<p>1) Name and brief description of the proposed decision The subject of your CRIA may be a proposed law, policy or proposition and in accordance with the Law is referred to in this template as the ‘decision’</p> <ul style="list-style-type: none"> • What is the problem or issue the decision is trying to address? • Do children experience this problem differently from adults?
<p>This decision refers to bringing forward the funding for the much delayed Le Squez youth centre</p>
<p>2) Which groups of children and young people are likely to be affected? Groups of children could include early years, primary or secondary education; young adults; children with additional learning needs; disabled children; children living in poverty; children from particular ethnic backgrounds; migrants; refugees; care experienced children and LGBTQ+ children</p>
<p>Children living in and around Le Squez.</p>
<p>3) What is the likely impact of the proposed decision on children and on their rights?</p> <ul style="list-style-type: none"> • Identify any potential positive OR negative impacts and include indirect impacts on children and their rights as described in the UNCRC • Will different groups of children be affected differently by this decision?
<p>Positive impact, improvement of social and community facilities for children.</p>
<p>4) Is a full Children’s Rights Impact Assessment required? If you have identified impacts on children and their rights, a full CRIA should be completed. If no impacts are identified then a Full CRIA is not required, but please explain your rationale and how you reached this conclusion</p>
<p>A full assessment is not required under the Law. It should be noted that this amendment seeks to bring forward a long delayed project and would only have positive impacts on children.</p>
