## **DRAFT SOCIAL HOUSING (TRANSFER) (JERSEY) REGULATIONS 201-**

### **REPORT**

---

#### **Background**

Following approval of [P.33/2013](#) – The Reform of Social Housing – on 16th May 2013, the States approved [P.63/2013](#) – the Draft Social Housing (Transfer) (Jersey) Law 201- (“the Law”) on 17th July 2013.

The Law was subsequently approved by the Privy Council on 9th October 2013 and registered in the Royal Court on 18th October 2013.

#### **The Draft Regulations**

To meet the States’ deadline for the incorporation of the present Housing Department as Andium Homes Limited, Regulations pursuant to the Law need to be agreed by the States.

The Draft Social Housing (Transfer) (Jersey) Regulations 201- appended hereto have been prepared for that purpose.

The principle effects of the Draft Regulations are to establish the company as Andium Homes Limited and to transfer the social housing assets of the States to the company on 1st July 2014. Certain particulars relating to the company, such as its registered number and date of registration, can only be made available once the necessary incorporation process has been completed. This will take place in the coming weeks and the additional detail will be amended in the draft Regulations prior to debate by the States.

An extensive property schedule has been prepared at Schedule 1, in close consultation with the Law Officers’ Department, Jersey Property Holdings and Transport and Technical Services.

Schedule 2 to the Draft Regulations details all of the deferred payment bonds relating to prior sales of affordable homes which will also be transferred to Andium Homes Limited on 1st July 2014.

#### **Financial and manpower implications**

The financial and manpower implications of the proposals were all set out in the Full Business Case – [R.15/2013](#) (States of Jersey Housing Transformation Programme: Full Business Case, presented to the States on 4th March 2013) – which accompanied [P.33/2013](#).

## Explanatory Note

---

These Regulations are supplemental to the provisions in the Social Housing (Transfer) (Jersey) Law 2013 (the “Law”), which enables the transfer of assets, rights and liabilities of the States or of the public to a prescribed company that must be a company limited by guarantee. These Regulations have the effect of transferring to Andium Homes Limited the assets, rights and liabilities of the States that were under the control or administration of the Housing Department immediately before the transfer date.

*Regulation 1* defines terms used in these Regulations.

*Regulation 2* prescribes Andium Homes Limited as the company for the purposes of the Law.

*Regulation 3* prescribes the date of transfer as 1st July 2014.

*Regulation 4* describes the assets that are transferred to Andium Homes Limited on the transfer date. These are –

- (a) the immovable assets described in Schedule 1 and all rights and liabilities of the States or of the public in respect of those assets as described in Regulation 5 and in Schedule 1. Such immovable assets are transferred to Andium Homes Limited in the state in which they are, and with all their apparent or hidden defects (*vices cachés*) if any, on the transfer date and with such benefits (in relation to title) as are conferred under Article 45 of the Loi (1880) sur la propriété foncière on a transfer;
- (b) the other assets of the States or of the public in the form of movable property, and the rights and liabilities in those assets which were exclusively under the control or administration of the Housing Department immediately before the transfer date. (*Regulation 4(9)* makes clear that such assets include intellectual property rights, whether registered or not, and any documents or other records relevant to the property transferred under the Law or these Regulations.);
- (c) the bonds and contracts specified in *Schedule 2*;
- (d) any funds held in the consolidated fund immediately before the transfer date and which the Minister for Housing was entitled to withdraw, up to the budget limit set for the Housing Department for the year ending 31st December 2014. However, by *Regulation 4(5)*, if the Minister for Housing has withdrawn funds in excess of that budget limit, Andium Homes Limited must on the transfer date transfer such sum being the difference between the budget limit and the amount actually withdrawn from the consolidated fund immediately before the transfer date;
- (e) all contracts, leases, deeds, bonds, agreements and other instruments subsisting in favour of or against the States or the public. *Regulation 4(6)* provides that all notices in force which were given (or have effect as if they had been given) by, or on behalf of, or to, the States or the public in respect of any property or liability transferred by these Regulations will be of full force and effect in favour of, or against, Andium Homes Limited.

*Regulation 4(7)* provides for the transfer to Andium Homes Limited of obligations in agreements conferring or imposing on the States or the public rights or liabilities which were exclusively in respect of the Housing Department.

*Regulation 4(8)* provides that any action or proceeding or any cause of action or proceeding, pending or existing on the transfer date, by, or against the States or the public in respect of any assets, rights or liabilities transferred to Andium Homes Limited will not be prejudiced by reason of these Regulations, and may be continued, prosecuted and enforced by, or against, Andium Homes Limited.

*Regulation 5* sets out the rights and liabilities in immovable assets referred to in Regulation 4(1) that are transferred to Andium Homes Limited.

*Schedule 1* lists the immovable property that is to be transferred and *Schedule 2* lists specific bonds and contracts that are to be transferred.

*Regulation 6* states the title of these Regulations and provides for them to come into force immediately after the coming into force of the Social Housing (Transfer) (Jersey) Law 2013.

## **DRAFT SOCIAL HOUSING (TRANSFER) (JERSEY) REGULATIONS 201-**

*Made* [date to be inserted]  
*Coming into force* [date to be inserted]

**THE STATES**, in pursuance of Regulations 2, 3, 4, 5 and 11 of the Social Housing (Transfer) (Jersey) Law 2013<sup>1</sup>, have made the following Regulations –

### **1 Interpretation**

- (1) In these Regulations, unless the context otherwise requires –
- “Housing Department” means the Housing Department of the States of Jersey;
  - “Law” means the Social Housing (Transfer) (Jersey) Law 2013<sup>2</sup>;
  - “offset” has the same meaning as “relief” in Jersey customary law;
  - “parties” means –
    - (a) the company; and
    - (b) the public;
  - “Scheduled property” means a property described in Schedule 1 and includes any building, garden, landscaped area, boundary enclosure, road, pavement, footpath or other appurtenances extant within the boundaries of such a property.
- (2) In these Regulations –
- (a) where a description of a property contains a reference beginning with the letters “PR” followed by a number, that reference denotes the Public Registry Book and Folio number of that property recorded in the Public Registry;
  - (b) a reference beginning with the letters “UPRN” followed by a number denotes the unique property reference number allocated in the Jersey Mapping system by the Planning and Environment Department of the States of Jersey.

**2 Prescribed company**

Andium Homes Limited, registered on XXX under registration number XXX and having its registered office at Jubilee Wharf, 24 Esplanade, St. Helier, JE4 8XT is prescribed for the purposes of Article 2(1) of the Law.

**3 Transfer date**

The prescribed transfer date for the purposes of Article 3 of the Law is 1st July 2014.

**4 Assets transferred to company**

- (1) The immovable assets described in Schedule 1 and all rights and liabilities of the States or of the public in respect of those assets as described in Regulation 5 and in Schedule 1 are transferred to the company on the transfer date in the state in which they are, and with all their apparent or hidden defects (*vices cachés*) if any, on the transfer date, and with such benefits as are conferred under Article 45 of the Loi (1880) sur la propriété foncière on a transfer.
- (2) The other assets of the States or of the public in the form of movable property, and the rights and liabilities in those assets which were exclusively under the control or administration of the Housing Department immediately before the transfer date, are transferred to the company on the transfer date.
- (3) All rights and liabilities of the States or of the public on the transfer date in the bonds and contracts specified in Schedule 2 are transferred to the company on the transfer date.
- (4) Any funds held in the consolidated fund immediately before the transfer date, being the balance of which the Minister for Housing was entitled to withdraw up to the budget limit set for the Housing Department for the year ending 31st December 2014, shall be transferred to the company on the transfer date.
- (5) If the Minister for Housing has withdrawn funds in excess of the budget limit set for the Housing Department for the year ending 31st December 2014, the company shall on the transfer date transfer to the consolidated fund such sum being the difference between the budget limit and the amount actually withdrawn from the consolidated fund immediately before the transfer date.
- (6) All contracts, leases, deeds, bonds, agreements and other instruments subsisting in favour of, or against, and all notices in force which were given (or have effect as if they had been given) by, or on behalf of, or to, the States or the public in respect of any property or liability transferred by these Regulations shall be of full force and effect in favour of, or against, the company.
- (7) Where immediately before the transfer date there is in force an agreement which confers or imposes on the States or the public rights or liabilities which were exclusively in respect of the Housing Department and which

are transferred to the Company by virtue of these Regulations, that agreement shall have effect on and after that date as if –

- (a) the company had been a party to the agreement;
  - (b) for a reference (in whatever terms and whether express or implied) to the States or the Minister for Housing there were substituted, in relation to anything falling to be done on or after that date, a reference to the Company.
- (8) Any action or proceeding or any cause of action or proceeding, pending or existing on the transfer date, by, or against the States or the public in respect of any assets, rights or liabilities transferred by this Regulation shall not be prejudicially affected by reason of these Regulations, and may be continued, prosecuted and enforced by, or against, the company.
- (9) For the avoidance of doubt the property, rights and liabilities transferred by these Regulations include –
- (a) intellectual property rights, whether registered or not; and
  - (b) any documents or other records held by the Housing Department relevant to the property transferred under the Law or these Regulations.
- (10) A transfer of rights and liabilities in a residential tenancy or a residential tenancy agreement to the company under these Regulations does not constitute the making, variation or renewal of a residential tenancy agreement, within the meaning of the Residential Tenancy (Jersey) Law 2011<sup>3</sup>.

## **5 Immovable assets transferred to the company: rights and liabilities**

- (1) The rights and liabilities in immovable assets referred to in Regulation 4(1) are as described in sub-paragraphs (2) to (17).
- (2) Except as otherwise stated in Schedule 1 –
  - (a) the walls, fences, banks, hedges, gates, gate pillars, walls of buildings and concrete kerbs or brick edging at ground level forming the boundaries of any Scheduled property are transferred without offset to the company; and
  - (b) in the absence of any structure to delimit the boundary between a Scheduled Property and any road (including any main road) belonging to the public the boundary shall be the edge of the pavement or road furthest from the centre of that road.
- (3) Any sewers and sewerage disposal works described in Schedule 1 the routes of which are shown on plans in Schedule 1 entitled “Public Sewers administered and maintained by T&TS” shall not be transferred to the company and shall be deemed to be public sewers or public sewerage disposal works, as defined in the Drainage (Jersey) Law 2005<sup>4</sup>, as if the facility had been declared to be a public sewer or public sewerage disposal works in accordance with Article 12 of that Law.
- (4) The public shall have –

- 
- (a) the right to keep, maintain, clean, unblock, renew, repair and replace any drainage pipes, inspection covers or other drainage apparatus as at present established through, in and under any Scheduled property in order to drain waste water, sewage and surface water emanating from any property belonging to the public in the vicinity of any of the Scheduled properties; and
  - (b) a right of access at all times and whenever necessary with or without workmen, tools, machinery and vehicles on to Scheduled property in order to carry out any of the works described in sub-paragraph (a); and
  - (c) the right to keep any property belonging to the public connected as at the transfer date to any foul drainage system or surface water drainage system which forms part of any Scheduled property, together with the right to drain –
    - (i) waste water and sewage emanating from any property belonging to the Public through such foul drainage system forming part of any Scheduled property, and
    - (ii) surface water emanating from any property belonging to the Public through such surface water drainage system forming part of any Scheduled property.
- (5) The company shall have –

  - (b) a right of access at all times and whenever necessary with or without workmen, tools, machinery and vehicles on to any property retained by the public in order to carry out any of the works described in sub-paragraph (a); and
  - (c) the right to keep any property belonging to the company connected as at the transfer date to any foul drainage system or surface water drainage system belonging to the public, together with the right to drain –
    - (i) waste water and sewage emanating from any property belonging to the company through such foul drainage system belonging to the public, and
    - (ii) surface water emanating from any property belonging to the company through such surface water drainage system belonging to the public.
- (6) The public shall have –
- (a) the right to keep, maintain, clean, unblock, repair and replace any pipes, cables, conduits or any other apparatus as at present established through, in and under any Scheduled property in order to supply mains services of electricity, water, gas, telephone and any other service it deems necessary to any property it owns in the vicinity of a Scheduled property; and

- 
- (b) a right of access at all times and whenever necessary, with or without workmen, tools, machinery and vehicles on to any Scheduled property in order to carry out any of the works described in sub-paragraph (a).
- (7) The company shall have –
- (a) the right to keep, maintain, clean, unblock, repair and replace any pipes, cables, conduits or any other apparatus as at present established through, in and under any property retained by the public in the vicinity of any Scheduled property in order to supply mains services of electricity, water, gas, telephone and any other service it deems necessary to any Scheduled property; and
- (b) a right of access at all times and whenever necessary, with or without workmen, tools, machinery and vehicles, on to any property retained by the public in order to carry out any of the works described in sub-paragraph (a).
- (8) The parties shall have reciprocal rights of way at all times and for all purposes through, over and across any part of the other party's property through, over and across which the party has exercised a right of way prior to the coming into force of Schedule 1, provided that any such right of way shall be to a pedestrian right of way through over and across any pavements, footpaths or other areas where such a right of way was a right of way used only by pedestrians before the coming into force of Schedule 1.
- (9) The parties shall have reciprocal rights to keep, repair, replace, paint or clean any parts of any building, structure or boundary enclosure including any walls, gables, hedges, fences, banks, foundations, balconies, roof parts, downpipes, guttering, fascia boards, soffits, windows, windowsills, doors, gates, air vents or other openings as they were established before the coming into force of Schedule 1, notwithstanding that they might overhang or encroach onto or be less than 3 Jersey feet from any Scheduled property or any property retained by the public.
- (10) The parties shall have such reciprocal rights to join on to, into or against any gable, wall or boundary enclosure belonging to the other party for any gable, wall, boundary enclosure, building or other structure as existed before the coming into force of this Schedule.
- (11) The parties shall have the right to keep any tree or bush that is growing close to the boundary on any property belonging to the other party and shall have a right of access at all reasonable times to the property of the other party in order to prune, cut, pollard, trim and maintain the overhanging parts of any such tree or bush.
- (12) The parties shall have right of access onto any property of the other party in order –
- (a) to build, rebuild, replace, raise the height of, repair or maintain any wall, construction or appurtenance built or established or which might in the future be built or established on the party's own property and which cannot conveniently be carried out on or from its own property; or
- (b) to carry out any work described in Schedule 1.

- 
- (13) The right of access granted under paragraph (12)(a) –
- (a) shall be subject to and limited by any construction, structure or other thing which may from time to time be built or established on the property of the other party;
  - (b) shall only be exercised on the accessible parts from time to time of the property of the other party;
  - (c) shall not limit in any way the right of either party from time to time to construct or establish any construction, structure or other thing on its property;
  - (d) shall be exercised by a party only after it has given at least 2 weeks' prior written notice to the other party (except in emergency where no notice is required);
  - (e) shall be exercised only when or where necessary;
  - (f) shall be exercised, with or without workmen, materials, ladders, scaffolding, equipment or machinery, in the most expeditious manner possible and causing the least possible inconvenience or prejudice to the other party.
- (14) The party exercising a right of access granted under paragraph (12) shall as soon as possible after the completion of the works restore any affected areas of the property of the other party to the equivalent state and condition it was in immediately before the works.
- (15) A party exercising a right of access shall indemnify and keep indemnified the other party against all liabilities, losses, proceedings, costs or claims whatsoever with regard to its liability imposed by law, for any death or bodily injury arising from any accident and for all damage to property arising from or attributable to the exercising of such right of access.
- (16) Before exercising a right of access –
- (a) the party exercising that right shall put in place appropriate indemnity insurance in an amount agreed with the other party and shall provide the other party with a copy of the insurance policy (or reasonable evidence of the terms of such policy); and
  - (b) in the event that the parties are not able to agree the level of indemnity insurance the question shall be referred to the arbitration of a suitably qualified arbitrator nominated by agreement between both parties or failing such agreement on the application of either party to the President for the time being of the Royal Institution of Chartered Surveyors with the decision of such arbitration including any award as to costs to be final and binding on the parties.
- (17) A party whose property is subject to any right under Schedule 1 gives no guarantee or affirmation whatsoever as to the condition, security or suitability of any part of its property for such purpose.

## NOTE:

The public administers and maintains as public sewers the main foul and surface water sewers in the roads and parking areas within the Property including Clos d'Edouarde, Clos Marguerite, Clos Philippe, Le Bel Estur, Le Bel Gaudin, Place Nicolle, Le Bel Mallet, Le Bel de Gruchy, Le Bel Perrée and Le Bel Vaudin.

The public foul sewer in Clos Marguerite extends to the north and drains private foul sewers serving La Maison des Pres and Le Petit Pres. The public surface water sewer in Clos Philippe extends south across the garden of No. 3 Le Bel Estur and into La Rue des Pres. Public foul and surface water sewers extend south across the garden of No. 5 Le Bel Estur and into La Rue des Pres. A public foul sewer rising main enters La Place Nicolle from the south, from the supermarket site, between Nos. 1 and 2 and then heads west back into the supermarket car park along with the public foul and surface water sewers between Nos. 3 and 4. Public foul and surface water sewers extend west from Le Bel Perrée between Nos. 7, 8 and 9 and No. 10 to drain other sewers to the rear of those properties. Public foul and surface water sewers extend north from Le Bel Perrée between Nos. 3, 4 and 5 and No. 6 to drain industrial properties on Longueville Road.

The public does not maintain or administer any branch connections from these public sewers to any of the properties forming part of the Property or any road drainage system in the roads forming part of the Property.

The routes of the public sewers described above are as shown on the plan in this Part entitled "Public Sewers administered and maintained by T&TS La Rue de Carteret".

The Property is situate in the Parish of St. Saviour in the Vingtaine de la Petite Longueville and has the UPRN 69386464.

**PART 2**

**Le Clos Gosset and Gordon Le Breton Close**

- (1) The properties known as Le Clos Gosset and Gordon Le Breton Close (“the Properties”), as shown on the Plan in this Part entitled “Le Clos

Gosset and Gordon Le Breton Close”, to which the public has right by the Contracts of Purchase dated –

- (a) 29th July 1966 (PR 518/89);
  - (b) 13th January 1967 (PR 525/19);
  - (c) 13th September 1985 (PR 800/248);
  - (d) 24th August 1990 (PR 887/259);
  - (e) 9th November 1990 (PR 890/626); and
  - (f) 10th April 1992 (PR 916/20),
- (“Contracts of Purchase”).
- (2) The boundaries of the Properties and all rights attaching thereto are as set out in the Contracts of Purchase and in sub-paragraphs (3) and (4).
  - (3) The boundaries of the Property called Ruxley (retained by the public and to which the Public has right by contract of purchase dated 8th November 2002 (PR 1145/452)) towards the Properties are the granite walls of the North-West, South-West and South-East and of the South-Western gable of the garage forming part of Ruxley, and such boundaries are party owned between the parties.
  - (4) The boundary line on the remainder of the South-Western side of Ruxley to the North-West of the garage is an imaginary straight line drawn from the centre of the North-Western end of the South-Western gable of the garage in a North-Westerly direction until reaching the main road called Longueville Road.

NOTE:

The public administers and maintains as public sewers both foul and surface water sewers that enter the Properties from the supermarket site to the south and under the garage of No. 35 Le Clos Gosset and into the roads within the Properties. The public sewers split at this point with foul and surface water sewers heading in a westerly direction as far as No. 41 and No. 47 Le Clos Gosset respectively. Public foul and surface water sewers also extend to the north and follow the road within the Properties around to Longueville Road where the foul sewer terminates to the south of No. 10 Le Clos Gosset and the surface water sewer adjacent to No. 81 Le Clos Gosset.

A single public surface water pipe extends from adjacent to No. 21 Le Clos Gosset to the north as far as the parking area between Nos. 14 and 15 Le Clos Gosset. A public foul branch sewer from the public foul sewer in Longueville Road heads south to a point adjacent to No. 82 Le Clos Gosset then heads in an easterly direction crossing under the gardens of Nos. 8 and 7 Le Clos Gosset, across the parking area to the eastern boundary of the Properties where it drains private properties to the north-east on Longueville Road.

A public foul sewage pumping main is also present and follows the run of the public sewers from the supermarket car park to the south to the vehicle access onto Longueville Road.

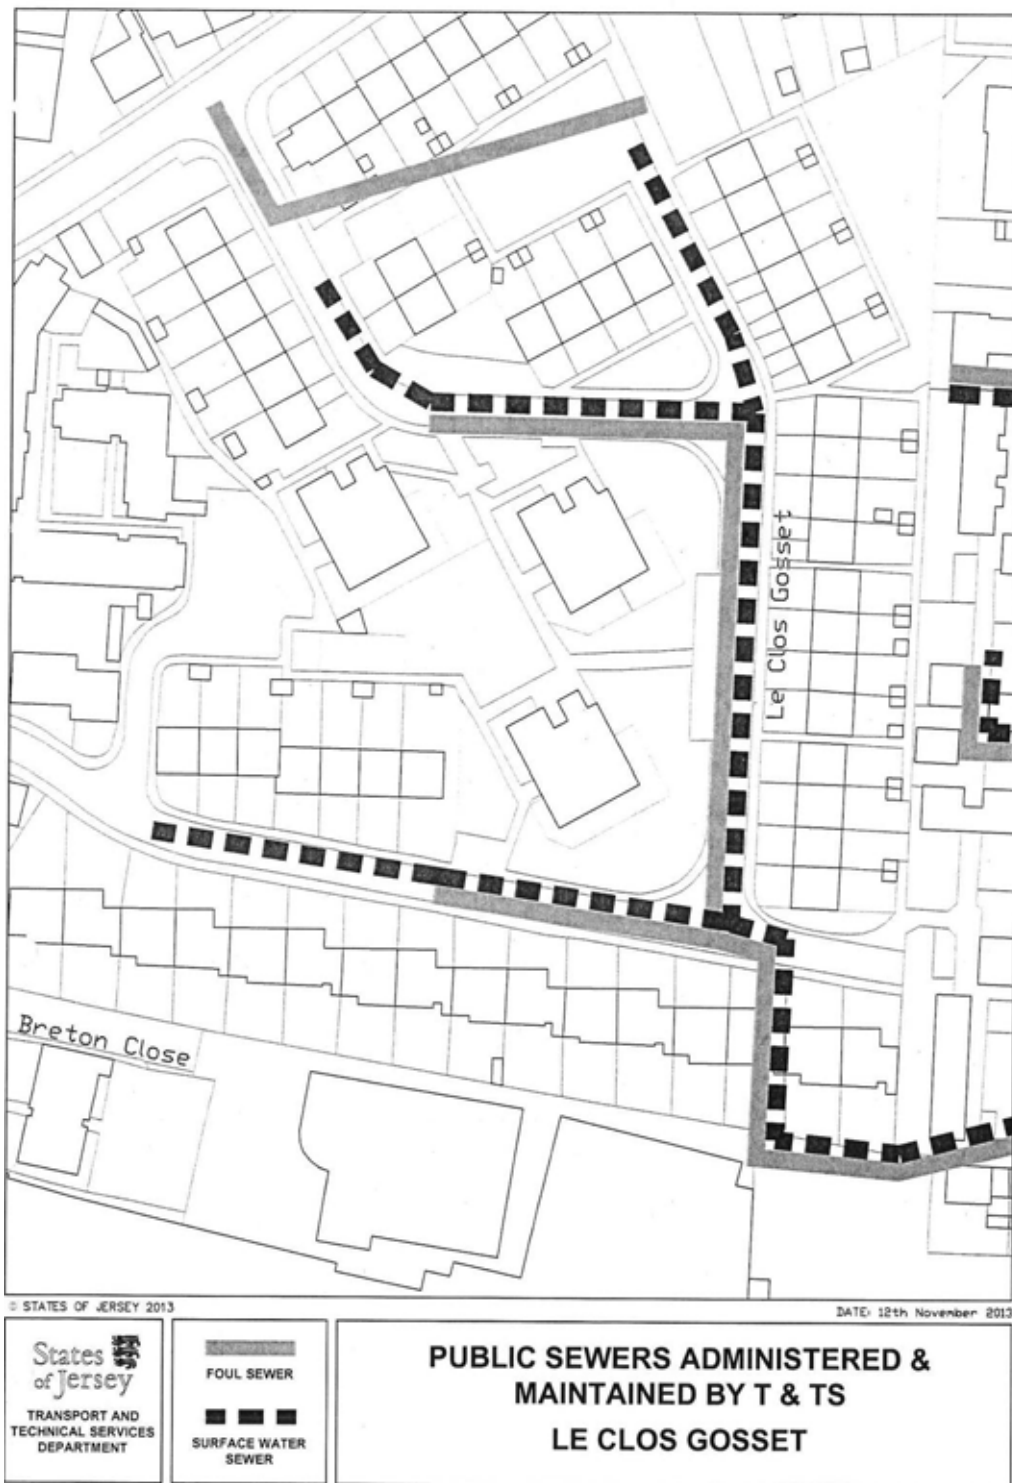

The public does not maintain or administer any branch connections from these public sewers to any of the properties forming part of the Properties or any road drainage system in the roads forming part of the Properties.

The routes of the public sewers described above are as shown on the plan in this Part entitled “Public Sewers administered and maintained by T&TS Le Clos Gosset”.

The properties are situate in the Parish of St. Saviour in the Vingtaine de la Petite Longueville and have the UPRN 69408196 and 69386639.

- (2) The boundaries of the Property and all rights attaching thereto are as set out in the Contracts of Purchase and in the contract of sale by the public dated 12th November 2004 (PR 1176/922).

**NOTE:**

The public administers and maintains as a public sewer a foul sewer that lies to the east of the main block of the Property and drains properties on St. Saviour’s Road. The head of the public foul sewer lies between Norwood Villas and Wellington Stores and drains in a westerly direction before heading south under the access road for the Property where it then drains in an easterly direction under a private lane between Nos. 98 and 99 St. Saviour’s Road and connects to the public main trunk sewer in that road. An extension from the western end of the private lane to the south drains Nos. 94 to 97 St. Saviour’s Road and other properties to the west.

The Department also administers and maintains as a public sewer a surface water sewer in the private lane between Nos. 98 and 99 St. Saviour’s Road that flows to the west and into the Property turning south and then west again to connect to the larger public surface water sewer in La Rue le Masurier along the southern boundary of the Property.

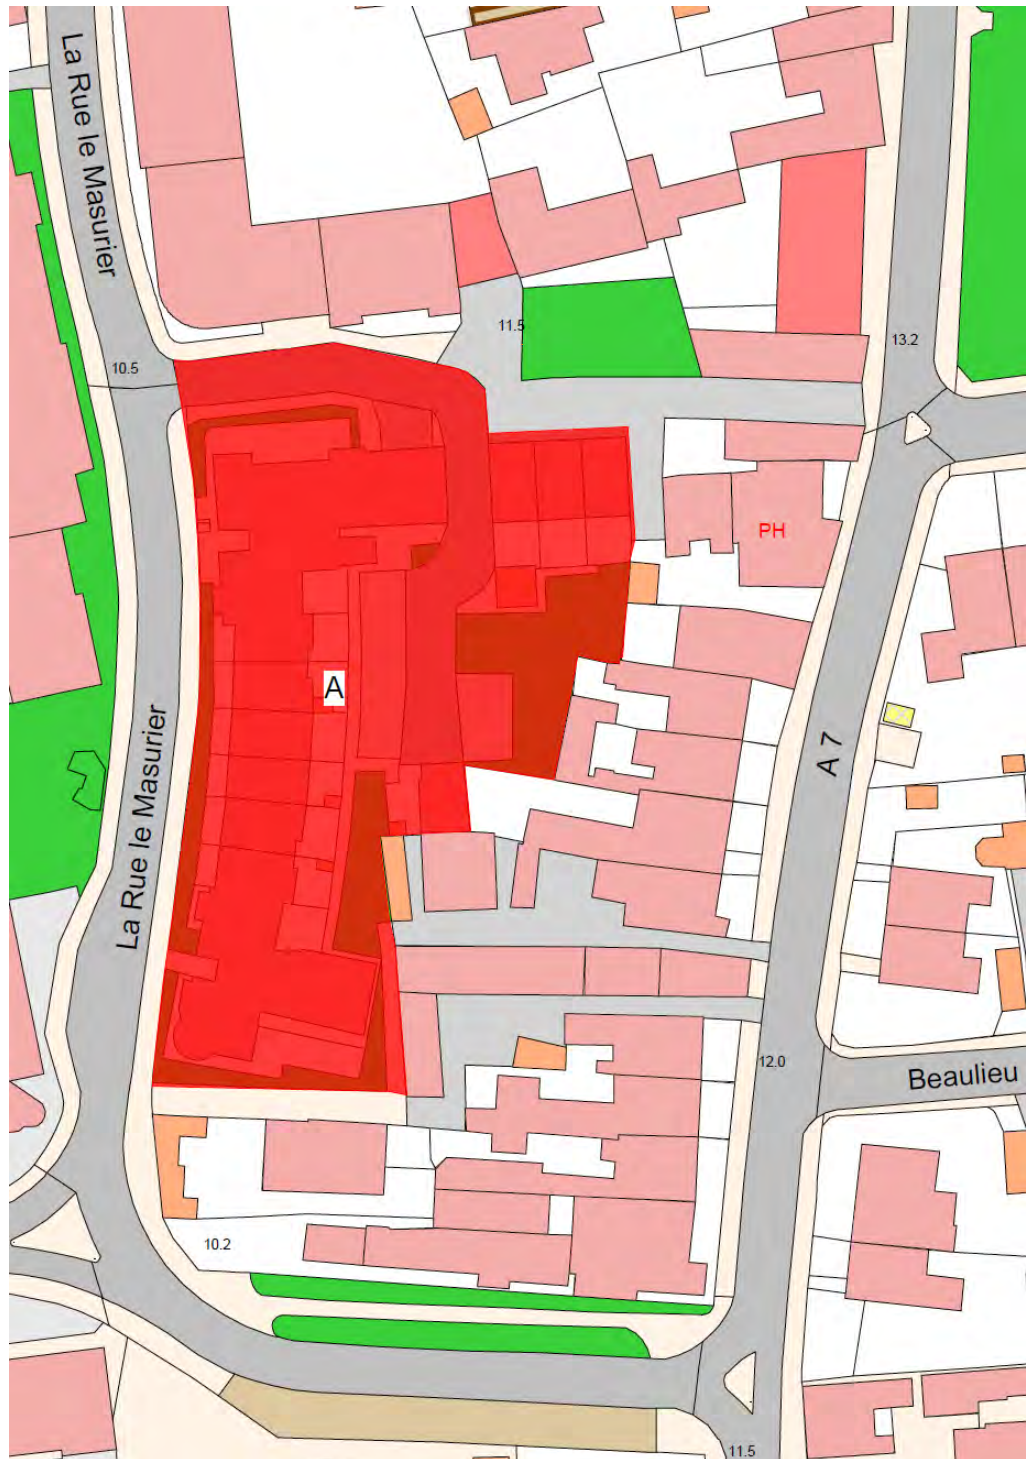

The Department does not maintain or administer any branch connections from these public sewers to the Property or any road drainage system in the roads or parking areas forming parts of the Property.

The routes of the public sewers described above are as shown on the plan in this Part entitled “Public Sewers administered and maintained by T&TS Salisbury Crescent”.

NOTE:

The public administers and maintains both public foul and surface water sewers in the Property’s roads. The public foul and surface water sewers extend into the Property in a north-westerly direction from La Rue des Friquettes under the vehicle access between Nos. 96 and 106 Les Cinq Chenes and as far as the road junction adjacent to Nos. 48 and 49 Les Cinq Chenes. They then head in a north-easterly direction until they reach the pedestrian access adjacent to No. 53 Les Cinq Chenes. They again head in a north-westerly direction until they reach La Grande Route de St. Martin. A public foul branch sewer extends to the north-west from this public foul sewer and between Nos. 50 and 51 Les Cinq Chenes and then in a south-westerly direction along the north-western boundaries of Nos. 50 and 49 Les Cinq Chenes draining properties on La Grande Route de St. Martin.

Public foul and surface water sewers extend into the Property in a north-westerly direction from Prince’s Tower Road through the garden of No. 86 Les Cinq Chenes and extend as far as a point between Nos. 35 and 36 Les Cinq Chenes.

Public foul and surface water sewers also extend into the Property in a north-easterly direction from Prince’s Tower Road under the vehicle access between Nos. 5 and 31 Les Cinq Chenes to a point adjacent to Nos. 41 and 42 Les Cinq Chenes where they then head in a north-westerly direction adjacent to No. 21 Les Cinq Chenes where they turn in a south-westerly direction to a point to the rear of Five Oaks Garage. Public branch foul and surface water sewers extend from these public sewers in a north-westerly direction between Nos. 1 and 30 Les Cinq Chenes and then in a south-westerly direction to a point adjacent to No. 4 Les Cinq Chenes.

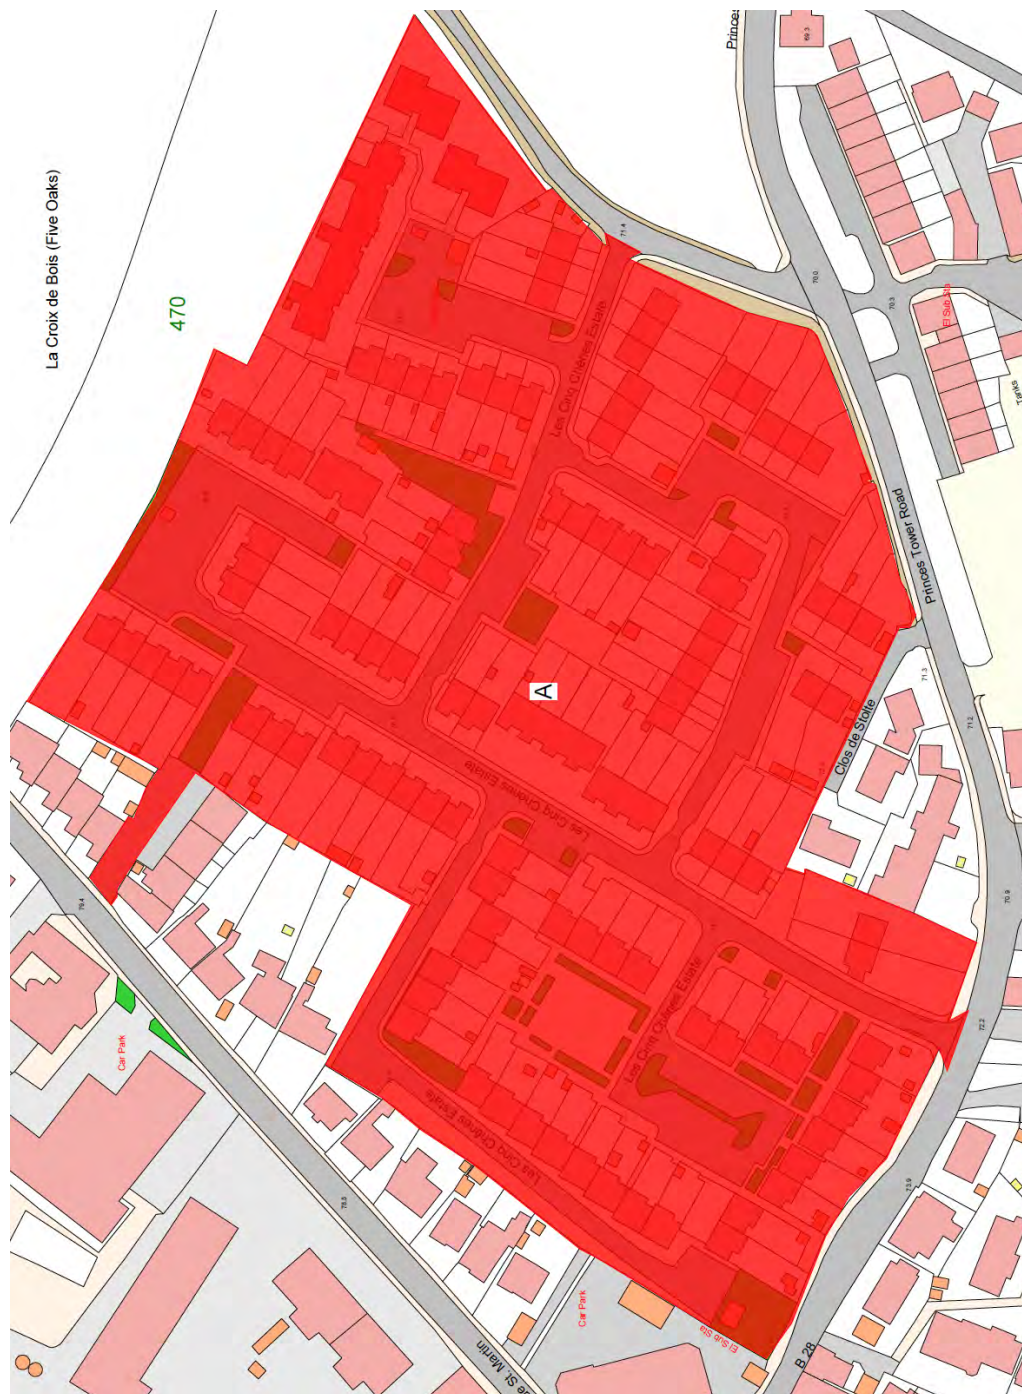

The Department does not maintain or administer any branch connections from these public sewers to the buildings within the Property or any road drainage system in the roads forming parts of the Property.

The route of the public sewers described above are as shown on the plan in this Part entitled “Public Sewers administered and maintained by T&TS Les Cinq Chenes”.

The Property is situate in the Parish of St. Saviour in the Vingtaine des Pigneaux and has the UPRN 69408405.

**PART 140****Nicholson Close, Pillar Gardens, Sutton Court, Whiteley Close and Wilkes Gardens**

- (1) The Property known as Nicholson Close, Pillar Gardens, Sutton Court, Whiteley Close and Wilkes Gardens forming one *corpus fundi* (“the Property”), as shown on the Plan in this Part entitled “Nicholson Close, Pillar Gardens, Sutton Court, Whiteley Close and Wilkes Gardens”, to which the public has right by the contracts of purchase dated –
  - (a) 1st September 1951 (PR 454B/215);
  - (b) 27th July 1990 (PR 886/196); and
  - (c) 12th March 1965 (PR 499/4),(“Contracts of Purchase”).
- (2) The boundaries of the Property and all rights attaching thereto are as set out in –
  - (a) the Contracts of Purchase;
  - (b) the contract of Lease and Cession of Wayleave Rights by the public to The Jersey Electricity Company Limited dated 19th December 1997 (PR 1045/260); and
  - (c) sub-paragraph (3).
- (3) The boundaries towards the land retained by the public are as follows –
  - (a) the wall of the south-east or thereabouts from the southern corner of the Property until reaching the eastern corner of the north eastern wall of No. 12 Whiteley Close towards land retained by the public shall be transferred, without offset, to the company;
  - (b) a boundary line taken from the eastern corner of the north eastern wall of No. 12 Whiteley Close in a south easterly direction until reaching the western corner of the wooden fence forming part of Les Vaux Community Centre;
  - (c) the wooden fence and granite wall to the north-west or thereabouts of Les Vaux Community Centre shall continue to belong, without offset, to the public;
  - (d) a boundary line taken from the north eastern corner of the northern end of the concrete lintel on top of and forming part of the granite wall mentioned in clause (c) in an easterly direction until reaching the north western corner of the concrete kerb on the opposite side of the road leading up to Les Vaux Community Centre;
  - (e) the low retaining wall to the west of the Property, shall be transferred, without offset, to the company;
  - (f) the metal fence to the west on 3 sections and to the south on 2 sections shall be transferred, without offset, to the company;
  - (g) a boundary line taken from the south-eastern corner (the most southerly) in a north easterly direction until reaching the south-western corner of the granite wall to the south or thereabouts of the Property;

- (h) the granite wall to the south or thereabouts of the Property, shall be transferred, without offset, to the company;
- (i) the 2 pillars and line of bricks separating the path forming the northern side of the property at its eastern end with the tarmaced path running along the eastern side of Willow Grove and the fence to the North of the Property towards the tarmaced path, which shall be transferred, without offset, to the company.

NOTE:

The public administers and maintains a large public surface water culvert that drains the Grands Vaux catchment and Jersey Water reservoir to the north. This enters the Property from Willow Grove between Nos. 11 and 12 Pillar Gardens and heads in a south-westerly direction to a point to the north of No. 31 Pillar Gardens where the culvert heads in a westerly direction under the ball court and playground area draining in a south-westerly direction to the rear of Nos. 12 to 15 Whiteley Close and to the south-east of No. 16 Whiteley Close and crosses the play area adjacent to No. 4 Sutton Court flowing in a south-westerly direction. The culvert then crosses to the rear of Nos. 5 and 6 Sutton Court before entering the car parking area to the south-west of the latter then to the south-east of Nos. 17 to 20 Wilkes Gardens and 24 to 29 Wilkes Gardens draining in a south-westerly direction until it reaches a point adjacent to No. 29 Wilkes Gardens where it heads in a north-westerly direction between that property and the Old Coach House Apartments where it again turns to the south-west before crossing the Grands Vaux road and entering the pond to the south-west.

The public administers and maintains the public foul sewer that lies under the southern footway of Les Grands Vaux which possibly passes across the boundary of the Property.

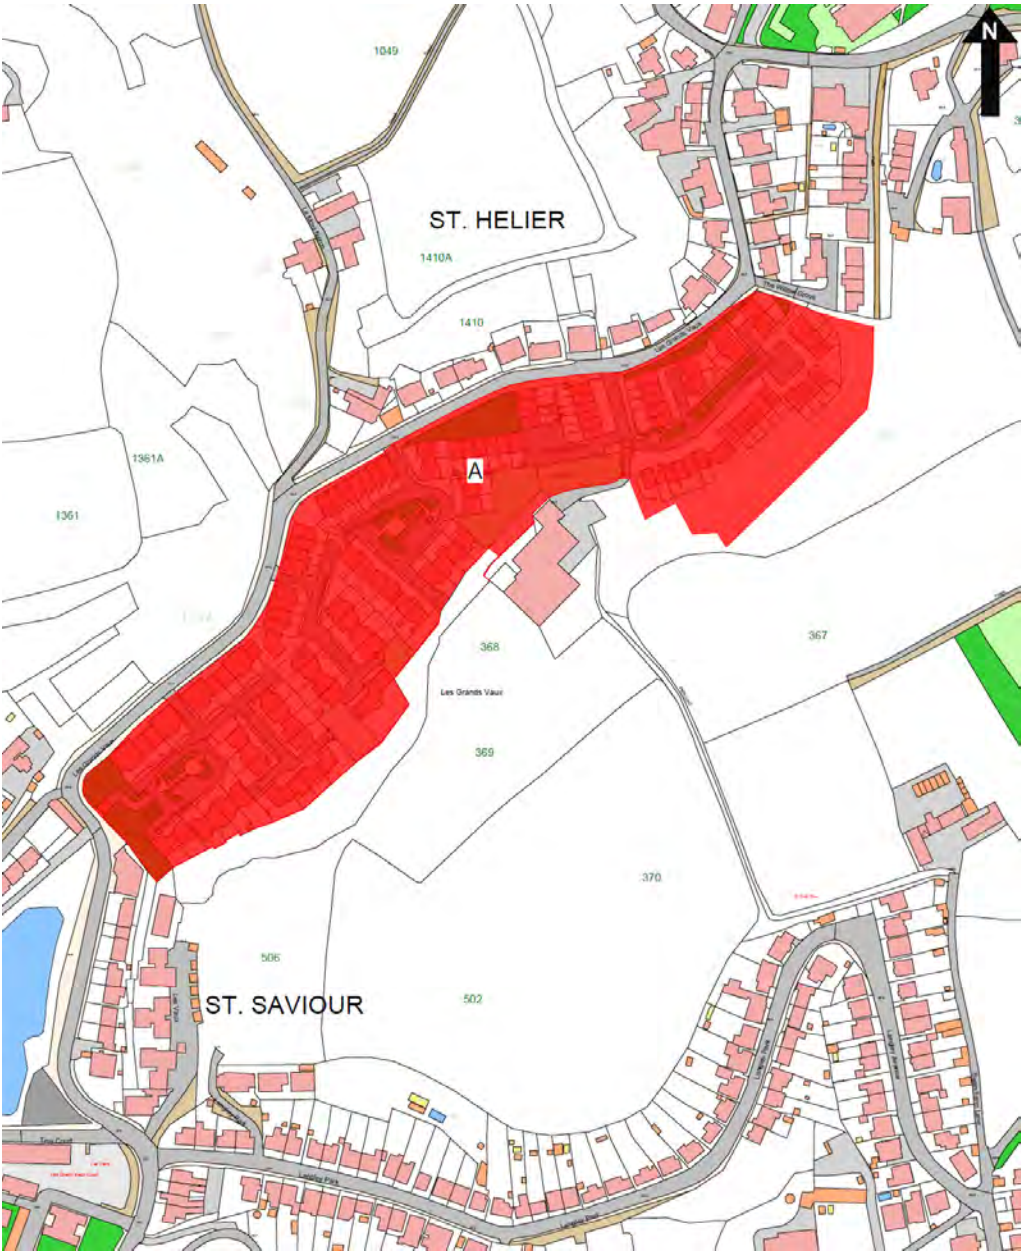

The public also administers and maintains a public foul sewer that enters the Property from Les Grands Vaux under the vehicle access to Whiteley Close and then flows in a south-easterly direction entering Sutton Court between No. 18 Sutton Court and No. 21 Whiteley Close and runs in a south-west direction before entering Wilkes Gardens between Nos. 12 and 13 Wilkes Gardens and follows the road until reaching a point adjacent to No. 1 Wilkes Gardens where the sewer turns in a southerly direction before entering into Les Grands Vaux road. A small branch sewer heads off in a north-westerly direction from the point adjacent to No. 1 Wilkes Gardens to drain a property at the foot of Stafford Lane.

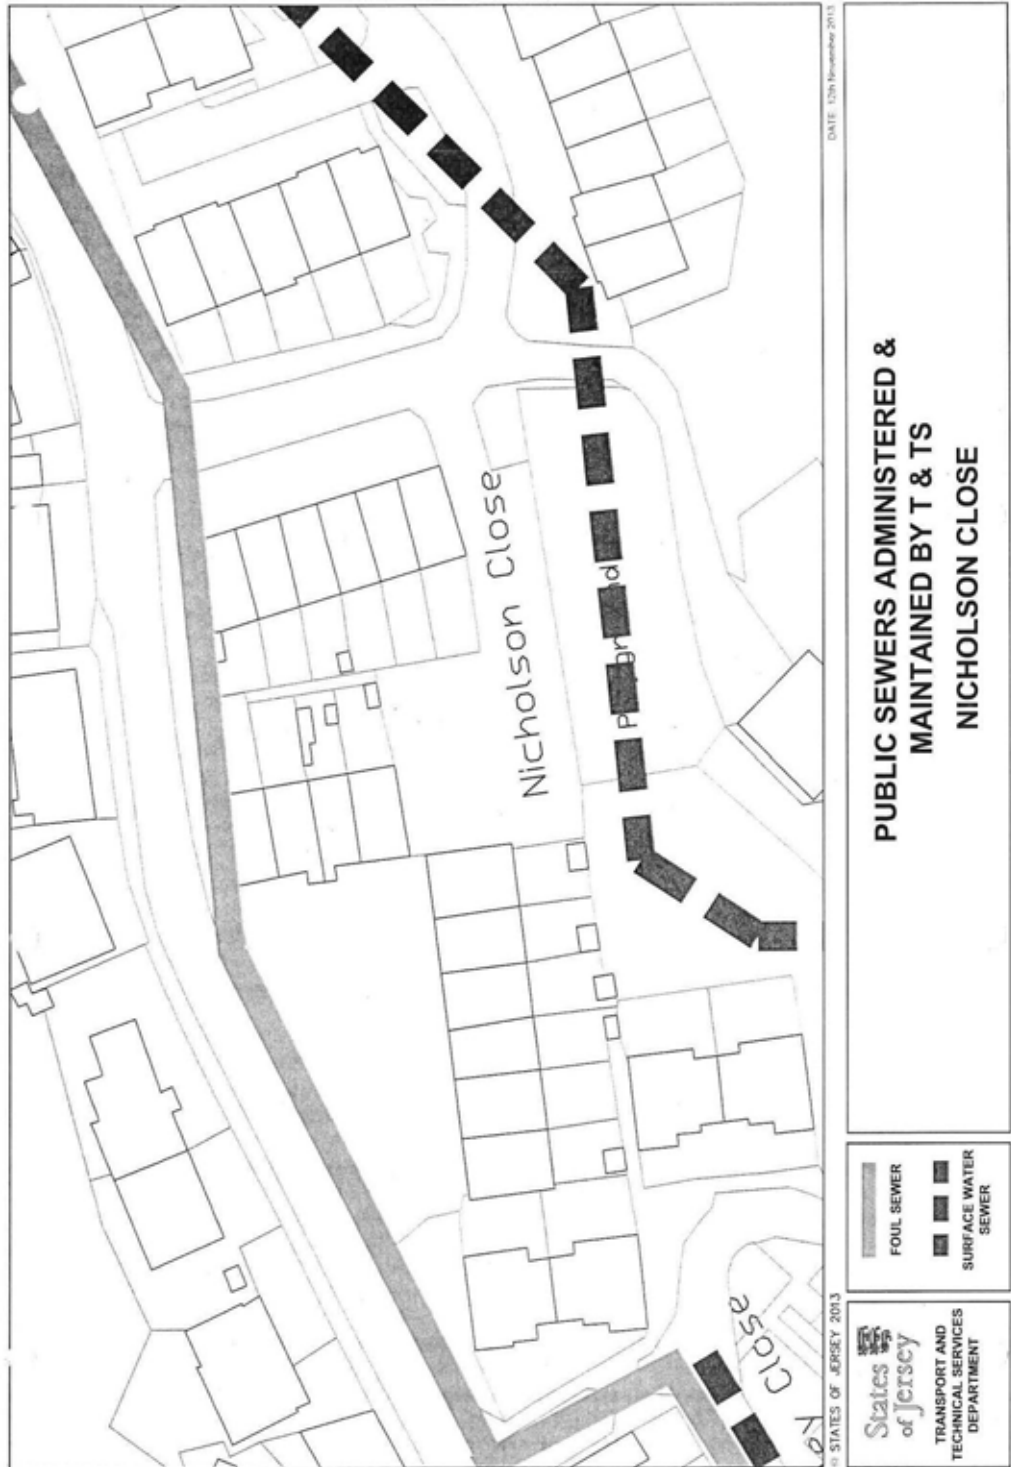

The public does not maintain or administer any branch connections from these sewers to the buildings within the Property or any road drainage system in the roads or parking areas forming parts of the Property.

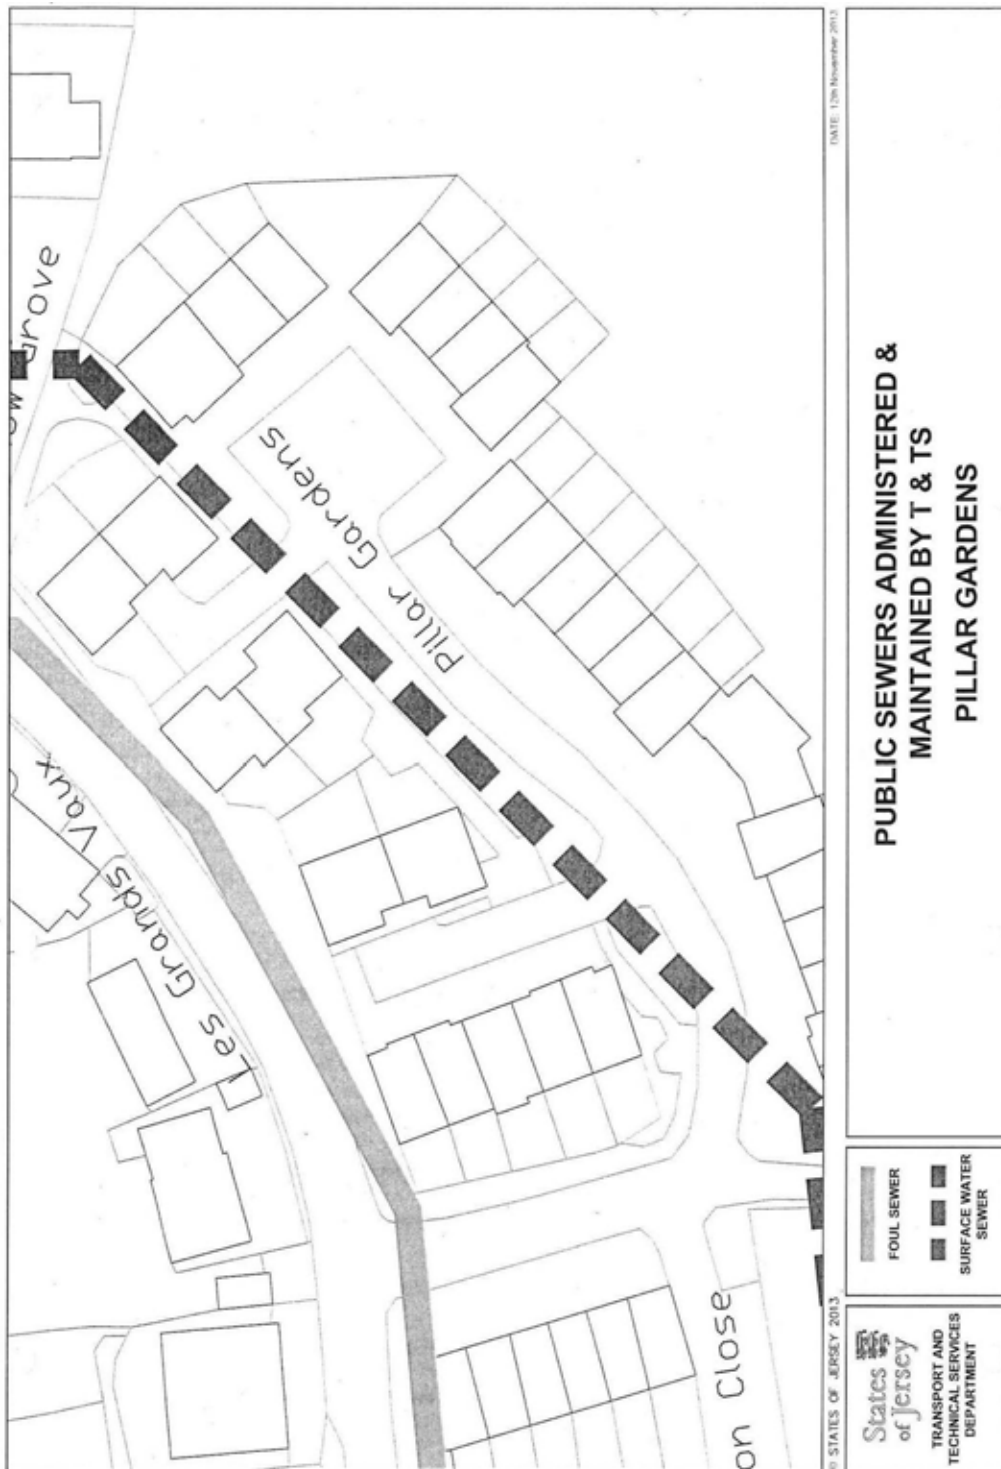

The routes of the public sewers described above are as shown on the plans in this Part entitled “Public Sewers administered and maintained by T&TS Nicholson Close”, “Public Sewers administered and maintained by T&TS Pillar Gardens”, “Public Sewers administered and maintained by T&TS Sutton Court”, “Public Sewers administered and maintained by T&TS Whiteley Close”, and “Public Sewers administered and maintained by T&TS Wilkes Gardens”.

The Property is situate partly in the Parish of St. Helier in the Vingtaine du Haut du Mont au Prêtre and partly in the Parish of St. Saviour in the Vingtaine de Sous l’Eglise and has the UPRNs 69386651, 69408193, 69386668, 69386671 and 693886672.

- (1) The property known as 163–170 Le Clos des Sables (“the Property”), as shown on the Plan in this Part entitled “163–170 Le Clos des Sables”, forming 2 *corpus fundi* to which the public has right (*inter alia*) by contract of purchase dated 13th February 1926 (PR 397/163) (“Contract of Purchase”).
- (2) The boundaries of the first *corpus fundi* of the Property and all rights attaching thereto are as set out in the Contract of Purchase and in the

Déclaration of Co-ownership establishing the 171–186 Le Clos des Sables Association registered by Act of the Royal Court dated 19th October 2012 (PR 1302/602).

- (3) The boundaries of the second *corpus fundi* of the Property and all rights attaching thereto are as set out in the Contract of Purchase and subparagraphs (4) to (10).
- (4) The dividing wall between the row of 8 garages forming part of the second *corpus fundi* and the most southerly garage which is retained by the public shall be party owned between the parties.
- (5) The wall of the north-west with the door opened therein of the most southerly garage of the block retained by the public shall belong, without offset, to the public.
- (6) The concrete kerb to the north-west of the landscaped area to the south-east of the most southerly garage of the block retained by the public shall belong, without offset, to the public.
- (7) The wall to the south-west of the row of 8 garages forming part of the second *corpus fundi* towards Les Quennevais school car park retained by the public shall be transferred, without offset, to the company.
- (8) The wall to the north-west of the row of 8 garages forming part of the second *corpus fundi* towards the grassed area forming part of the railway walk retained by the public shall be transferred, without offset, to the company.
- (9) The concrete kerb to the south-east of the grassed area forming part of the railway walk retained by the public towards the tarmaced area forming part of the second *corpus fundi* shall belong, without offset, to the public.
- (10) A boundary line separating the tarmaced area forming part of the second *corpus fundi* and the roadway leading to the railway walk belonging to the public is an imaginary straight line taken from the eastern corner of the concrete kerb to the south-east of the grassed area forming part of the railway walk retained by the public in a north-easterly direction until reaching the western corner of the wall to the south west of 117 Le Clos des Sables.

NOTE:

The public administers and maintains a public foul sewer that crosses the land to the west of the block containing Nos. 163 to 170 Clos des Sables in an approximate north to south direction. The sewer enters the Property from the road to the north adjacent to No. 117 Clos des Sables heading in a southerly direction until at a point to the west of the block the sewer turns to the south-east and enters the parish road at a point between this block and that of Nos. 179 to 186 Clos des Sables.

The public does not maintain or administer any branch connections from this sewer to the flats or any road drainage system in the parish roads or any drainage in the garage block area to the north-west.

The current route of the public sewer described above is as shown on the plan in this Part entitled “Public Sewers administered and maintained by T&TS 163–170 Clos des Sables”.

**PART 159****Don Farm**

- (1) The Property known as Don Farm (“the Property”), as shown on the Plan in this Part entitled “Don Farm”, to which the public has right (*inter alia*) by the Contracts of Purchase dated –
  - (a) 9th August 1968 (PR 548/254);
  - (b) 9th August 1968 (PR 548/256); and
  - (c) 13th September 1974 (PR 629/200),(“Contracts of Purchase”).
- (2) The boundaries of the Property and all rights attaching thereto are as set out in the Contracts of Purchase and in the following contracts of sale –
  - (a) 66 Don Farm by the public dated 30th April 1976 (PR 652/350);
  - (b) 67 Don Farm by the public dated 20th February 1976 (PR 650/17);
  - (c) 68 Don Farm by the public dated 5th September 1975 (PR 643/80); and
  - (d) 73 Don Farm by the public dated 29th August 1975 (PR 642/447); and
  - (e) in sub-paragraph (3).
- (3) The ends of walls to the west of the Property towards Les Quennevais playing fields shall be transferred, without offset, to the company and a line of demarcation shall be taken from the south-west corner of the end of the wall the most northerly in a southerly direction until reaching the north-west corner of the end of wall the most southerly.

**NOTE:**

The public administers and maintains public foul and surface water sewers that extend into the Don Farm access road from the south between the Communicare Centre and St. Bernadette’s Church. From this point the foul sewer extends to the east to a point adjacent to the north-west corner of the Communicare Centre and the surface water sewer to a point adjacent to the eastern boundary of No. 3 Don Farm. Both public foul and surface water sewers also extend to the west following the line of the estate road, the foul to a point adjacent to the south-east corner of No. 105 and the surface water as far west as the vehicle access leading to the cycle track to the north of the pool complex. From these main sewers, foul and surface water sewers extend via 3 main branches into the estate to the north.

Branch 1. Foul and surface water sewers extend to the north under the access road between Nos. 2 and 80 Don Farm to a point to the east of No. 82 Don Farm where branch connections head to the east to a point adjacent to the south-east corner of No. 7 Don Farm before heading in a southerly direction to the northern boundary of No. 2 Don Farm. The foul and surface water sewers head further into Don Farm to the road junction to the west of No. 8 Don Farm where they bifurcate into 2 further branches, one to the north and one to the west. The northerly branches extend to a point adjacent to No. 16 Don Farm where they turn to the east to a point opposite the boundary of Nos. 13 and 14 Don Farm. The westerly branches continue under the estate road to a point at the boundary between Nos. 20 and 19 Don Farm where they

head north between the 2 dwellings to a point to the west of No. 22 Don Farm and then west adjacent to No. 30 Don Farm.

Branch 2. From the main estate road, branch foul and surface water sewers extend to the north between Nos. 77 and 78 Don Farm to a point adjacent to the south-east corner of No. 17 Don Farm where they then head in a westerly direction to the south of No. 33 Don Farm. The sewers then bifurcate with one branch heading south to a point to the west of No. 89 Don Farm and then west to the east of No. 92 Don Farm and a branch extending to the north between Nos. 33 and 34 Don Farm to a point to the west of No. 37 Don Farm and then in a westerly direction to a point to the south of No. 43 Don Farm.

Branch 3. From the main estate road, branch foul and surface water sewers extend to the north and west between Nos. 71 and 90 Don Farm and follow the estate road. At a point to the east of No. 63 Don Farm branch sewers extend to the south to a point to the north of No. 68 and then head west to a point to the east of No. 65 Don Farm. The foul and surface water sewers continue under the estate road to the junction to the west of No. 96 Don Farm where branch sewers extend to the west adjacent to No. 57 and then to the south to between Nos. 59 and 61 Don Farm. The sewers extend further to the north from adjacent to No. 96 Don Farm under the estate road to a point to the west of No. 36 Don Farm where they then head in a westerly direction and to the east of No. 48 head to the north to the south of the parking area for No. 47 Don Farm.

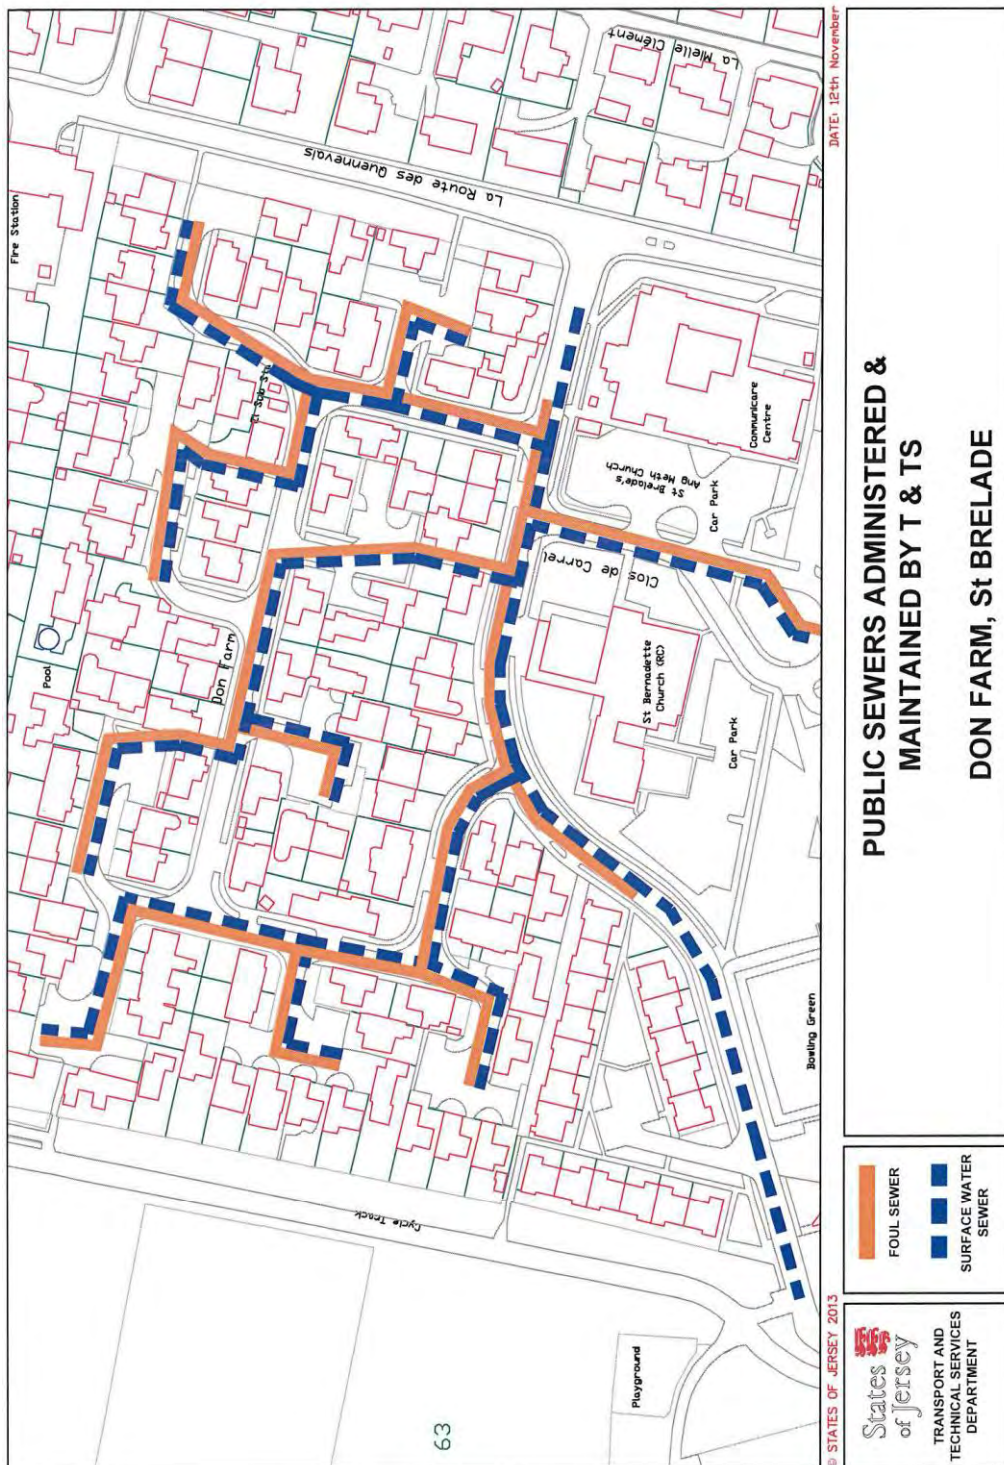

The Public also maintains and administers all branch foul and surface water connections from the sewers to the property boundaries but does not maintain or administer any road drainage systems within the estate.

The current routes of the public sewers described above are as shown on the plan in this Part entitled “Public Sewers administered and maintained by T&TS Don Farm, St. Brelade”.

The Property is situate in the Parish of St. Brelade in the Vingtaine des Quennevais and having the UPRN 69383605.

**PART 160**

**Le Clos St. André, St. Andrew’s Court and Les Jardins du Soleil**

- (1) The properties known as Le Clos St. André, St. Andrew’s Court and Les Jardins du Soleil (“the Properties”), as shown on the Plan in this Part entitled “Le Clos St. André, St. Andrew’s Court and Les Jardins du

- Soleil”, to which the public has right by the contracts of purchase (*inter alia*) dated –
- (a) 1st March 1991 (PR 896/302);
  - (b) 10th June 1966 (PR 516/7); and
  - (c) 19th November 1982 (PR 752/329),
- (“Contracts of Purchase”).
- (2) The boundaries of the properties and all rights attaching thereto are as set out in –
- (a) the Contracts of Purchase; and
  - (b) the following contracts –
    - (i) sale of road and pavements in Le Clos St. André by the public dated 11th March 1988 (PR 845/164), and
    - (ii) lease of Shop A, Les Jardins du Soleil by the public dated 15th January 1999 (PR 1068/422), and
    - (iii) Lease and Cession of Wayleave Rights by the public to The Jersey Electricity Company Limited dated 14th July 2000 (PR 1101/797); and
  - (c) paragraph (3).
- (3) The boundaries towards the property retained by the public are as follows –
- (a) the Southern boundary of the Properties towards a Pavilion, bowling green and surrounding land belonging to the public (“the Bowling Premises”) is constituted by the concrete block wall which belongs, without offset, to the public;
  - (b) The Eastern, Northern and (on a small section) Western boundaries of the Properties towards the Bowling Premises are constituted by party owned hedges;
  - (c) the Eastern boundary of the Properties towards a car park retained by the public (“the Car Park”) is constituted by the Western face of the West wall of the Car Park and the Western face of the sloping wall in extension of the said West wall together with the West (or thereabouts) face of the pillar which all belong, without offset, to the public;
  - (d) the remainder of the East boundary of the Properties towards the Car Park and the public footpath which leads to La Rue es Nouaux is constituted by an imaginary line taken from the South-West corner of the tactile paving at the base of the Car Park steps near the North-West corner of the Car Park and prolonged towards the North following the East side of the purple paved kerbing at ground level (the most Easterly) which kerbing shall be transferred, without offset, to the company, until it reaches the centre of the party-owned hedge of the North towards the Bowling Premises;
  - (e) the remainder of the North boundary of the Properties towards the Car Park is constituted by an imaginary line taken from the South-West corner of the area of tactile paving at the base of the Car Park steps near the North-West corner of the Car Park and prolonged

towards the East following the South side of the area of tactile paving described above and which belongs, without offset, to the public until it reaches the boundary wall forming part of the Car Park.

NOTE:

The public administers and maintains the following public sewers in the Properties –

*Le Clos St. André*

The public administers and maintains both public foul and surface water sewers in Le Clos St. André roads as well as along the southern boundary of Le Clos St. André. A public foul sewer drains in a south-west direction from the junction of Le Clos St. André and La Route es Nouaux crossing under a clothes drying and parking area and then in a westerly direction to the south of No. 22 Le Clos St. André and No. 8 Le Clos St. André before draining south to the west of the Sun Bowls Club bowling green. A large public surface water culvert that drains the Bellozanne Valley catchment as well as taking the flow from the Sewage Treatment Works runs on a similar line. Public foul and surface water branches extend to the north off these sewers to the east of Nos. 17 to 22 Le Clos St. André and then along the main road within the Property to the west as far as No. 66 Le Clos St. André. Small branches also extend eastward from these branch sewers opposite No. 19 Le Clos St. André into the parking area adjacent to the flats. Other branch sewers extend north from the junction with St. Andrew's Court and cross under the gardens of Nos. 8 to 13 Le Clos St. André before entering the main road within the Property. Public foul and surface water branch sewers extend to the west and then north-west from the garden of No. 12 Le Clos St. André before entering St. Andrew's Road.

The main public surface water culvert extends further to the west from the junction with St. Andrew's Court, to the south of No. 7 Le Clos St. André and other private properties before reaching La Mielle Villas on Le Mont Cochon.

The public also maintains and administers the branch connection from these public sewers to the individual property boundaries but does not maintain any road drainage system in the roads within the Property.

*St. Andrew's Court*

The public administers and maintains a large public surface water culvert that crosses through the Property under the access road in a north to south direction from Le Clos St. André. Adjacent to No. 12 St. Andrew's Court the culvert then turns west and then south-west between Nos. 7 and 8 St. Andrew's Court before exiting out into La Route de St. Aubin between Les Jardins du Soleil and The Old Bakehouse/Brooklyn House.

The public does not maintain or administer any branch connections from this sewer to the buildings or any surface water or road drainage system in the Property.

*Les Jardins du Soleil*

The public administers and maintains a public foul sewer that enters the Property at the north-east corner and lies along the northern boundary under the pedestrian way. At a point adjacent to No. 8 St. Andrew's Court the sewer enters into that Property before heading south and exiting into La Route de St. Aubin to the east of The Old Bakehouse/Brooklyn House.

Two large pumped pressure mains lie under the south-west garden of Les Jardins du Soleil that transfer the islands sewage from the pumping station at First Tower up to Bellozanne Valley for processing. These pipes enter the site from La Route es Nouaux at the south east corner and approximately following the building line across the

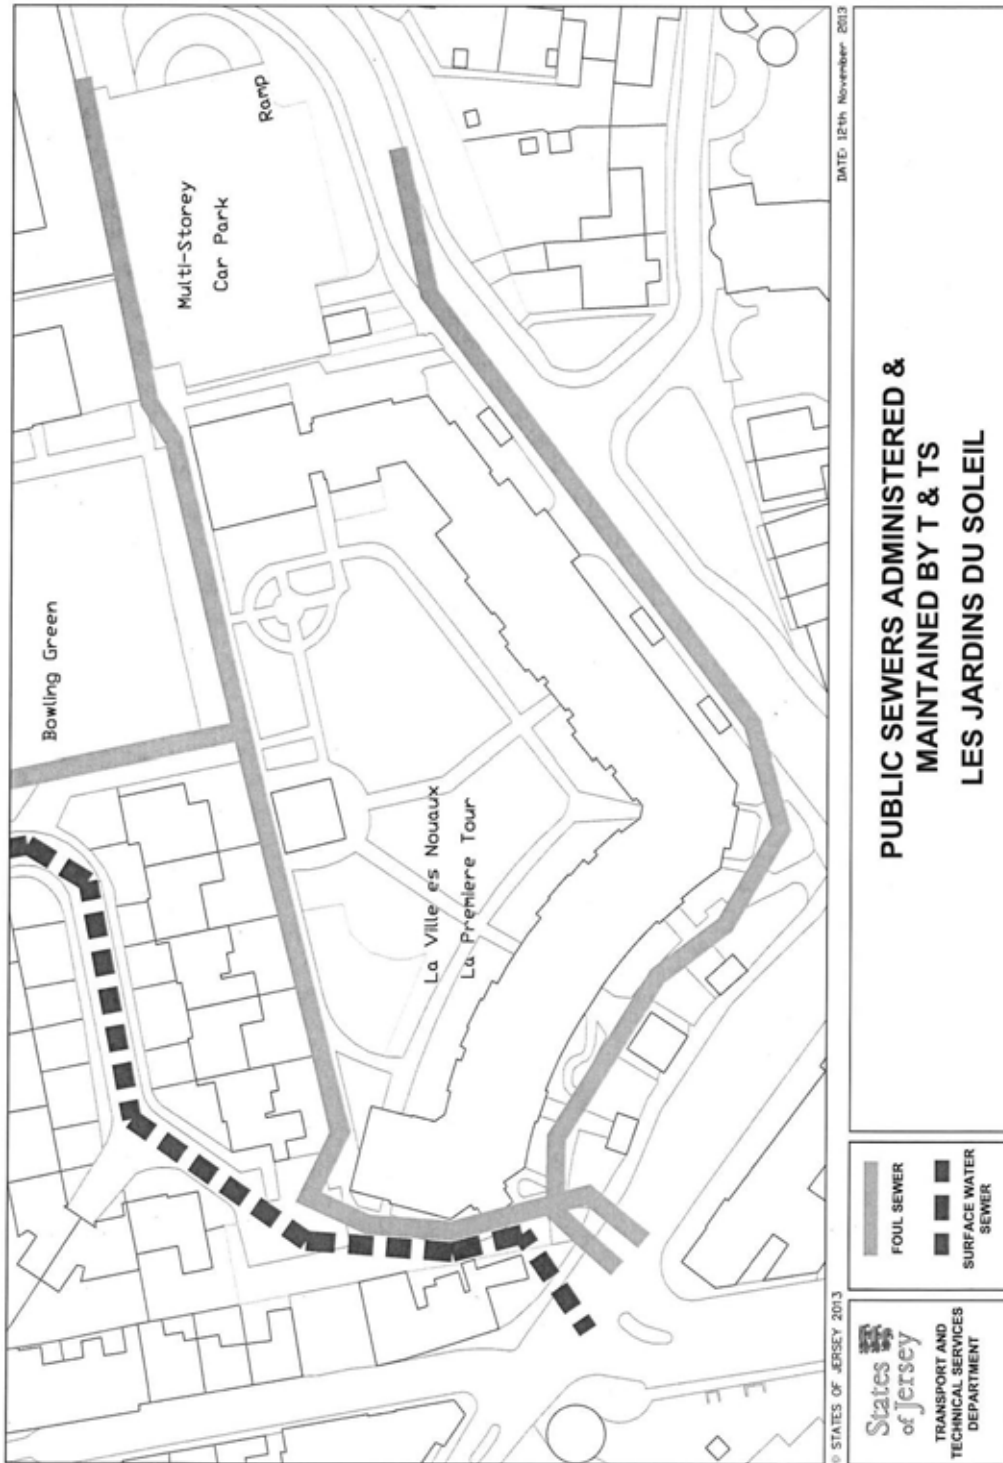

gardens to the west before exiting out onto La Route de St. Aubin to the east of The Old Bakehouse/Brooklyn House.

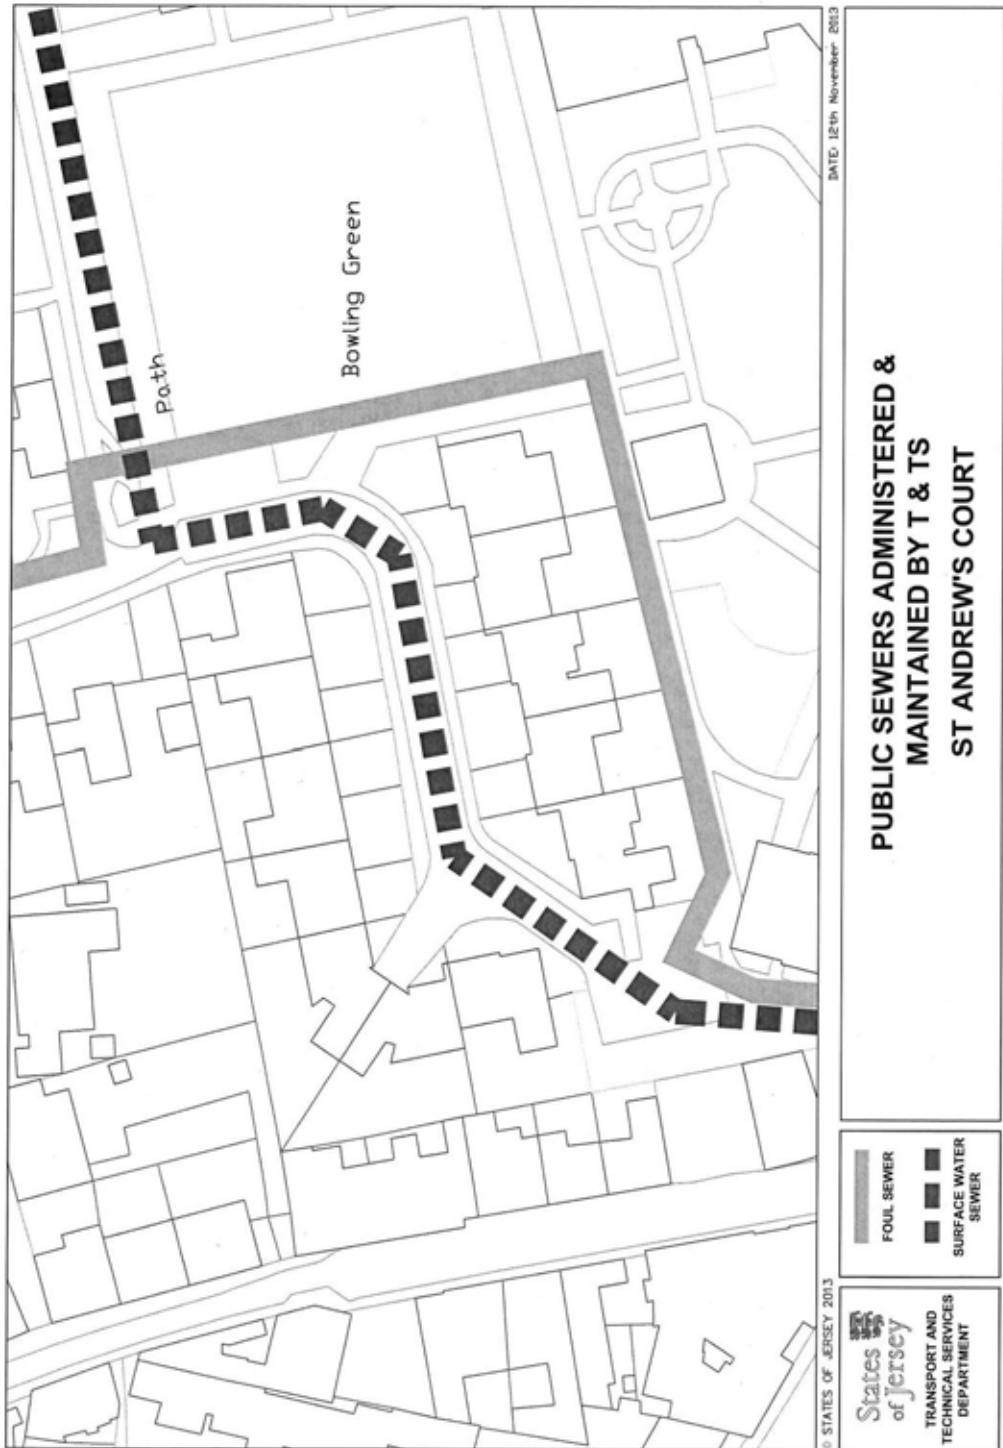

The routes of the public sewers described above are as shown on the plans in this Part entitled “Public Sewers administered and maintained by T&TS Les Jardins du Soleil”, “Public Sewers administered and maintained by T&TS St. Andrew’s Court”, and “Public Sewers administered and maintained by T&TS Clos St. André”.

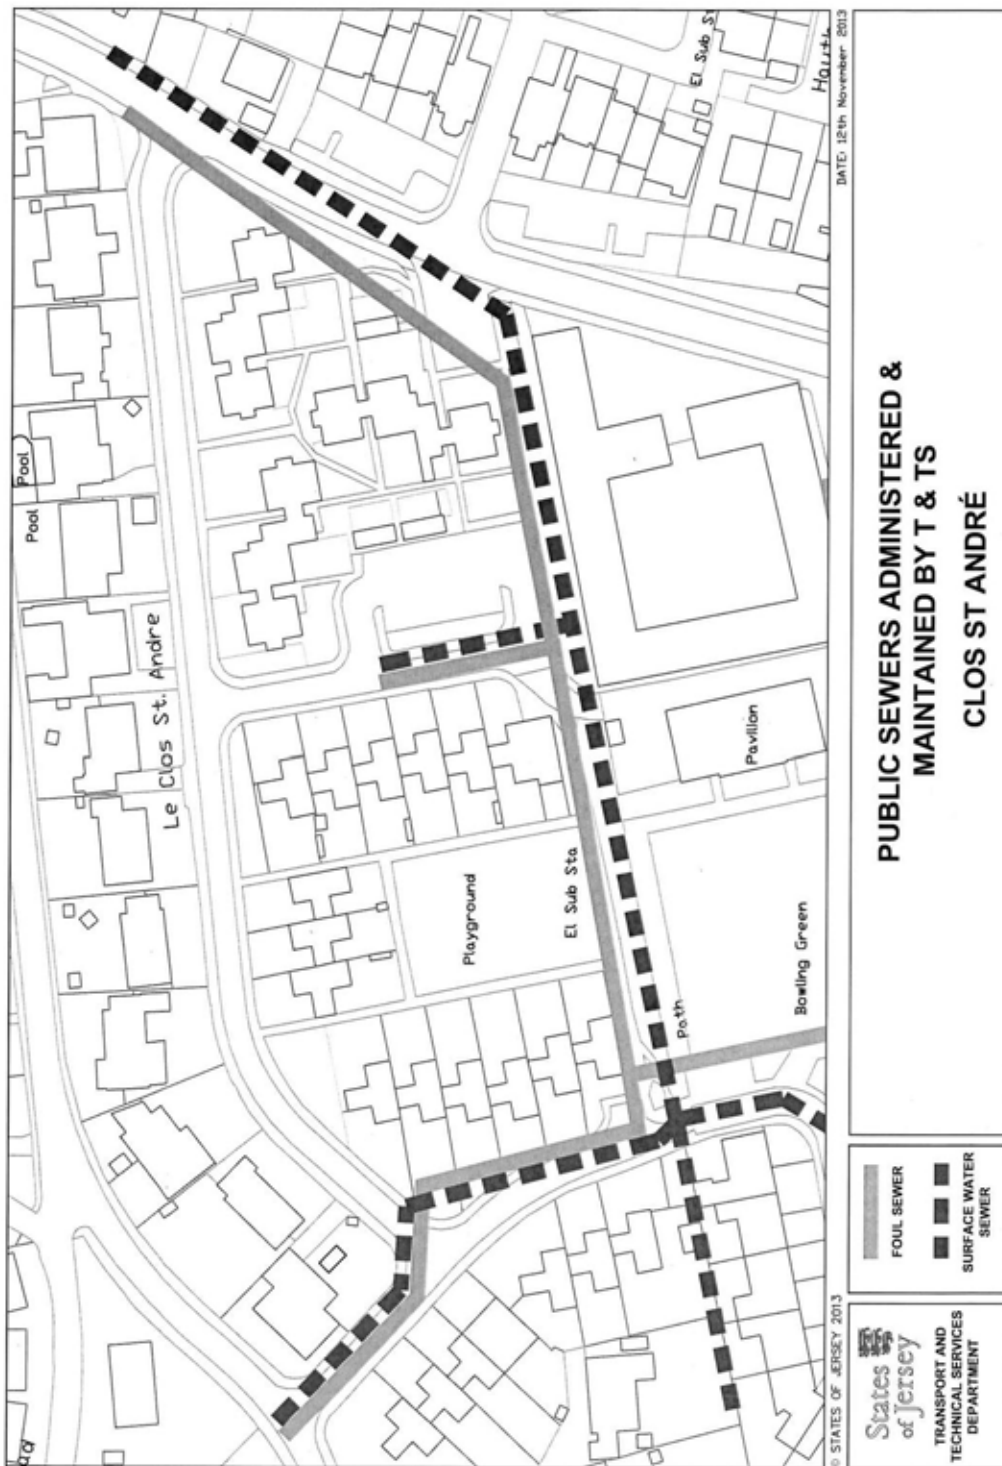

The properties are situate in the Parish of St. Helier in the Vingtaine du Mont à l’Abbé and have the UPRNs 69388630, 69386666 and 69384245.

## PART 162

### Le Clos Orange

- (1) The Property known as Le Clos Orange (“the Property”), as shown on the Plan in this Part entitled “Le Clos Orange”, to which the public has right (*inter alia*) by the Contracts of Purchase dated –
- (a) 28th May 1976 (PR 653/388);
  - (b) 15th October 1976 (PR 660/302);
  - (c) 22nd October 1976 (PR 660/478); and

- (d) 23rd December 1977 (PR 680/354),  
("Contracts of Purchase").
- (2) The boundaries of the Property and all rights attaching thereto are set out in the Contracts of Purchase and in sub-paragraphs (3), (4) and (5).
  - (3) The walls to the south or thereabouts, south-west and west or thereabouts and the concrete kerb at the back of the pavement to the west or thereabouts of the Property shall be transferred, without offset, to the company.
  - (4) The concrete kerbing to the south of the footpath to the north of the Property shall belong, without offset, to the public.
  - (5) The wooden fences to the north or thereabouts, north-west and west-north-west and the wall of the north-west of the sheds forming part of the Property shall all be transferred, without offset, to the company.

## NOTE:

The public administers and maintains public foul and surface water sewers that enter the estate from the west to the south of No. 27 Le Clos Orange where the sewers extend to the east to a point adjacent to No. 21 Le Clos Orange. The foul sewer only continues through to La Route Orange under a private access draining the properties to the north and south.

The main foul and surface water sewers extend under the estate road from the point south of No. 27 Le Clos Orange in a north-easterly direction until they reach the road junction to the north of No. 16 and 17 Le Clos Orange where the sewers bifurcate to the east and north with those to the east extending as far as the junction with La Route Orange. On the northerly branch, the surface water sewer extends only as far as an approximate line with the pedestrian accesses to the rear of Nos. 41 and 42 Le Clos Orange. Branch foul and surface water sewers extend to the north of Le Clos Orange Flats under the parking area to the north of the block with the foul draining private properties to the north of Nos. 1 to 7 Le Clos Orange. The foul sewer further extends up to the estate road junction between Nos. 41 and 42 Le Clos Orange with a small branch to the south-west to a point adjacent to No. 38 Le Clos Orange. A separate surface water sewer that lies to the east of Nos. 27 and 35 Le Clos Orange enters the estate to the north of the latter property and heads in a north-easterly direction meeting with the foul sewer. The 2 sewers then extend to the north-east to a point to the east of No. 63 Le Clos Orange where they again split. The northern branches extend under the estate road as far as No. 67 and the easterly branches extend to a point between Nos. 57 and 58 Le Clos Orange. At this point the foul sewer again bifurcates with a southerly branch under the pedestrian access to the main road to the south that drains properties along La Route Orange with a foul sewer also heading in a south-westerly direction crossing the gardens of Nos. 57 and 56 Le Clos Orange and draining properties on La Route Orange to the south. The northerly branch, extending under the curtilage and to the north-east of the dwelling of No. 58 Le Clos Orange, drains properties to the north including La Maudelaine Estate.

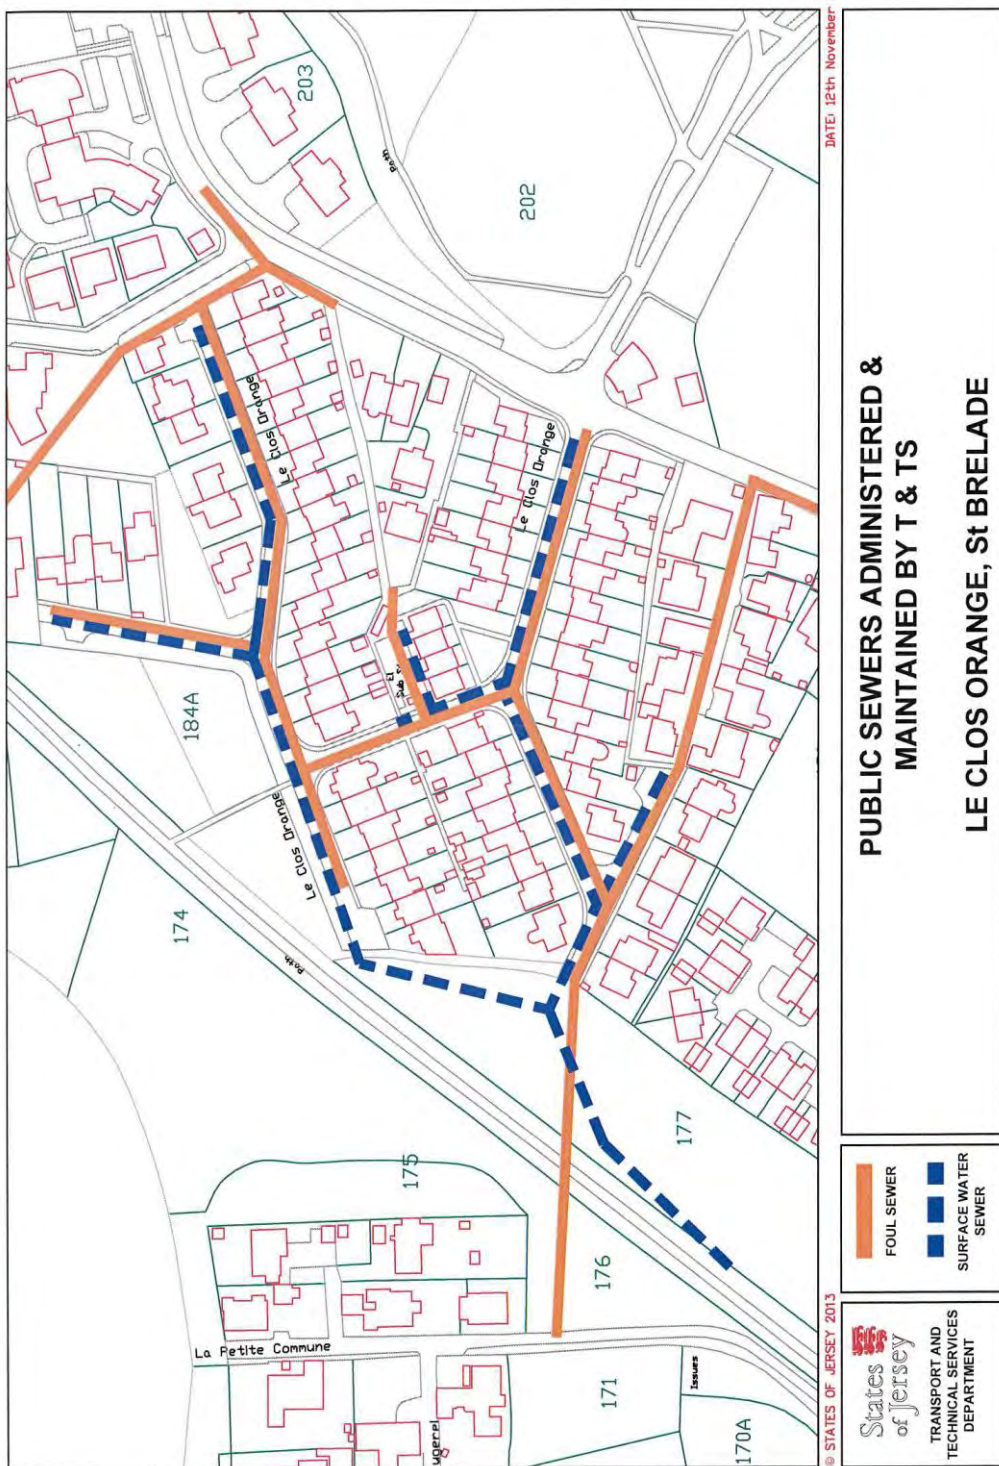

The public also maintains and administers all branch foul and surface water connections from the sewers to the property boundaries but does not maintain or administer any road drainage systems within the estate. Please note that only a few properties have individual sewer connections, the majority drain in groups via private sewers.

The current routes of the public sewers described above are as shown on the plan in this Part entitled “Public Sewers administered and maintained by T&TS Le Clos Orange, St. Brelade”.

The Property is situate in the Parish of St. Brelade in the Vingtaine de la Moye and has the UPRN 69380239.

**Princess Place, Princess Place Flats, Look Out and Rosel**

- (1) The properties known as Princess Place and Princess Place Flats, Look Out and Rosel (“the Properties”), as shown on the Plan in this Part

- entitled “Princess Place, Princess Place Flats, Look Out and Rosel”, to which the public has right by the Contracts of Purchase dated –
- (a) 23rd October 1920 (PR 380/278);
  - (b) 27th May 1950 (PR 452A/158); and
  - (c) 17th January 1953 (PR 457B/161),
- (“Contracts of Purchase”).
- (2) The boundaries of the Properties and all rights attaching thereto are set out in –
    - (a) the Contracts of Purchase; and
    - (b) the following contracts –
      - (i) the contract of sale dated 19th September 1986 (PR 819/377), in so far as it relates to the public parties to that contract,
      - (ii) sale by the public dated 20th June 1997 (PR 1033/326),
      - (iii) sale by the public dated 5th November 2004 (PR 1176/668), and
      - (iv) Lease and Cession of Wayleave Rights by the public to Jersey Electricity Plc dated 29th July 2011 (PR 1283/24); and
    - (c) sub-paragraphs (3) to (8).
  - (3) The boundaries of the Properties towards FB playing fields retained by the public shall be the wire fence which shall belong, without offset, to the public.
  - (4) The boundary towards the netball courts retained by the public shall be the wall which shall be party owned between the parties.
  - (5) The boundary line separating the north western end of the access road forming part of the Properties from the public car park retained by the public is a straight line taken from the western corner of the wall to the north-west of Princess Place Flats forming part of the Properties in a south-south-westerly direction until reaching the eastern corner of the wall to the north-east of the property known as Picardy Flats, Plat Douet Road.
  - (6) The boundaries of the Properties bearing the numbers 1 to 4 The Denes retained by the public towards the roadway known as Princess Place forming part of the Properties shall be the walls and gate pillars forming parts of Nos. 1 to 4 The Denes which shall belong, without offset, to the public.
