Historic Buildings</p> <p>During the quarterly public hearing with the Minister for Planning and Environment the Panel was informed that the department would be appealing the recent landmark judgment by the Royal Court in respect of planning controls on historic buildings, which could have significant implications for the department's policy. The listing process would be put on hold until the appeal had been heard. Members subsequently agreed that in the circumstances the Panel's proposed review of historic buildings policy should not go ahead.</p>	MO
