“In light of the receipt by the JSPCA of a disconnection notice from Jersey Water dated 28th April 2014 which was sent in relation to an invoice dated 27th March 2014 would the Minister, as representative of the shareholder, state whether all States owned or controlled utilities send disconnection notices after 30 days and, if so, is this appropriate when certain consultations have to take place before disconnection is allowed?”
4. The Connétable of St. John will ask the following question of the Minister for Treasury and Resources –
“In light of the recent Royal Court decision in the action between the Minister, the States of Jersey Development Company and Harcourt and others, would the Minister state whether this creates a conflict for the States when dealing with potential clients for the Esplanade Quarter and, if so, who is now representing the States’ interests and will this decision prevent the development from moving forward before the case is settled?”

7. Deputy J.H. Young of St. Brelade will ask the following question of the Minister for Treasury and Resources –

“Will the Minister inform the Assembly of the consequences for SoJDC’s development plan of the loss of the proposed anchor tenant of the Jersey International Finance Centre; of the number and extent of remaining expressions of interest from prospective tenants, whether they are new or relocations and whether he will now be ensuring the economic and financial viability of this development is independently assessed and reported to members?”

8. Deputy G.P. Southern of St. Helier will ask the following question of the Minister for Social Security –
