DRAFT PLANNING AND BUILDING (JERSEY) LAW 2002 (APPOINTED DAY) (No. 2) ACT 200-

REPORT

This Appointed Day Act proposition will, if approved, bring into force the remaining provisions of the Planning and Building Law, specifically for third party appeals and dangerous structures, on 31st March 2007.

The Council of Ministers undertook to introduce the provisions during 2007, however in order to undertake the work associated with these provisions, my Department will need to have the necessary qualified staff in post.

Whilst I would ideally have wished to commence on 1st January 2007, the earliest practical date is 31st March, due to the necessity of advertising for the post, appointment and the service of notice.

Financial and manpower implications

The introduction of the remaining provisions of the Planning and Building (Jersey) Law 2002 has ongoing resource implications for the Planning and Environment Department and the Royal Court. For the Department this amounts to 3 additional staff, and the Council of Ministers has approved annual expenditure of £250,000 to cover the Department's and Court's costs.

Explanatory Note

This Act brings into force the remainder of the Planning and Building (Jersey) Law 2002 on 31st March 2007.
