<p>1) Name and brief description of the proposed decision</p> <p>The subject of your CRIA may be a proposed law, policy or proposition and in accordance with the Law is referred to in this template as the 'decision'</p> <ul style="list-style-type: none"> • What is the problem or issue the decision is trying to address? • Do children experience this problem differently from adults?
<p>The decision is to approve the re-appointment of three panel members to the Social Security Tribunal. The individuals concerned have already served an initial 5 year period as panel members and the proposal is that they serve a further second period of up to four years.</p>
<p>2) Which groups of children and young people are likely to be affected?</p> <p>Groups of children could include early years, primary or secondary education; young adults; children with additional learning needs; disabled children; children living in poverty; children from particular ethnic backgrounds; migrants; refugees; care experienced children and LGBTQ+ children</p>
<p>Since these are re-appointments, no group of children and young people are likely to be affected.</p>
<p>3) What is the likely impact of the proposed decision on children and on their rights?</p> <ul style="list-style-type: none"> • Identify any potential positive OR negative impacts and include indirect impacts on children and their rights as described in the UNCRC • Will different groups of children be affected differently by this decision?
<p>There are no practical likely impacts of the proposed decision on children and on their rights.</p>
<p>4) Is a full Children's Rights Impact Assessment required?</p> <p>If you have identified impacts on children and their rights, a full CRIA should be completed. If no impacts are identified then a Full CRIA is not required, but please explain your rationale and how you reached this conclusion</p>
<p>No.</p>
