The Income sub-panel.

Sirs,

I have nothing but praise for  
Income Support, trouble is, many  
Elderly do not understand the  
system how it operates, I do, I find  
it by far better than "Parish Welfare"  
I for one, saw them once a year!  
I have much praise for Social Security  
Staff, who I have found most helpfull  
to any enquires at all times  
Long live Income Support and the way  
it is run, that is my view as a  
Stakeholder.
