(1) would be met, notwithstanding that the MTFP would not be debated until 6th November 2012. The Sub-Panel agreed not to enquire further into this area although it was noted that the expert advisors would consider the requirements of the Law in undertaking their research and tendering their advice to the Sub-Panel.	
The Sub-Panel was further advised of the current anticipation that the 2013 Budget would also be debated on 6th November 2012. It was agreed to request clarification as to when the Budget would become available.	WM
3. Expert Advisor	
The Sub-Panel was advised that contractual arrangements with Professor M. Oliver of MJO Consulting had been confirmed and that arrangements with Mr. S. Fair of the Chartered Institute of Public Finance and Accountancy (CIPFA) were in hand. In relation to the latter appointment, the Sub-Panel was advised that the Corporate Services Scrutiny Panel had agreed to increase the budget as it was anticipated that more work would be required than had originally been envisaged. It was noted that Deputy J.H. Young was a member of CIPFA.	
Further consideration was given to the engagement of expert advisors. This part of the meeting was held in private session under Paragraphs 3.2.1(a)(i) and 3.2.1(b) of the <i>Code of Practice on Public Access to Official Information</i> and a private record was therefore taken.	
4. Panel Reports	
The Panel considered a proposed structure for the reports which the Scrutiny Panels would be asked to prepare for the Sub-Panel's consideration. It was agreed that provision should be made within the structure for user pays charges; outsourcing; and increases in staff numbers. The Sub-Panel approved the structure with those amendments and requested that it be circulated for the Panels' attention.	WM
5. Future Meetings	
The Sub-Panel agreed to meet at 2:00pm on 30th August 2012 and subsequently at 9:30am on 3rd, 17th and 24th September 2012. The Sub-Panel was advised that Senator P.F.C. Ozouf, Minister for Treasury

The Sub-Panel noted that it would next meet on 23rd July 2012, at which meeting the expert advisors would be present. The Sub-Panel was advised that it had not been feasible to arrange a briefing on forecasting for the morning of the 23rd and it was therefore agreed that the briefing would be provided in the afternoon of that day to the expert advisors.
