COMMENTS

The Privileges and Procedures Committee supports part (a) of the proposition, which moves to re-instate scrutiny, Public Accounts Committee and Privileges and Procedures Committee lunches, as the cost will be met from existing resources and it is often more efficient not to disrupt a meeting in order to break for lunch.

In respect of part (b) of the proposition, the Committee is of the opinion that this matter should be referred to the States Members' Remuneration Review Body for consideration as part of the remuneration package at its next review.
