In reply to "What do you think."

Question 1

STATES GREFFE REGISTERED	
18 JUN 2007	
Sen	SP
	FAP

I think if you have nothing to hide, then the Government should know all, it certainly would not worry me.

Question 2.

Jersey must have a population Register, not tomorrow, but today. I feel as many others do that there must be a strong line when allowing migrants to settle here, we are fast becoming a second Britain allowing every Tom, Dick & Harry in along with the rest of their family over.

Question 2 cont:-

What about the demand  
it is making on our  
hospitals - Sewage, housing  
etc. Just you wait &  
See the birth rate  
expand over the next  
few years, all at our  
expense a stop should  
begin now. not next  
year on a lighter note,  
did you know that the  
most popular name in  
Britain for a baby  
boy is Mohamed.?

yours Sincerely

Barbara Clarke,  
(Mrs)
