A1. The Committee, with reference to its Act No. A2 of 23rd September 2004, received a memorandum, dated 9th December 2004, a proposed amendment to the Draft Public Finances (Jersey) Law 200- and a draft accompanying report from the Greffier of the States.

The Committee recalled that, following the lodging of the draft Law (P.180/2004) on 26th October 2004, the Law Draftsman had been requested to prepare the necessary amendment. It was advised that the Finance and Economics Committee had requested a debate on the Law on 18th January 2005 and, in this accord, it was recognised that it would be helpful if this amendment could be lodged on Tuesday, 14th December 2004.

The Committee approved the proposed amendment to the Draft Public Finances (Jersey) Law 200- and the accompanying report and requested the Greffier of the States to lodge them “au Greffe” at the earliest opportunity.
