The Department had indicated during the briefing that a first draft was likely to be available very shortly, possibly even later that week. It would be forwarded to the Panel once the Department had received it from the Law Draftsman.</p> <p>Based on the information provided in the briefing, the Panel also agreed that it would seek to complete its Review prior to the summer recess, although this would be dependent on the progress made by the Department with the law drafting process.</p> <p>The Panel recalled that it had previously agreed to seek a meeting with Senator A. Breckon who it recalled had undertaken significant work in this area, but noted that this had not yet been possible to arrange. The Panel agreed that it would continue to seek a convenient time to meet the Senator.</p>	<p>TO</p> <p>TO</p>
